Dear **Adin**, So this to the uncle, my favourite PR SCC and to the person who will always receive a text from me to talk or to meet and always pings me for work (still complaining), thank you soo much for always being my mentor and standing by my side either to give me some serious life lessons or to take my case (its mostly the other way round though :P). I will always cherish the time spend and all the secrets known. Just be the same- 90% unclish and 10% fun and let your 10% come out more than the other to meet the set goals of life soon ;P. All the v.best for the road ahead. Don't forget your JCCs and remember that I'm still gonna bug you for any PR work of which I'm not sure about :P. You gonna rock everywhere with your unclish charm uncle. :P Love u :) – **Aakriti Mahajan**

Dear **Pooja Raina** (Matarani), I once told you that when the time would come, I would tell you what you did for me. There are so many things to write but I'll restrict myself to a few instances.

1. The club selection processes were extremely taxing for me, I was being rejected by every club. I can never be thankful enough, because you saw me when no one did.
2. I have a history of making stupid mistakes, but you were there to listen to me, and every time you checked on me after I told you about it, I felt protected, I felt that someone's watching over me.
3. You were always there when I needed your help, you never belittled me for my inane doubts.
4. You taught me to say no, I needed that. I know I have messed up the most while working with you, but I was always trying to live up to your expectations. I am sorry that I couldn't deliver. I always have and always will count on you. I know it sounds cheesy, but I see an elder sister in you. Ab case mat lena! Bbye!! – **Jayati**

Dear **Ehrlich**, Ehrl an awesome friend. Someone I can go to whenever I need something whether acads or personal issues he was always there to listen or advice and oh ya always ready to gossip. P.S i will always irritate you – **Aditi**

Dear **Vinod Ahuja** (BC), Don't mind, tu he toh hai mera gaali wala saathi! I'll continue the legacy, don't worry, har saal ek maa behen ki gaali nikalne wala/wali toh honge he! Aur koi hot si JCC hui toh tera reference de dungii! :P – **Jayati**

Dear **Mayank Kalia** (Hero), Bhai itna chill kaise rehta hai tu? Jealous ho jaati hun main! And I respect you as a writer, your approval on everything that I have written, is extremely valuable to me. Waapis aayega toh saath mein ek J, if you know what I mean! Adios! – **Jayati**

Dear **Nidhi Kalani**, You're the one, I love and will miss the most among all. Keep chirping around and smiling always. Wish you all the best for your future endeavours. Lots of Love. – **Priyanka Arora**

Dear **Ehrlich**, The minion who will always be laughing, smiling, have a curious look on his face (for a reason) and is trying to take my case in every possible situation, thank you so much for always being there to listen and support me. The Diwali talk, amidst H1 and H3 talks and above all late night talks and gossips..will miss all of them minion.Be the same. Good luck for your future :) P.S - I got all the funny photographs of yours :P – **Aakriti Mahajan**

Dear **Pooja Moha** (Mommy), First, never ever use the word 'please' in front of me. I feel insulted. You are one of the toughest people to say no to, because all I have heard from your end is 'yes'. Initially, we didn't get the chance to work together, but the last few months make me wish that we had more opportunities to work with each other. The best thing about you is that you never shoot down an idea, you've always encouraged me to explore. I have understood marketing because of you. Plus, you have this knack of sensing people's emotions. I have never had to tell you what I am going through. you just know. I didn't know that someday we would become friends, but now that we have, I cherish every moment of it. Bbye Mrs Patel! You are one of the best human beings I have come across. – **Jayati**

Dear **Saloni** (Sallo Watson), Bhand toh main karke rahungi, chahe kucch ho jaaye! You are a sweetheart, and I love your sense of humor. Gussa hoti ho toh bhi pata nai chalta ki gussa ho! Alu kachalu beta kahan gaye the? :P Shaadi mein bula lena!! Bbye!! - **Jayati**

Dear **Eden Jacques**, You're one of the loveliest souls I've met, especially at GIM. You'll be missed. All the best for life ahead... With love – **Priyanka Arora**

Dear **Anuj**, A restless creature he is. Always looking for a way to grow, to experience, to enjoy and to live. This goes out to you Anuj!
A man, who knows that he doesn't have to get all decked up to look good, is sexy. A man, who can make you feel smart with his conversation, is also sexy. There is something about the way you are compassionate to others. There is something about your ability to focus, to have a purity of purpose & attention, to fell very alive to your environment.
Thank you for being patient for all those fifteen minutes, even when I promised to show up in five. And thank me for all those times when I patiently listened to all your detailed analysis about football, self-assessment or other little things in life (a passionate soul you are!) :P
Cheers to the 'Adventures' we've had & the one's that the future holds!! :) After an utterly brilliant few months here, soon everything will seem just a bit monochromatic!

Dear **Shreyansh**, Seldom do we come across people who change the way we see the world and ourselves. Today, as I bid you farewell I know that a huge part of my life in Goa, at GIM will be empty. But, I write this message not to say how much that upsets me. I thank you for being there for me through thick and thin. Life away from home didn't seem difficult when I had a friend like you by my side. I will cherish pulling the all-nighters before interviews, when you gave in to my desperate craving for smokes (shhh) and managed them at odd hours, when you were patient enough to wait for those 45 minutes, for making time for me even during WIZBIZ preparations, I know how passionate you are about MECCA!!! I know putting up with me cannot be the easiest thing and I can't be more grateful for bringing a person like you in my life. Thanks for being a true friend in every sense of the word. Here's hoping that we will still be able to explore the rest of Goa together. - **Gagori**

Dear **Shashank** (Bhaiya), It's no PR team but you who made me lend into GIM and I thank you for that. It's been an amazing place till now. Thanks for making me adjust in this new environment. I always felt safe as you were here. I don't have enough words to thank you for all the help in assignments or any other doubts. Now that you are starting a different journey, I wish you all the very best. Farewell and keep in touch. – **Anandita**

Dear **Prachi**, For a girl, who is beautiful inside out, thanks for the infectious positive vibes you give whenever we meet! Will miss bumping into you on Campus! All the best for everything! :) – **Parul Sharma**

Dear **Karthik Pillai**, Wish you all the very best for your future endeavours, Karthik. You've been a great source of inspiration, as a Senior SAC, a brilliant student as well as a humble human being. Keep up the good work. :) – **Susmit Basu**

Dear **Tanmay**, I have not known you much but whatever little I know, you have been very sweet, kind, helpful and selfless. You are the most positive person I have come across in GIM. Because of all this I have learnt a lot from you and I would like you to remain the same always. – **Sonam**

Dear **Utkarsh**, No one can guess the creative mind behind this silent and shy face. The first time we met was a bit funny and awkward for both of us but talking to you has always been great fun. I would like to wish you all the best for the world outside GIM and I am sure that you will be able to meet the expectations of the people who are surrounded by you. – **Sonam**

Dear **Sumpunn**, So the story starts like this... A girl, joins PGDM at GIM in 2015-17 batch and was away for the first time from her family and friends. During the first few days she found it very difficult to cope up with the new environment and culture around her. Then the Date night thing was introduced by Razzmatazz, it was when she was introduced by a friend to this boy, Sampunn Kapoor from PGP2. And yes the girl is me, Renu. Though it all started with the Date but Sumpunn (Punnu) turned out to be a really great friend. He helped me settle in GIM and of course in Goa. He taught many things to me about which I was unaware of at first. He stood by my side in my good and bad times and was always there to help me no matter what. Punnu is one of the most sober and nicest person I've ever met. He is one of his kind. No matter what the time was, he made himself available whenever I needed him. He was "the support" I had in GIM. The memories we have together will be cherished forever. We explored many places in Goa and had many crazy moments full of fun and laughter. And yes the name by which he calls me "CHOW" has altogether a long story.... (ROFL).... He is a friend for life. I will miss him a lot. PUNNNUUUU.... Loads n loads of love... N I know whenever I need you I can count on you like 4 ...3...2, and you'll be there.... – **Renu Shukla**

Dear **Khayal** (KD), Thanks a ton for helping in so many assignments especially Marketing, I can't really forget your efforts. lol. I am definitely worried about how would I get my doubts cleared. Thanks for being such an amazing senior. Now that you are starting an altogether different journey, I wish you all the best for all the endeavours from the bottom of my heart. Farewell and keep in touch. – **Anandita Agarwal**

Dear **Rohit Shenoy**, It has been great knowing you. Thank you for all your guidance and your textbooks :P :P. Wish you all the very best for the future. – **Neha Shiroy**

Dear **Vinayakan**, To the most special person in GIM, I can't believe it has been a year already, it seems as if yesterday when we spoke for the first time, then I never thought it could turn into something as beautiful as it is now.. Thank you for all the smiles, all the special times... The way you tease me and make me laugh... "Bacche ho kya?" "Filmy" "Mumbai V/S Lucknow" :-P :-D Your love for South Africa, Chelsea, Lucky Ali is adorable... ^^ The way you are passionate about things really inspires me, be it talking all 'Finance' which I don't even get :-P or making me watch your favourite 'Rocky Balboa'... :-D "Saaaab" is a great friend too... :-) The best day so far has been the day you were placed... Happiest day indeed :-) JP Morgan has got one heck of an employee... they are lucky and so am I. :-) :-D Wish you all the luck, success and a path full of joy and happiness. May all your dreams come true! Stay blessed... Keep smiling :-) Make me proud! :-D :-* <3 – **Nikita**

Messages for our home, away from

For a person from one of the four metro cities, these 2 years have been so much about peace and calmness. I love GIM because of the picturesque views that one could look at throughout the day virtually anywhere on campus. Moreover, Goa in itself has been so much comforting away from the hassles of everyday metro life. Will miss everything a lot :) – **Shivam Agarwal**

A Journey to Remember !!! Every moment cherished at God's Own B-school has been carved into our hearts and holds a special place to every GIMite. Random Chai/Coffee Breaks at Jaggu to Limited Stock Virgin Mohito at Kailash, from Star Gazing at 2a.m. in Amphitheatre to the Early Morning Chorla Bikes trips... GIM hidden addas just keeps getting interesting and random news spreads like fire. Gonna miss those 7:15am classes (don't think will ever get up so early, unless its for attendance), sleepy sloppy lectures with watchful eye on clock (few of them :P) and the famous RFID system which had mediocre success ratio. Long chats with your buddies in the corridors, those barbeque night party and the floor parties/ birthday celebrations would really get messy but it was all worth it. As our college is God's Own B-school - Beautiful campus and the mesmerizing sunrise, picturesque scenery with colourful insects/creatures would get us more than 100 likes on Facebook and sense of achievement. Competitions were something which taught me a lot from leadership to strategy to innovative marketing ideas, etc. It gave a sense of practical application of thought process with realistic figures and improving your pitching skills. I am happy I could make GIM proud at various National Level events (win count:22). I really enjoyed working with different teams and capitalizing on the opportunity given. GIM is gonna be missed a lot.. Hope to be back for the Alumni meet for sure.. Relive those memories and have a gala reunion... Peace out !!! – **Nirnai**

Best college that i can ever think of going to... will miss it :(- **Pranjal**

GIM is the only place where you will have longer nights than days. – **Drarit**

GIM- a place which taught me to live life own way.. it taught me to be patient, to be determined, to stay motivated and not give up under any circumstances. Life here was so different ... much better and thrilling than i had expected! I made so many friends here ... rather it would be more apt to say that i found a family here! Late night assignments, tight deadlines, placement ke pehle ka tension, din-raat ka kaam.. nothing could stop us from partying all night, goin on long drives, staying up jus to see the sunrise! Time management pe thesis likh sakte hai ab! Will miss those random rides to chorla, beach hopping, treks, dada bar, JK, Kanaka, ... those lectures, JCC interviews, clubs, events and the list is endless! Didnt realize was making memories, jus knew I was having fun! These two years will remain with me forever! Thanks GIM, Lots of Love for my family here! - **Pooja Jagtap**

I was nervous when i first landed here. Leaving my well settled job of 2 years and cozy comfort of IT industry, coming to GIM was an abrupt decision for me as on 12th June I got relived from job and the next day I was in train to Madgaon. As time went by I became comfortable in the college. Working hard was never a challenge for me. But finance was a challenge for me. But with dedication and help from friends I did OK in it. Got a decent internship as well. I am in awe of sporting facilities at the college. Being a die-hard sports lover, I ensured that I play TT and Badminton in the college. Moreover, I promised myself to learn Tennis before I leave this beautiful abode set on the foothills of Western Ghats. I will miss classes, assignments, comfort of staying in a single room, cafeteria food(Kanaka one), Jaagu bhैया, late night chit chats and last but not the least the friends which I made here. GIM has transformed my life for the better and I go out as a wiser person from here. – **Ashish Bansal**

GIM, you have been one hell of a roller coster ride. The good and bad experiences that you gave me here in 2 years, I think I would have never have got it if I would have pursued an entire career in dentistry :P You have given me amazing friends, samarthan, a scholarship for which I am very thankful and even a great job, but above and all thank you for all the learnings(not global ones) that you gave me. I will miss you! :) – **Aakanksha Tanwar**

Chameli..
will miss you

Messages for our home, away from

The Razzie parties,
the PlaceComm mails.
the football field,
the H1 tales.

The call-dodging free rider,
The "We need to talk!"
That annoying JK waiter
Eco clean ka mega knock,

Midnight meal for "Chai",
The search for a smoke,
The bhand friend,
& that stupid practical joke.

Stargazing on repeat,
Just like that new song.
The obvious rhyme which I can't say
About a bong.

The all nighter with
the ride to chorla,
Downgrade Hoga?
Relative hai; chod na!

They come sledom,
they come fast.
And it's unbelievable,
that we are so close to the last.

Will all this happen again?
Maybe never.
But a small part will exist,
within me, forever. – Jidvish Ruparel

FIRST BATCH PHOTO

Yes, we wear suits in Goa. It's called professionalism.

After having spent the two beautiful years of our lives, we now come to a point where it gets difficult to part ways from all those little things that made the biggest difference in our lives. As we walk out of the gates of our paradise for two years, God's Own B School as some like to call it, we shall carry with us a thousand memories, cherished dreams, beautiful moments and the bitter-sweet feeling of parting with everything that we were once a part of. And yet, we leave behind, an indelible mark and will be fondly remembered by all. Our journey here in GIM, will always be a guiding light for the future participants of the institute, for many years to come.

This yearbook is an attempt to capture and bring to life the millions of remembrances, so that they can be cherished with the turn of every page. The hearts of us 241 students of the GIM 2014-16 batch shall forever be entwined through it.

The end of a journey, marks the beginning of a new one. As we step out of GIM tomorrow, a new journey starts, a journey to success, a journey to make a difference. Let us be the class that continues to set higher benchmarks as we take the path less trodden to chart our destinies.

There are calm people, there are super calm people, and then there is Jayanth Arcot. A person of lesser mettle would have succumbed to my deadly PJs.. An adventure seeking, very helpful and caring person, u just can't refuse any favor anyone ask for. That makes you Dumbledore vaise (jaate jaate ek last PJ :D).. All the best for life ahead.. AAKANKSHA TANWAR

AAAkkuuuu.....my one and probably the only friend in GIM with whom I can share anything. ANYTHING!!..though not very good in giving advice but nevertheless a great listener.. 😊

Jokes apart...you are the one with whom I have spent some of the best moments in GIM...the moments I will cherish the rest of my life....A girl with a big heart and never ending love for food, one who gets hallucinations if she stays awake after 10 PM and wakes up before the rooster crows....you have all the qualities one wants to have in his/her children....P

Stay the way you are and keep going to gym.. 😊...Will miss u... 😊

- Dibyajyoti

Dear Aku,

U r one of the closest friends in GIM.. Sincere, sweet and cute describes u correctly :).. Keep eating lots of pizzas & sleeping at 10 pm sharp!! :P

- Avish

Hi Miss Dentist!! Foodie!! Sleeping beauty... From an irritatingly stupid to an adviser, perception about you has always changed.. Have seen you crying for small things and acting strong in difficult times.. You are one of the few persons whom I have listened to patiently.. Thanks for being with me when I needed your support and also thanks for listening to my stupidest things and giving me advice 😊💜 Wish you get all the happiness and success and also the food you love 😊

- Ria

My Bench mate!! A hardworking soul!! The 2nd dentist who I use to deal with everyday! I have irritated you a lot but u hv always been sweet to me! you are the one who brought out the hidden actor within me.. remember the IGP video!! Thanks for all the help in group assignments, My 1st yr HR grades I owe to u. Good Luck!!

- Abbas

Dear Aku..

The cutest dentist I have come across...Your determination just amazes me and you proved it by first securing the scholarship and then getting the highest package from the college...I wish for your success always...:-)

- Satvik

First I will start "I am sorry" :-D. It was fun working with you. Had a great time in Samarthan with you. Will always keep in mind what all you suggested! You are a true friend and I will always be grateful to you for that. With all the jokes apart, I finally accept that you are a doctor!!!! Keep smiling and stay awesome!

- Pushkaraj

We didn't speak much, but that bewildered look on your face when I asked you to swap seats in the train and your long 'excuses' to get it back are definitely worth remembering. Your gang in college is itself a testimony of your friendly and fun nature. Here's wishing you all the best in life! - I know you least expected it. 😊

From planning to be roommates even before coming to GIM (of course not knowing that we don't have a choice :)), to being padosis in 2nd year.. u r a part of the cherished memories of this place.

Dance partners.. hangouts with seniors.. and most importantly common love for sweets.. <3

What I respect & i m going to cherish the most, is being completely transparent with each other about what we feel..

Stay blessed & keep in touch!

- Neha

Itz never too late to when you find the right people to be with. U finally belong to my category of few selected ones who r my life, love and close to my heart. Your hard working, punctual nature. I admire it!! N ofcrse your love for food. There is a lot to say but limited space. rest will be expressed through my actions. I love You a lot. Abbas Bhinderwala

One of the coolest guys ever on planet earth- he's intelligent, humorous, naughty, sassy and brazen to the core. 😊 On the other side he's caring, respectful, tolerant and a realllyyy great person and friend. **Better be warned** - he will humiliate you forever and yet be your most amazing and true friend for life. A friend with whom I could share anything without caring about being judged. Mi surly gonna miss U 😊 !!Stay in touch..

Insha'allah kuch saal me apni company kholenge mil ke.

- Harmanpreet

...writing testimonial for you is actually very difficult...its reminding me of the fact that we have just one more month here to annoy people and get them running after us ;)you were the first friend I made in this college and since then, the bond of brotherhood has only strengthened with time....I know you're the guy I can always come to with my problems, and of course, vice-versa....hard-working, conscience driven, family loving is what defines you the best....I am sure you'll go places....insha-allah we'll meet up again soon in life and continue troubling people (college ke baad bhi)....brothers for life... :)

- Yash

Mumbai ke Don!!! No one I repeat No one has flirted with me and teased me at your level.:D. I still remember the first day we met, never thought I am meeting a friend for life. We have come a long way since then. You are one the few boys who will be my friend for life (you know me :)). you are someone with a pure heart, full of emotions, and love for your friends. I seriously love your Bakchod version . I will miss PAMY. Midnight chats. And honestly, will miss the flirting too :D. Always stay the same. Stay in touch warna Mumbai kitna hi dur hai, aake marungi wahan. God bless you

- Sumpunn

I felt so lucky to have you as my roomie..if I could rely on someone in campus then it was you. You have perfect mix of sincerity and fun loving attitude towards life. I will always remember the "Gai Bhai's pani me" incident and I am going to miss all our discussions about different wars, the world and so on.... 😊 😊 Be the way you are.... And do stay in touch.... 😊

- Radhika

Babydoll!!! The most logical person in the group.. I guess the only person in campus who is good at everything be it sports, bakchodi, studies etc.. All the bakchodi we did in these two years will be cherished for a lifetime... the "pile ons", "wwe smacks", weird dances.. I am going to miss this badly.. I really admire your approach and attitude towards life.. Be as rocking as u are!! See u in Mumbai, abhi to bahut bakchodi baki hai! - Nikhil

- Nikhil

I recall meeting you for the first time as my 2203 neighbor, a disciplined, confident and an authentic guy (also comes with kashandi :P) who later went on to become the babydoll of H2 first floor. An ardent fan of wrestling, living thug life everyday . Your persona portrays having mastered management skills before attending post graduation. You have made my stay here a memorable one, cannot be thankful enough for those countless hindi lessons, message translations :P. Wishing all success in your life bro.

There are people who are fun to hang out with and then there are people who take it to a whole new level! We have so many interests in common that it is really tough to say what made it click- Prayas, Manchester United, football or just the ability to do bakchodi in any kind of situation! :p I could write 10x times longer testimonial and it still won't be enough to say why I enjoy your company so much! Hope you never grow up Pandey! :p
Cheers to a lifetime of friendship :)

- Anuj

The most kick-ass guy of campus! A true sport with a big-heart, Pandey you are a friend to be cherished for lifetime. You will make it big, that too in Pandey ish-tyle. Keep close!

- Ehrlich

Pandey Ji! No voice of GIM will ever come close to yours in terms of energy and spirit. Right from the first time we jammed up and you introduced me to Thermal and a Quarter, I knew we had similar tastes. Amazing football player, lotta fun to hang out with and untamed rawness as a vocalist. You ROCK! 😊

- Keegan

Pandey is deep. So very deep. :P

- Sheena

- Piyush

ALGIE

Algieeee, you are the best when it comes to working, and I honestly hope to get some of your organised thinking in me as I move to a different facet of my life. Jokes apart, will surely miss the fun times we have had together. You are caring and a bit boring at the same time but I love our nonsensical conversations. Your arguments for no reason on my contribution towards Samarthan still gets my juices going. I will miss you a lot man. Best wishes from my end for a great career,
Yours Samarthan 😊

- Shivam

Hooppipolla! That about sums it up :D Also i still don't believe you're 25!

- Mankirat

You can be disciplined, fun and cool at the same time! have fun :D

Mr. Sensible. Mr. All-rounder. One of the most versatile people I know. The techie guy with the best piece of advice for you. Hitting samarthan's window, with you was one of the most entertaining morning activity, Chokeslam to Malav, long talks, guitar and a lot more... It has been a hell of a year! Keep in touch.

- Swapnil

Algieeee... I am glad to have a good friend in you. Have always enjoyed the Razmatazz parties with you - drinking and dancing. You are sincere and fun at heart. Enjoyed all the discussions over various competitions . Let us rok Shoppers Stop too :P

LG!! Most hardworking, dedicated and sorted soul I have come across. I guy who the entire college loves. Bro u have always been a lot of help to me. Most of my 1st yr grades I owe to you and believe me I have got good grades. Biryanis and Khiris all

If there's anyone in GIM who can change people, it's you. You have impacted me in more than ways than one - although i have been pretty resistant, lol. I regret not knowing you in the first year. Your direct and no-nonsense attitude will take you places, I'm sure! And keep critiquing me!
It's my dream to actually bring fafda for you one day. Fingers crossed!

- Malav

Yo assmello, it's great to meet someone who is that witty given that size of yours, keep that mouth on you man, it was great to get into a diss battle with you, unfortunately, for me (and this happens rarely), you were the pro. Will miss the daily dose of sarcasm and smirks.

- Mohit

If I wouldn't be in SAC, this guy should definitely have been. His adherence to protocol and rules, second to none. One of the politest guys you would come across. It was a pleasure working with you these last 2 years, and the best part of it were the duels on the basketball court. Learnt a lot from you, and I would always be grateful for that! Cheers!

- KP

Algie... u were my first friend when i knew nobody in class.. it was great working with you during all the group assignments. you are very hard working and and a very kind person. The guy sports a perennial french beard, has a huge beer belly and an infinite capacity of handling ethanol (without getting high) ;) . He calls himself fitness freak and diets everyday alas in vain. Gets fatter day by day. Ops major and only one to have landed a job among the 'Big four'. ADB for ur career. Cheers.

Best roommate one could ever have. The No problem guy who does "Chalega!" for everything. Simplest being, zero complications and very hard working. Studboy hai tu Mukherjee :D

- Jayanth

Mere alcoholic bhai :*

GIM's sole casanova who can melt any girl at will. Itna bada stud kaise ho sakta hai koi? You're the only person in this fucking world who can make me anxious while boozing. Itna jaldi kaise khatam kar leta hai yaar? Aur ab jaane se pehle mujhe 3-4 khamba BP pila aur saath me 5-6 packets Good day cookies chahiye every time you get a Khamba 😊

Thanks for all those sweet memories bhai. Stay happy, stay high!

- Vinayakan

The "not-so Bengali", Bengali of the campus. Thoda Bengali toh sikhle yaar!

Getting up for 7.15 classes, going for breakfast early morning, reading all those shit case studies, taking the most difficult and annoying subjects in 6th semester did prove the fact that you are hard working person (so do not think I am just saying it for the sake of saying).

Hope you keep on doing more hard work like these in future and succeed in life.

- Dipanjali

Eshhtudd Bouyyy Mukherjee!! Rockstar!! My breakfast partner in Ribander. One of the very few people in GIM who get up early :P Har question ka jawab is 'Chalega', bhale hi woh koi stupid si jagah lunch khane la hi plan kyon na ho. Will miss u loads! Take care and keep in touch :)

- Mohta

my first frnd of GIM.. u were always there whenever i needed u...and har rakshabandhan pe rahi jarur baandhungi tu khi bhi chale ja. Picha ni chodungi tera...gonna miss u alot.

- Risha

Razle,
One of the most under appreciated individuals at GIM. Someone who has organised so many kickass events in college by working tirelessly in the background and never expecting anything in return. Bloody brilliant guitarist and an online lover. Stay the same. Always!

Onkuud.

Be the rockstar that you've always been. Can't write about all the great times we've had together but just know that I'll miss you a lot! Thanks for everything man :-* It's been a pleasure knowing you!

I know we'll keep in touch. All the best & take care <3

- Praveen

I want you to know that living here would have been very difficult for me had you not been by my side!! How we faced the challenges of club selections together in the initial days (I hope you remember 😊😊) made us bond right then. You have been always there for me making me smile with ever so funny jokes of yours 😊. I know I can tell you anything and everything and you will listen to it (You have to 😊😊). So caring and so modest (even after being the rockstar/stud of GIM.. now I know how every girl seems to fall for you 😊) Cheers to all the bhand times. all the times when i have cried.. my Daru partner!! Keep in touch.. Love youuu <3 <3

To the moustached rockstar of GIM, to the constantly mouthing BC kya hai yeh mouthing shud that you are. Who knew friends could be made so easily and so effortlessly. And who knew knocking over dustbins and playing reckless corridor football could be so much fun. Cheers and keep in touch

- Zaid

Bhai college mein to kuch sikhaya nahi, uske baad k liye to thodi tips dede..thodi CHAMA-CHAMI hum bhi kar lein..... And i owe me all gaalies to you..sab teri wajah se bc.... Bas milte rahiyo and daru pilate rahiyo...

- Rohan

Words fall short in describing you. You are sweet, beautiful, smart, hardworking and down to earth (these are just a few). I used to always wonder what a mess my groups would be, were you not a part of them (thanks for letting me free ride at times). With so many fun filled memories that we share, I want to ask two things of you, be just as you are and be in touch. All the best for the future and take care.

Devinder aka DevD is one of the most intelligent person I've ever met.. Seriously, he is sometimes faster than the calculator... A very logical and down to earth person and most importantly a very good friend.... It feels great to have a friend like you.... :D

- Swapnil

Pro level footballer and human calculator, Devd has always been my go to person in case of any mathematical or financial problems. Always been my savior in class presentations with lots of fin. So many parties and bike rides together. You will always be remembered as the guy who gifted me a lungi for secret santa. #RKBians #FinGod #JaaamZalaRe #BrosForLife

DevD! Does anybody call u by your real name anymore in GIM??? :D

You've always been sooo nice to me ever since "the mattress days"! Firm yet sweet n attitude-less. I've always liked your habit of logically reasoning to every situation! It's been sooo awesome knowing you and always will be! :) Thanks a ton for never letting us feel the need of a calculator. :P

- Tanika

Beast on football ground Best footballer player in GIM and awesome pool player..... sale teri tanki ka capacity kitna hai.... Brother thnx a lot for taking care of me when I was not well... love u brother... keep in touch... best luck for future... to

- Suhas

One of the nicest guys on campus, this stud has the speed of a calculator running in his brain and the power of a muscular R8 Spyder when on the field. Blend this with benevolence and some humour and you've got yourself a cocktail which gives you a pretty good kick and trip! All the best for ahead brother! 😊

- Keenan

Cheers to the nicest and one of the most genuine persons I have known in GIM. It really was a pleasure knowing you bro, and our outings together, although few in number, have been some of the most fun-filled events. Hope so meet you often after this too 😊

- Noah

Football God of GIM! And your way with numbers bro! Hats off!

One of the most chilled out guys on campus, but his number crunching skills are envious! We worked together quite a few times #TeamBlackOps #Winners! Always had fun and learnt from you a lot! Take care bro! Cheers! 😊

Dibyoo

Dibbooo Da..a person whom I so didn't like initially but later became such an amazing friend. I am gonna miss all that gup-shup and leg pulling. I promise that am always going to cherish this friendship and would always stay in touch with you. You stay the same old buoy 💖 😊

- Aakanksha

Dibbi... Dabba. Dibbo... Chai peene Chalega.. :p or maggi.. That is when i got to know you more.. An emotional person jise waise toh life mai kya chal ra hai nae farak padta but true to his friends. One who will definitely help and standby when anyone will need him. Jisse kissi ko "NO" nae bola jata. Nocturnal creature. I wish you all the success and pray ki bhai tere ko subah early morning office na jana pade. :p

- Ritika

Dib.. 😞 You are the one I have always irritated by making you sing songs on whatsapp group or by saying stupid things to u.. N I think am the only one girl in GIM whom u cud make cry 😞 But you are one of the coolest guys I have ever met.. Can't thank you more for being with me... Always be happy as you are and stay chilled because that's what makes you different.. 😞😞

- Ria

Gentleman in our "bong grp", excellent dancer and tabla king..we did share some excellent memories in the last 2 yrs..Our bong outings, Puja pandal trips and so much more...Stay in touch and have a grt lyf ahead 😊😊

- Mausumi

"Write all the good things about me as there is nothing bad to write"- it's kind of difficult to write a testimonial for your partner-in-crime, your best friend (1/2 😊) of 2 years. .. & when u ask him for help (yes, for writing a testimonial FOR him), this is the advice you get :-/

From being my 3 am friend to my fellow Goa food tripper, you have been a major pain-in-the-ass these 2 years. 😊 So now that there is only a month left to endure you, I guess I can finally get off my ass to thank you for bearing with all my crazy, helping me execute my insane ideas, giving me sustenance at the dead of the night, making peace with my punctuality &, well, you know the rest.

One of the most enthusiastic people I have met on this campus, I wish you all the Maggi's, all (ok, most of) the pretty girls & all the happiness & success in life, mon cher ami. 😊 Have a good one. 😊

- Usri

Dibo-jyoti.. I so miss our fights.. which was basically me complaining all the time and u listening.. First year wud have been so incomplete without u.. u were right when u said that i vl miss u in 2nd year.. And plz office mein ake globaal thoda kam diyo...classrooms mein hi chalta h yeh.. All the best for ur future.. Thanks for being so nice to me 😊

- Divya

Dibbbboo,
Bro u r a fabulous tabla player although many didnt see ur exceptional talent..Besides, it was great fun having u as a friend and hope to be the same forever..Cheers!

- Ayush

Yo dibyo,
U have always been fun to hang out vd and suppa time pass. Too bad couldn't catch up much in colg. Hope to stay in touch !! All the very best and keep playing the tabla

- Furkan

Divya Gupta

You've seen me at my ugliest, weakest, crankiest, messiest, laziest and sickest :P But you still loved me and cared for me irrespective and I think that's the purest form of loving that exists :) Thank you for always being there for me and accepting me just as I am. I miss cuddling with you. You're the most beautiful human being I've met. NEVER NEVER change!
PS. Sorry, you got accustomed to living in a higher degree of dirt thanks to me:P

- Werlene

Of all people I know, I have always looked up to you for advice, and you stuck around, leaving away your priorities, looking out for this kiddo! 😊
Though we became friends quite late, your straightforward nature is out of the world and I have always admired it (But diplomatic bhi hona zaroori hota hai kabhi kabhi). Wish you all the happiness in the days and months and years to come! Cheers!

- KP

Divya!!! I met you through Vijayant and we became so close, I remember last year we would eat almost every meal together. I have so much fun with you Divya, I don't gossip much but it's fun listening to your stories about everyone. :P...I know there have been difficult times especially this year but everything will be fine Divya... You're one of the sweetest people I know, you always think of me... reminding me of deadlines and the projects I need to complete... and not to forget reminding me to attend my classes :P... I've loved and cherished every moment with you Divya... I LOVE YOU DIVYA

- Mark

Lets go out/ JK chale ?...Whoever knows her would definitely be able to relate with this 😊. But I believe she is the reason for our many beautiful outings.

Mastermind behind them, Pagal ladhkichaap harkate karne wali and those selfies (eewww !!). But beneath all the kiddishness & loud behaviour (So Delhi type..Shehh !!) lies a kind caring loving person who I know will always be there for me. Thanks for everything sweetie 🍷* haan always be in touch (u know what I mean !!)

- Garima

A lot of 'experienced' people tried telling me how making real friends in a B school is a joke and that I shouldn't even try. We met even before GIM started and there was an instant connect. It has been absolutely effortless. Our friendship has been through crazy ups and downs, and I am glad to have you as my pillar of strength and support in this crazy MBA journey. The best thing about you is that you are absolutely non-judgmental about your friends and you live up to the true meaning of the word 'friend'. I am glad we met and I am glad we understand each other, sometimes without saying a word. I know I haven't been the best of friends at all times but just know that you are and will always be a special friend for me.

- Vijayant

I truly got to know you only in the second year, and I'm glad we met and clicked.. You definitely qualify as a pain in the ass with all your stubbornness and uncontrollably loud volume, and yet you'd be incomplete without all of it. All the heart to heart talks that I couldn't share with anybody else but you, you always stuck on my side and gave me that little prodding that I would need in those times 😊 You're one of those people responsible for "ruining" my excellent Hindi, anyway I'll improve someday.. Well, lastly, roomies wouldn't have been the same without you!

- Ashlesha

Divya! We got closer towards the end but I'm so glad it happened. Thanks for sharing the common interests in cribbing about people 😊 and being always enthusiastic down for food :P! You're one of those jovial people and can bring a smile upon anyone's face :) Please stay the same (minus the laziness 😊😊) you're too much fun to be with. 😊 Lots of love.

- Akarsha

My personal Netflix - teri hard drive nahi de rahi mein. 😊 It has just been one year that we became such great friends, but I am pretty sure we are going to go a long way. I love the way you have a clear focus and such a strong personality. Be the same always. I'll still need you to correct my make-up and give me fashion advice 😊. Also, you owe me the fun of watching you fall at Cohiba which I missed :) and that means we need to have more such nights. Be there please. Loads of love and luck 😊

- Anshima

Typical Dilli ki kudi volume control karna seekh le yaar. And let's just agree to disagree on Mumbai vs Delhi and kiski Hindi pure hai. Ok so let's come to the good part. I love how you are passionate about some things and will never give up on them and how you're fiercely loyal to your friends. And most importantly, our provider of Maggi :P Love you lots stubborn ladki :* Don't worry me bhi khana banana seekh lungi ek din.

Ehrlich Pereira

Let's get lost - this line totally signifies what you are. You are an adventurous person who finds joy in exploring new places. You have been there every single time I needed you. What I adore about you is that you make it a point to keep in touch every time I go back home. One of the best memories I have of Goa is with you - kayaking and that day is etched in my memory. I will miss our long talks at the spot but most of all I'll miss having you around. Toodles :) (like you say it)

- Disha

One of the most organized guys I have come across in my life! It has been a big honor to work alongside u, Mr CEO! And it has been a bigger satisfaction to count u among my closest friends. :)

P.S. - Your long, over the top diagonals are insane! I am going to miss playing with you (and Pandei!)
#AlmostHolyTrinity #PrayasForever

- Anuj

Ehrl, you were one of my first friends in GIM. I still remember standing in line for registration with you. From there to Prayas to everything else, you became one of my closest friends here. You were someone I could talk to about anything and the person I went to for advice. All the times at the Spot and Mph will always remain very close to me. Organising every single event and all the other multitude of things (getting lost!), are memories I will always cherish. I will fondly remember all the adventures in the Matiz (including middle of the night drives to the airport. I will really miss that car) and you driving like a F1 driver! 😊 I could always count on you for anything. You are an amazing person and I am glad I met you. I will miss you loads!! You better come to Bombay!

- Dianna

Bro, I have never seen a more organised room than yours. Extremely simple, but insanely crazy after some drinks! I will always remember the fun while climbing coconut trees, on a sunny day after the BBQ. You one of the very few people who has a plan in mind and can focus! Cheers mate!

- Aditya

Dear neighbour,

That one Hindware month would have been an absolute bore without you to share the room and the beer with. Will always remember and cherish that. Besides that you were always such a straight forward and a no nonsense guy. Cheers, man. Stay in touch.

- Jidvish

Three CEO! I think you're the exact opposite of the stereotypical Goan :D

Hardworking, disciplined, energetic, I could keep going on and on. Glad we were teammates in Prayas, ladies man!

Help me learn those dipping shots someday?

- Akshay

One of the most level headed and calm persons I have met.... Transforms into a F1 driver upon sitting behind the steering wheel. 😊 Definitely gonna remember the road trips and kopcha and balcony sessions. Oh and the willingness to drive a bus after Razzi parties :P. I know for sure there are gonna be more to come. Cheers bro.

- Asiel

Hey Jerry, I so miss the stupid gossip sessions we used to have in the first year.. It wud have been so boring without u.. Thanks for all the times u presented for the grp.. Stay the same.. Cheers!!

- Divya

My partner in crime during parties!! Will always remember "The Park" party. Great footballer, down to earth and a comedian (your expressions); lets party more! Cheers to all the good times :)

- Satwika

Jerome!!! Proper stud-boy you are man. So much swag you have! We had fun during our group presentations for sure! And yea i googled it foot size doesnt matter 😊!! Stay in touch man.

- Mark

A guy absolutely no one can hate (especially when he is poking fingers and running around in parties). You have got priceless expressions and sublime skill (verified by all awestruck football teammates). Be it football, parties or a lecture, it's simply fun to be around you bro. #BU

- Devendra

You rarely find CEOs with their feet planted firmly on the ground, but you are doing one brilliant job of it, Ehrl. You are by far the most mature, responsible and practical guys I have come across in GIM, and I have always hoped to pick up these qualities from you. You truly make Prayas and the rest of us very proud. Cheers, Stud Boy!!

GAURAV KHOSLA

Hmara 'Gareebo ka Maseeha' kyuki jiska koi nahi hota uska Khosla hota hai.. Bhai you have always been so sweet and helpful. Chahe teri bike pe char log baithe ya tera room ganda kre, tune kabhi ek shabd ni bola. How we used to gang up Princy ka Mazak udane k liye. Your enthusiasm for sports is so admirable (Virtual sports hi sahi). Always stay the way you are, simple and sweet. Bhai life me jitni bhi ladkiya mile, apna bromance mt bhooliyo. Love You mmuaaahh 😊

- Gaurav

One of the most sensible, soft spoken and cute guys on campus. 1st year would not have been the same without u.....I am glad that u were my sitting partner. Always keep smiling !! :-)

- Garima

I don't even know how to start this.. You are the one person in GIM who is most close to my heart in the most strange way.. Although I always cringe whenever you shower your "Gyaan" on me.. (seriously practicing to be a BABA after retirement or what! 🙄) But there are sooooo many things I have learnt from you... From all the Math and Finance Gyaan to the Enlightening Life Lessons.. You've been my agony aunt in these two years.. You always had a solution for me.. or your lame laugh (which you know I detest 🙄) would just cheer me up.. Aur Intelligent to tum bhut ho.. (Praising you is difficult, but I can never deny this).. I seriously adore so many things about you.. especially your happy-go-lucky attitude.. I have to learn this one day.. Aur tumhara vo super cute ego.. and that passive aggressive Don like attitude.. I swear I am scared of it.. The best thing is that u never get mad (atleast for long).. All those silly fights we had.. I just never seemed too big.. because you always handled it so maturely.. and I can't even count

the times you've brought me to the hostel.. :P. You are simply the best you 😊

khoslaaaaaaaaa.....yaar.you are The Most Sweetest person i have met here in this campus..always smiling and never hurting anybody..I like the way you handle situations...and always focused..I wonder how did you manage to have all the fun and still get a 6 point.. 😊 Bas ek hi chiz me focus nahi hai tumhara..GYM.. 😊 ...And remember that one common thing between us --'jahan bhi jao, bas khathe raho khathe raho!!!' 😊 Just be like this..I would love to have a friend like you always.. 😊

- Paye,

You are a rare combo of studious and fun loving .Perhaps that's why your room was always crowded by our gang during and after exams. Responsible and careful, you make a perfect gentleman. A bit lazy and takes his own sweet time but you always come up as a reliable person, other than when you took advantage of my intoxicated state to kick me ;) You were always present in my good times and bad times. Karthik Pillai

#PROACTIVE#SAC

It's awesome to have u as my best buddy at GIM. You always entertained all my tantrums. We often indulge in heated arguments on petty issues but now I feel it was a fun & I will miss all a lot. I always love to tease u on ur #Proactive#Gregarious quality# Ethical#Over-helping, #Always Fair wala Attitude. But you are perfect karthik. Be like that always. "bas thoda overhelpful & overpoliteness kam krde". Have a sparkling & awesome career, life, future ahead!!!

-Anu

Mr. Pillai, please change your middle name to 'hardworking'! "Why you gotta work so hard" (Sing in 'why you gotta be so rude!?' rhythm) Jokes apart, you deserve everything coming your way and much more, Mr. Smart manager! You are a great, ambitious guy (also the guy with whom I can talk about anime theories) and an entertaining companion! You will be exceptionally successful in anything you do, in the mere future!

-Harjas

Hey moti, you are one of the most genuine and balanced person I have met on campus. Sweet, caring, ethical, humble and aur likhne baithungi toh pura space bhar jaega. Patla sukda sa dikhta hai but is one of the most hardworking guys on campus, be it academics, sports, events, competitions, SAC work. Ohh, and he also plays awesome Violin. A true all-rounder. One thing I admire the most about you is that you are always there for everyone. I am really glad to have known you as a friend. Stay in touch. And haan, I love playing pranks on you....hahaha (wicked smile). Pillai,

-Garjma

You're a star, man! It still amazes me how you manage to do everything so well. Extremely hardworking, an extremely gifted musician & a complete all-rounder! All the best, bro! Take care & do keep in touch.)

-Praveen

The face of the batch, Mr. Dependable, the true people's man and yet, the most humble and down-to-earth person I have gotten to know in GIM. Your commitment and integrity have earned my respect (and my envy too). If there was one person in campus who I wanted to compete with (for anything that too), it was you bro. It has been my pleasure and privilege to work so closely with you for 2 years. Who would've thought all those years back in SJJ together that we'd meet like this again? You've got something special in you kid, and I know for a fact that you're gonna go places. Rock on, fellow Pirate

-Noah

Usool pe usool, usool pe usool. Never have I seen such a bacha with so much integrity and honesty. Your need to always do the right thing, and yet be the most loved guy of the batch. Wonder how you managed to do that. Don't let the big bad outside world change you, I know it won't. Pata chala ek din news me aa gaya as a whistleblower :P Take care kiddo and do us proud.:

-Manali

Smart, hardworking and sincere. Fun to be around, and has a level of maturity which makes one think if he is already in his 30s. A workaholic and superb sportsperson, you are one guy that I am sure will make GIM proud in the future. Be the way you are, except for a few - eat and sleep more :P

-Deepak

Uff tumhaare usool, tumhaare adarsh. Kis kaam ke hai tumhaare usool?

I know we have had this discussion a zillion times and having it for one more time won't change it. I have never met anyone like you in my entire life and socha jaye toh aisa ek aur piece milna mushkil hai.. The most popular and busy man in GIM.. kaise chalega yeh colg tere bina?? But haan chahie jitna bi busy ho.. you were always there when needed... Vaise apni age ka act kaam mein koi harm nhn hota.. try it once... And be happy always!! Being selfish at times is required.. i hope u learn it the easier way!!

-Divya

It started with being classmates (#21 n 22) and now you are my younger brother. Haven't seen a more dedicated and motivated person than you. Bhai tu HERO hai mere live, an example setter (Chaha SAC ho, yaa koi competition yaa placement). Baaki rahi baat masti ki toh its gonna continue in Bangalore!! Cheers.. PS- U r d Batch Topper

Karthik..I dnt know how I would have survived 1st year @GIM without you..5000 words kam pad jayenge tujhe describe karne ko shayad..my opposite door neighbour.. complete all rounder..ders nothing that Karthik Pillai can't do...hats off..I sometimes fail to understand itni energy kahan se aati hai bhai.. KP does not believe in any kind of clock system..work is all dat matters to him..masti bhi bhkt karta hai..Don't ever judge him by his looks..der is dis instance wer I invited him for an arm wrestling match..I thought itna patla, skinny hai..kya harayega..within 2 seconds I lost..u r actually like a younger brother..i can bet anyone dat wid d attitude & dedication he has, dis guy will go places (considering ki bus ye kaam kar karke mar na jaye)

-Kushal

KP mahman, Been an absolute pleasure to have known you. Ace Baski Player, Straight A's student, fellow competition winner, floormate, perennial food supplier... okay come back to ground now. May life bring the best out of you and remember to keep in touch with your big brother :). God Bless!! Love,Chandy

-Sandeeep

KP! Will always remember you as the Student of the year! The most lethal guy on campus could well be on his way to become a CEO, for now a kid though :P Got to know you better in the 2nd year and well it was superb! Let's hope we continue this)

-Satwika

Well Well .. Mr. Popular ! Where do you get all the energy from? From being the topper to handling SAC to playing to participating in events... almost everyone of them! Hat's off ! All of this , yet so humble and polite .. this is what makes you everybody's favorite stay the same Pillu ! /m/

-Sneha

I used to think that there is a limit to things that one person can be great at, and then I met you! Your attitude and aptitude (in almost everything that he does) are simply phenomenal. If I made a list of your achievements, this page would fall short. A true friend and savior whenever needed. Keep in touch brother..

Kushal Shamdasani

You have ditched me a billion times, but have always found the sweetest ways to make it up to me. You are super crazy, and a lot of fun, and I am glad I forced you to be in the same CSR group with me! You're crazy brilliant and a complete sweetheart, and you better stay the same. I wish we hung out more though, but I know you will make up for that as well. Stay awesome Mr. Samarthan, I know you will.

- Pallavi

I hate you for so many reasons. Kitna jhagadta hai mere sath, kitna mazak udata hai, kitni badhai karta hai khudki. Still these two years would've been totally different agar tu nahi hota. Hum kitna bhi argue kar le, you will always be one of the few people who affects me. Guess it all started with that ice breaking session. Always loved it when you used to proudly say me teri sabse achi dost hu and jab tu papa-giri karta tha. Hope we remain this close for the years to come. Love you, even though I don't say it enough.

- Manali

My next door neighbor! We argue so much but yet get along like a house on fire! One of my big brothers at GIM, from whom I have learnt so much in these last 2 years. I envy his number crunching skills and street smartness. Though he might be lazy at times, but he's always available for friends 24*7. Pleasure having known you bro! Cheers! 😊

- KP

He is one true friend you are fortunate to meet in college. With his good sense of humour he has no trouble whatsoever in putting someone at ease around him. Sensible, talented and Independent. That is Kushal for you. I am sure you'll have a successful managerial career and a great life. Wish you all the very best! And yeah keep in touch.

- Supreet

When we first became friends I'd never imagined that you would be a special one. You sure are like an "onion" with surprising layers that make up the Kushal that I know.. *Kabhi gussewala stubborn toh kabhi absolutely crazy & fullon funny..* U understand me as though you've known me since ages. Wish we'd spent more time together in the 2nd year.. Do keep in touch 😊

- Ashlesha

Kushal # Smarthan # My Sindhi Friend # Stud # Logical # Lovable # Caring # Gregarious # Ladhko ka anu as per Mohit :P *In front of whom I can cry, complain, share all secrets... Nice knowing you Kushal !! Be in touch !! Miss u 😊 😊*

- Anu

You were my one of the first few friends in GIM. Still remember the first day when we had met in your original room. Nobody has made me laugh so hard like you did with your zehrele songs. I love the way you take care of your friends. Confession: I liked taking pangs with you :D. Despite everything, the best days spent in GIM were with you. I know it's a sawwal kinda thing but, be there Manglyaa. :*

See, this time I didn't forget you! :P

You're too much fun man, from cribbing about seniors to cribbing about juniors, from tshirts to love life discussions, we've come a long way :P I'm glad for Samarthan, it gave me the best of friends! :)

- Werlene

One of the most level-headed guys in GIM. One of the main pillars of Samarthan. I will miss all our meetings, discussions. I still remember our bike-ride to Valpoi without headlights. Awesome experience. It was nice knowing you. Keep smiling!

- Pushkaraj

Oye! Firstly, thank u for always taking care of everyone during the treks and 'voluntarily' staying at the back to make sure everyone in front is safe. We really appreciate it. Secondly, Be careful around trains, especially when they're moving, and careful about the type of people in the compartment as well, you have some really bad luck there. Hehe... It always fun to have you around, be the witty, fun-loving, samarthan guy always. Take care and Keep in touch :)

There are some people on campus with whom u never get an opportunity to interact with. But when u do, you instantly connect! Such has been my equation with Kushal. I'm glad that we interacted during the Delhi pitching week! Since then, we have spoken about so many things. Much sorted and a genuine person! Hope to be in touch with u! Cheers! 😊

MANALI PARALIKAR

Every time you read this, I want you to remember our impromptu dance jig outside the MPH, along with Ash glaring at us 😊. Such sync! That one beach trip together and I knew I had found my partner-in-crime. Nobody could have completed my sentences or guessed which song was playing in my head, but you. All those heart to heart conversations, I couldn't have done without you, Manali. Sona kam kar de & tech use karna seekh le 😊 You are my take away from GIM..ok!
- Anshima

Firstly, refer to Anshima's page for the memories, i simply can't separate the two of you! To put you in short- technologically challenged, central perk ki cook cum DJ (sarcasm intended!!!), meri personal DJ, Sottad, bathroom singer, phone addict. Destiny nailed it wen i asked you if i cud hangout wid you on the 1st day at GIM! Life became so easy cos you could read my thoughts widout having to saying it out loud.. :-* :-*
- Ashlesha

Maniya Surve, humara chota packet. A cool girl with carefree attitude towards life. She is the cutest girl on campus with those sexy curls to die for. Bhoot se darti hai but snakes and crocodiles are her fantasy. Weird no. But still she is amazing. Fun to be with always. A grammar nazi. A true mumbaiyar at heart with "amchi mumbai" written on her sleeves. Ohh how can I forget this, she has like the best collection of hair clips :-P. I'll miss my miss DJ, yaad hai 1st year me bathroom me songs play karti thi tu. Kabhi perform nhi kiya pagli ne but she is a wonderful singer. Stay the same, keep smiling and be in touch :-)
- Garima

Mark Gonsalves

Markito,

One of the best things that happened in GIM was when this random boy offered to carry my mattress and we've been best friends ever since :) Like as complementing as bacon wrapped prawns!

Lets leave behind the leakage issues and bid farewells to the ambas. We'll miss them, but they've given us our best memories :)

Look, starfish!

- Werlene

Have fun u crazy ass sharp consultant. Drink thoda less and have fun thoda more. What evva happens happens for the good so kabhi kabhar take Risks. They work !!!!

Baaki stay sweet, keep writing those looong poems u write for your girls and keep that kameena smile going !!! All the best and keep the gossip coming :p

- Furkan

Markyyyyyyyy, my man! You are the most adorable person I know, the cutest of the lot, though I have never said these things to you in person, though I am pretty sure you know it. From crazy drinking sessions to hazy memories, we have done it all. Though I wish we could have had more such outings. However I know we will definitely make up for it even after college is over (provided you leave your phone at home). I will definitely miss our time here together, crazy gossip sessions, extremely fun outings and our Deloitte days. If it weren't for you my internship would have been extremely dull. I'm glad I bumped into you twice over to make this friendship happen. Stay awesome bro! You know I will always have your back.

- Pallavi

Thank you mark for the friend that you are.. We haven't interacted much personally but the group seems incomplete if u r nt there.. You r nt much of a talker but ur small guestures speak for u..I still remember how after the sac elections you made me feel all btr with that small message and collage.. And i will miss u (& ur awesome globaal skills :P) whenever i will give any presentations..Cheers!!

- Divya

Big Mark!!! Where do I begin, you were my Roomie well not just my roommate you are family to me Mark and you always will be... We've had so much fun from Running back from Vijayant's room and almost falling, to me irritating you to go to BUBBLES, that must have made you crazyyy but you still made the plan anyway, YOU'RE THE BEST. Well we've had our ups and downs and that's just part of the journey, but moving into your room was the best decision ever. I've seen firsthand how determined and diligent you are, plus your one of the most intelligent people I know, you will make it big one day man and I say that with the utmost confidence. I LOVE YOU MAN...

- Mark

Insane! Inexplicable! Yes, this is what defines our friendship. We both are crack heads and it absolutely reflects in our friendship over the last one and a half years. And the best part is that even the worst of the situations haven't been able to go separate ways. We both have trudged hard paths and we both certainly questioned situations, but I'm sure we never questioned our bond. You have made me survive this journey that seemed the toughest ever. You have assured me of better days when the worst ones didn't seem to end. I owe my journey at GIM to you. It would never ever have been the same without you, and you know that. Thank you, for being there.

- Vijayant

Markito! You are one my closest peeps here. Thanks for being there when I was at my lowest point. Wouldn't have got out of it if it weren't for ur constant pings and food offerings. I will miss all the contemporary dancing, urak sessions, midnight meals, liE-talks, love-talks and the fart-talks. You can put a smile on someones face or make sure he has a bad day - immense power you got in that division ☺ make the best of it! The best part i like about you, is you don't try to fake it in relations, if something is wrong it automatically reflects in ur eyes or behaviour ☺ stay the same markito. We've got a long way to go ☺

- Akarsha

Blue boy toto! Yaaaar! Kram Slovanges! You are one of the few guys who can be extremely cute and funny at the same time. I will miss playing marco polo in the pool, your excellent Thats what she said jokes, talking endlessly during lectures, instagram stalking people, jumping on your bed while dancing to EDM and the cupcakes/ cakes you pick up for me. Thanks for always being there.

Lots of love and kui kui :D

- Disha

MARK GLEN DASILVA

Markus! Man where do I start. I still remember how much planning we did to somehow get us to stay in the same room and be roommates. BEST DECISION EVER. Gained a best friend that day. Who would know that 2 guys with the same name would be so compatible. We had our tiffs ofcourse, a lot of them actually, most of them were as a result of my work and my antics. I'm sorry man for all the times I've been a dick to you. You're one of the most mature and smartest people I have met, and I have no doubts you will succeed in whatever you do. Thanks for being the best roommate and my best friend.

- Mark

The amount of girls that butter me because I'm friends with you.....P Pretty boy!

Half my age, but can give grandmothers competition at advice :P Your maturity amazes me Mark. Bangalore wouldn't have been the same without you. Open up more and don't overdo THINGS!!

P.S. You always know where to go when you need a hug :)

- Werlene

Smark!!!! Thank you for convincing me to take up a room in H4, otherwise life @ GIM would have been absolutely dull. You are my go-to-guy when it comes to having a great time. You are absolutely non-judgmental and you take life non-seriously which is a trait of yours that I truly admire. Very few people have this innate ability and being around is like taking a dose of positivity. Thank you for introducing me to so many songs :) I am glad I met you and became friends.

- Vijayant

To sitting next to you for an entire year, and then to want to sit next to you for another year, time really flew here because of you. You are my favourite person here, and one of the few people who actually had a good influence on me (extremely rare). You are extremely intelligent, completely irrational, crazy, weird and complete nutcase. Par hum darte hai kya? You are completely reliable, trustworthy and all those mushy things I will never say to for the fear of you repeating them to me over and over again. My memories of GIM will always be incomplete without you messing them up for me. Hehehehe. But on a serious note, you will always be someone I will miss quite a lot! Stay happy, and stay nerdy Pandey, I know you will be a friend of mine forever!

"Dartey hain kya" bhai, day 1 se lekar last day tak room badal gaye, hostel badal gaye, mere to major minor bhi bohut badal gaye but You and me "Bro". keep rocking.

- Kshitij

Pandey... You are an amazing person. I enjoyed all our outings, especially the ones down south. There are so many memories that will stay with me - the talks about the breeds of bears, dolphin spotting, "bandar ka sotna" story and what-not. :-P I will definitely miss your company! Stay in touch Bro!!

- Kinnari

"Yaad rakh! Bangladesh ko ek din me kabza kiya tha! Tere paas poore 7 din bache hain!" Bhai only you can put a positive twist on any screwed up situation. You will get all you want and more! I'm sure this is only the start to a very long and awesome friendship! Cheers!!!

Dear pondey

I have no doubt in saying that you are one of the most criminal minds of GIM. All the meetings of our groups were held in your H2 room and that was quite irritating for u, for some obvious reasons :P You are one of the most sharp minded people i have ever come across..so use that wisely bro..All the best for ur future ahead..stay in touch :)

Pallops! One of the best friends I have on campus.. When I first came in touch wid her..I was very scared of her.. Intimidate kar rahi hai aisa lagta tha..but den v landed in d same CSR group..and rest is history..ab aisa time aa gaya hai ki iski achaai ka mei galat fayda utha ta hoon..I dint kno hw many times I mite hv ditched her..but one thing I kno for sure is..koi aur samjhe na samjhe Pallavi zaroor samjhegi..very strong headed woman..jo chahye achieve kar sakti hai..nyways those who have seen Pallavi wid only short hair..shud go and check her FB profile..she looks fab wid long hair..shes one of d prettiest and most beautiful girls I have known..Wen it comes to Pallops..it doesn't matter if GIM time is coming to an end..kyunki I know ye kahin nahi jaa rahi mujhse bachke..haan but agli baar baal katwaye toh dosti khatam

Pallu.. Its a pity I met you so late. I never knew what an awesome company you could be. The "pussies" outing was one of the best, thanks to you.. You have always been a sport and ready to be a part of all plans. We will definitely stay in touch considering the proximity of our companies! Truckloads of love :*

Pallavi!! You've been like family (even when I wasn't a part of yours:P) your ability to understand people and predict their behaviour has always amazed me. Need to see you in the old avatar again. Please oblige soon. Stay happy and keep rocking it 'bro'

- Kshiti

Zappy!!! One of the coolest friends of mine you are. From all the inappropriate jokes, innuendos and thats-what-she-said in the first year, to the Deloitte days to the epic drinking sessions (one of which I still get flashbacks of), I'm sure as hell not going to forget any of it. I really hope we could have chilled more over the 2 years but heck at least hope we continue to stay friends in the future. I hope you get all that you ever wanted eventually in your life. Be happy, stay chirpy zappy! Peace

- Mark

Too much to pen down.. Josy Paul, Wine Tasting, Basanti Cup and the numerous other talks and RT ki parties.. It is always fun with you around. Total no non-sense person, love it! Will miss this! :

Im gonna keep this simple without nerding out. I'm super glad i got to know though not soon enough. Won't forget the awesome cookouts, the benders (oh yes, the scar!!), sheesha rings and your unceasing talent for "that's what she said" jokes. I did learn a thing or two about food (and life in general) from you but let's face it, Chand's awesome herb mix is da shizz. Never stop being the badass you are and the agony aunt you try not to be 😊 . Keep in touch aye.
Love,

Ti ti! Kya hi kahu about you that would do justice to the individual that you are. You are passionate about life and it shows. You want everyone around you to be happy and have fun. Though H6 is a like big silent room, you made the first year go by just like that. It's funny sometimes to even think of the things that we have discussed - they don't even make any sense, whatsoever. I missed you terribly for the entire Term 5 and I will always remember how happy I got after seeing you outside the academic block upon your return. You surprise me, very very very often. Do you remember that evening at bubbles, Oh My God What did we all do! It was insane. What would GIM have been without you Ti ti. You made me go through this journey when I thought I can't do this anymore, and you obviously know of those times. I owe a lot to you, I do. I'm going to miss you terribly after GIM, these days won't return but I hope to relive these memories with you again and again! Love, lots!

- Vijayant

Its true for some friends that distance and fights dont matter.. It is true for us because we share a bond that no one can understand.. its just so comfortable and natural with you.. you know who i am and i know who you are.. we might not be together most of the time but that never changed anything.. hope we can continue this and be just a msg or call away!! You gimme strength to be myself and not to care about the world.. not that i ever did but u just add fuel to the fire 😊

Stay the way you are!!

- Divya

A gal who is like super crazy! awesome with words and expressing emotion on paper. Big mistake you made by joining MBA and not pursuing writing :)

"The Rahul Sharma"... you have always been this no nonsense guy with lots of ego and attitude who gets overcritical about anything and everything, who wants to win every argument and needs nothing but the LOGIC ;) At the same time you are one of the best things that happened to me at GIM. Thank you sooooo much for always being there, thank you for saving me from the dogs, thank you for fulfilling all my stupid demands (dosa, coffee, donuts etc etc etc ;)) and thank you for all the countless things you have done for me. "Alignment toh dekh, font change kar, tujhe bataon meri maa yaa printer ko, jo phone pe mujhe dikh raha wo teko laptop pe nahi dikh raha, the fuck up is...." Yes I am going to miss all of this :) Bdw I wish that day the water bottle was full rather than having a few drops :) All the best and I know you will make it big in life!

Note: You need to smile and breathe aur thode photo khichwalega toh kuch nahi hoga :) - Pooja

● Sarkaar! Any number of words I write here won't be enough to express the respect I have for you. You were always there, like a strong flagpole that kept me rooted in the first year, to a shadow that kept steady eyes on me throughout the second. Here's to hoping I can repay all that you have done for me soon. :) - Akshay

● The most sensible and erratic friend of mine, Bhai meri 2 saal ki agar highlights gaalpy karun to you are the only common element. Have learned a lot from u bro, way more than the college tried to teach me. Teri gaalpyon ka 'earworm' effect reh jayega bhai, jitney pyar se tu gaaliyaan deta tha utne pyar se to kabhi kisi ladki ne bhi nahi baat ki. Bas, ab kya... milte hain - Kshiti

● Rahul! For all the gaalis, mukke, laath and shouting we had to exchange last 2 years, you've been a rock of support all the way. You're a fantastic human being and an even better punching bag! A genuine brother! Thanks for everything, and more! Cheeeeeeeeeers! - Sunil

● Wellingkar's process : Your first eva instructional guidance to me .. "Vo accha college nai hai, GIM accha hai .. try for that only" :) And thn v converted GIM :) God knows, I asked you so many pieces of advice (shopping stuff, GIM plans :) in the trailing messages. U hv a heart of gold n I hold u vry dear to me :) Keep Rockin Rahul :) Tonns of Love ~Eeeee~ :) - Shagun

RIA CHOWDHURY

A complete chatterbox this gal is. She has a memory that is no less than that of a computer's. Deadlines, time table and even the menu...it's all registered there! A little hyper(during the mood swings :P) but she compensates it with her brains and her utmost caring attitude towards her friends. I hope you get lots of success and prosperity in your career ahead. Stay happy and stay in touch! :) 🍷

- Aakanksha

I know her before GIM and we became really good friend on the first day. She is really cute. She seems studious though. She is really a nice person. Stay the same. All the best for your life.

- Shikha

Did u hear " Arreyyyy??"...Well it must be Ria....!P

She is my guardian in GIM though she is younger to me by unmentionable years. A girl who needs no effort to let tears roll down her eyes, she has a memory of a computer. Ask her about the submission date of any assignments without wasting time referring to the mails and there she is with the date and time of the submission. A loquacious person, she is the person u can listen to (because you have no options...:P). Her friendship is precious because she will make life easy for you and yeeah sometimes difficult

My alarm clock, thanks to you for helping me pass out of GIM by attending the morning classes.... Wish you all the success in life!!

- Dibyajyoti

Sweet, intelligent and forever helpful - very studious and forever smiling (uhh, she only gets tensed if there is an assignment/quiz due tomorrow, although she studies everything beforehand 😊).. We may not have won that Rangoli competition but knowing & working alongside you was a great experience.. Keep smiling & stay blessed gurrlll..

- Sanchi

Areeeee... My first interaction was way back when we used to sit next to each other. I will always remember the times when i got caught by the faculty bcz of u.. Just be what you are and don't fear anyone. whatever you do in life is always correct. Just be confident to express. Wishing you all the very best. Hope to see you soon and continue to listen to your neva ending gossip and stories... :) *

- Ritika

I don't think i m ever gonna meet someone as talkative as u.. lectures mein bhi non-stop chapad chapad... :D :D
U r d most innocent person i have met in my GIM journey. Bubbly & energetic.. having u around makes me feel a vibe of happiness.. <3 :*

U r a part of d lovely memories i hv of this place :)

(PS: Your cheek pulling has burnt some good calories from my face. Also, the objective of using a clutch is to keep hair tied, don't nullify it all d tym 😊)

- Neha

- Radhika

One hell of a crazy gal...'Live life Mast-Maula style' is her motto. The best part is her carefree attitude. I hope I have learnt some of it from you during this past year. I know you are one gem of a person who stands by her friends and who has a beautiful heart. I look forward to stay in touch with you always and be the person who brings you back some happy memories of GIM. XOXOXO ♡

- Aakanksha

Hellooooo girl!!!! 😊 One thing I have learnt from u is live your life and stay happy.. You will always have a special place in my heart ♡ Thanks for encouraging me and standing by my side when I really needed you all.. Wish you a good health and all the success you deserve :-) Take care!! Be happy!! :-)

- Ria

Hello Ritika!
You've always been a true friend who has been supportive, helpful, kind and chulbuli. Those Mumbai-Delhi debate will never be forgotten 😊 and will always be carried on whenever we meet. May you be showered with truckloads of success! Stay as chulbuli as you are!

- Vinayakan

Ri-Tikka, so much gossip we used to have being back benchers, so much I irritated you playing with chappals and scribbling on your name plate! And ofcourse all those veg outings with you during CSR will always be remembered 😊 Cheers!!

- Rohit

Arreyyy Ritu....Chai peena haain??....
" maan to nahin hain year but chal lungi tere saath"...Well this says enough of her greatness...D

A girl who lives in two parallel worlds and keeps switching between the two...she stays lost in her dreams and fantasies most of the time...but in real world she is super fun to hang around with if I ignore the irritating songs she hum sitting behind me in the bike...P
Though I am a constant victim of your sarcastic comments "go green" or " tera room kitna ganda hain", but I believe those comments changed me (a bit) to keep my room clean...P..SO Thank you
A girl who fears none and with a big heart...I have always enjoyed hanging around with you and believe you are one the few people who cherish true friendship...Stay the way u are and live in your dream world...don't give any damn to others...U r the best the way u are.....DIBBI

- Dibyajyoti

- Annika

One of the finest neighbours I had in GIM. I'll always cherish the times spent in making coffee, maggi and discussing politics in GIM. You should have been an OPS major! Remember that! Keep in touch.

- Swapnil

The potential and most closest to being an entrepreneur among us, his abundance of (business) ideas have no end! A close friend to me. GIM will be remembered as the place where we laughed, went for lunches and dinners, spent time critically analyzing case studies and of course, got to know each other better. Cheers, my friend. Cheers.

- Keegan

Don't think you'll find a guy half as informative as Ro (knows every damn thing from ships to aircrews in detail). But sometimes his immense memory slows his processor down a bit 😊 . Has the most chilled out and cool attitude (can tease him for days without provoking). A true brother! #RkbiansForLife

- Devendra

RO! The bad-ass dude haha.. knows a lot about ships and everything else about life. Slow in general (explains history about the topic) but a great guy, always there to help (IT@GIM) and is yet to plan a road trip :/ Thanks RO for being so sportive when I take your case, it's been fun these last 2years.. - Apurv Gosain

SANCHI KATIYAR

For a person with a refined vocabulary, I can describe you as adamant, execrable, contumacious, querulous and at the same time sagacious, Arcadian, limpid and adroit (wooh! Thanku Google). In simple terms, a very sweet and caring person, jo gusse me durga maa ban jati h :D. People used to say being 'workaholic' for absence of a better negative quality, you really are one such being.. Will miss our endless talks and time together.. Exploring Goa would have been incomplete without u. Wish u best for future.. And job me Ambani ko mat darana ab. Acha aadmi h bechara.. :p

- Abbas

Street Smart! One of those who know how to get their work done, obviously, in a good way. You require skills for that. Someone who is talented. Dancing, singing and language (damn! replying to Amarnani's mails is a skill) comes to her with ease. Be the same, and you have a great future ahead! All the best! Keep in touch.

- Swapnil

Very determined, focussed and organised. A very good orator and presenter, was lucky to have her in one of my groups (led to good grades of course!!). Although might come across as very reserved at first, she is a wonderful person once you get to know her. Thanks for all the help. Have a wonderful life and a successful career.

A lady who inspires, a lady I admire. Truly one of the strongest personalities of our batch, our interaction has been less but enough to know that you are a committed, logical, warm-hearted and true friend in every sense. I know you will make it big in life. You have a pretty smile, wear it always. P.S.- I hope there are no grammatical errors 'out-there' :P

in GIM, possibly with a golden touch (won 2
competitions with him). Uncomplicated and
unconditional is your friendship, something that I'll
cherish. You've been very dependable from day one (let
me free ride bigtime in FinMod). Keep in touch bro..

Sujay Dessai

The most chilled out guy and a marketing scholar i have known at GIM, yes he happens to be my roommate at 2203. Spends most of his day playing fifa or some random video game and has taken robotics to his heart. Nevertheless a very considerate and fun loving chap who given 24 hr break between lectures rushes to someplace still unknown to another soul at college. This happened so often that it took him 2 terms to realise that ecoclean staffs cleans every room on Sundays :P, after being disturbed during his midday nap on an unfortunate Sunday. You have been a great roomie and a good friend. Wish you all the very best bro.

- Joseph

The quiet one. You were always the silent one in the gang although not as quiet as Dogtor. Probably because 90% of the time you were sleeping somewhere. GIMs man of mystery.

- Agney

My first friend in GIM. Very honest and innocent person. Bhai apne celebrations and JK ke dinners kabhi nhi bhul sakta main. Just stay the same as you are and keep in touch always. (TCS main iake bhul mat lana saale)

Let's be honest ! I had no idea you existed till we met as group members. And the wonderful conversations that ensued made me wonder why serendipity took so long :) Why so quiet? You're a charming young man with a smart brain and contagious smile ! Show it off ! It was a privilege to have known you and I shall wait for the moment when serendipity strikes again !

- Pooja

One of the of most quiet, humble, sensible, knowledgeable and level headed person in the college. Sujay, I had fun playing Badminton and Road Rash with you. I enjoyed going on trips with you. Wishing you a super successful career ahead.

- Ashish

SUJOOOY!! Quiet and humble guy..very good friend..He enjoyed GIM the most, as he had no burden of placement over his head. When placements were in full swing he was the only person who had luxury of sleeping from midnight to noon..It was a delight to have you as a friend! Cheers to the good times we had and for the ones yet to come in Bangalore!!

- Saeesh

One of the most straightforward guys i have met simple minded yet intelligent. Well you see I had to work for both of us for the CP since you hardly spoke anything :P you are one person who is always there to help and was a good friend to me without judging me for anything.

- Sumpunn

Sujay is will always will like our big bro!! The best thing about him was that he used to go home more than me. Always helpful and quite and a terrific friend. I have seen

Hi sujay. We played baddy a lot of time. You are really a nice guy. I remembered that you people used to play Baddy at late night.. I didn't get to know you much. But whatever I came to know you seem really a good person. All the best for your life. Keep smiling 😊

- Shikha

Have had some interesting conversations with you :P and yes I loved those fish curry meals outtings. Thank you for taking me everytime :D . Uff!! What a relaxed days you had at GIM. No tension of clubs, placements packages or lectures, Sleeping till 12 and being at home almost three days a week. You gonna miss these days dude.

Was fun to be with You playing all the games, partying and going for tours. Wishing you a bright future ahead.

- Abhishek

The one person who probably enjoyed the most in GIM. Waking up at 12 noon and being home for at least three days in a week in the second year are his trademark. One of the sweetest persons around the campus. All the best for ur future!!

- Supreet

ah.. the 12 pm guy.. sujay nheedre dessai... who doesnt even bother waking up before 12. He says hes on a paid vacation and he deserves the sleep; we were not really close in the first year but in the second year

- Mousumi

'If laughter really is the best medicine, then finding ways to make people laugh at you is makes you a blessing in their lives'.

Guess I learned this from him. Taking nuisance from any and everyone and yet he smiles thinking to himself '-..like I care'. Just do yourself a favour - Stop falling for the wrong women!! And you'll do just fine. 😊

- Sanchi

Mr. punu. No kidding I actually love your confidence, you believe in yourself that's your biggest strength. Most people can't achieve that in life. I will miss all the fun, leg pulling, chats we had with our group. Midnight chats wouldn't be the same without you. You love your friends and care about feelings of others. And we will always have that Meerut connection ;)Stay the same always. God bless you. Be in touch 😊

- Priti

Got to know this mysterious guy when we were allotted adjacent seats during 1st year. The sleeping beauty of PGP2.' PUNNU' Always amazed me the way you could doze off with your unique style without the professors knowing. Still when for small percentage of time he was awake in class you could truly understand the meaning of the word desperat CP specially in Macroeconomics! It was fun having you around. Wish you all the best for the future!!

- Sujay

Punnu! Will always remember the awesome foursome. One of best times I've had at college. You're a great pe rson and the only merchant navy guy I know who can' swim! You're unique in a wonderful way. Always retain your identity wherever you go. Keep in touch. Love

- Mankirat

Punnuuuuu.... I do agree that we fought too much in 2nd year, apologies from my side, no hard feelings as college is about to end. Will miss all the fun which we 6 bakchods used to do esp. Babbar bhai ka pile on 😊 😊 . Wish you a successful career in your life, be in touch 😊 😊 . At last, Canteen.... Fakker h!!

Tumse doori ka ehsaas satane laga,
Tere sath guzara har lamha yaad aane laga,
Jab bhi tujhe bhoolne ki koshish ki ae dost,

SUSHMA N

I will miss you HeachHaaaRRR! Will miss your spontaneous giggles and never ending arguments.. Thanks for bearing me in these 2 years.. but you will have no respite on that front for the rest of our lives ;) I hope all your hardwork and focus in life will take you places!

PS: I wanted to be sarcastic (as always) but sometimes my true sweet self does come out :P

- Adin

Grace and Talent is how I would define this pretty lass. Rare combination of beauty with brain, her swift dance moves set the stage on fire. Although we got to know each other really late, but when we did I was charmed by her poise and wits. We have had some wonderful moments in the few months we spent together. I will miss them all- our grooming sessions, getting ready for parties, songs, and most of all our love for cheese paric naan :P :p XD

I'm sure we will have more such moments soon. Thank you for everything Love:-)Neha

I don't really remember how we met, but what I remember is our endless conversations which I will cherish all my life.

I felt it was my duty to make you laugh whenever we met and I am glad I almost succeeded all the time ;) You somehow always knew the real me and never judged me on what I said or did. I hope and pray we continue this bond forever. All the best for your future.

- Kamal

My first and only room-mate ever! I adore your passion for dancing. You must have performed for every college function there is! I still remember how you once woke me up at 6am because you were practicing dance in our room haha. - Devanika

Baba Da Store. Ha! I still remember that. Bro, you've been the most chilled out guy to talk to spend time with and very understanding towards everyone and everything. That aura you emanate around you will take you far ahead in life! P.s. There's nothing more comforting than a Goan Razzie taking care of things 😊

- Keegan

Having a cool and friendly roomie like you was definitely something that greatly made me feel comfortable at GIM. Thank you for all the goan you gave me and waking me for the morning lectures... would have definitely missed them :p. I must say i have a great attitude and it surely will take u places in the future. Keep rocking as always.

- Mohit

Swaaaaaaapppp!!!

You're my favorite cartoon from the BU series. I have told you before also that you're one of the most non-judgmental people and i like such people. You're very genuine, honest and always ready to help. You're one person who genuinely cares for all his friends. Your open mind and flexible nature will help you grow in your career and otherwise too. I will always wish you well and will be there for you! Stay Happy always !!

- Sahani

Our STP team was really amazing. Really enjoyed working with you for all the competitions. 😊

- Parvateesh

Vijayant

Well I still remember when we started talking, just after getting into GIM and how i thought that you are really a nice person but then we joined and i started to get to know you better and realized what a real pain in the ass can be.. We fought almost everyday and still managed to stay friends?? I think i deserve an award or something for my achievement.. I have enjoyed every bit of the time that we spent together, from those random fights to those long flights (Vistara 🥰).. A lil less tantrums would be nice but then dosti kari hai toh nibhani toh pagedi hi.. Stay Blessed Always!

- Divya

U knw it and I have only 3 words to describe u, Rude mean arrogant pig !!!

I love u cuz u can be an ass on the face that's u as a person. No pretext nothing fake ! Achha hai tu khaali kabhi kabhaar thoda kam kameenagiri karega toh would be great . All the best u crazy HR

- Furkan

Vijayant! If only people knew what we've been through, the fights we've had but that was the craziness that kept our friendship going. That's how we realized that at the end of the day we would still be fine and sort things out. If there was one person that I always tried to take inspiration from it was you. And although we continuously take your case because of the way you are I just want you to know that you are perfect just the way you are and you should never change that. This is just one of the many learnings and takeaways from GIM that I've learnt from you. Anyways here's wishing you all the very best, I know you will get exactly what you want in life there's absolutely no doubt about it! I can safely say that I will leave GIM knowing I have gained a very good friend for life. Thanks!

- Mark

Whoever said you were difficult to read should get themselves checked! :P

To one of the nicest, sweetest (Contrary to your placecom image :P) and most caring guy, you truly are the best. I love our long conversations where we talk about everything under the sun. The fact that you're a bit biased towards me also flatters :P Getting to the important part, you're capable of wonders and great things are in store for you *touches wood* You're biggest strength is your ability to love others (I know, it sounded stupid in Harry Potter, but it's true), so never ever stop yourself from doing that :) Less whining, more smiling :D I really hope we stay in touch!

To, long walks

- Werlene

Oh gosh, I don't know where to start. The morning breakfast, the evening snacks and the late night chai topped with life-talks and mouthful of gyaan. This last year has been so so crazy and I'm so glad we got closer(better late than never, though I'm know this is only the beginning 😊) Everything seems so much better when I talk to you. I love the fact u talk ur mind out with no filters whatsoever. You're headstrong, fierce and at the same time so much fun! not to forget those racist and fat mamma jokes..always so hilarious.. dammit! You're one gem of a person budda, nd I'm really happy I got to meet you. PS: Live long . Until we meet again #bahubalireunitesgimfriends 😊😊

- Akarsha

It would be a lie if I say you are not a difficult person, but you are also a very sensible person, a very mature guy who still has a bit of childishness (it comes out so well when we play cards 😊)...with you i can chat for hours...and also your taste for my kinda music and love for movies(like me) does make you one of my favourite people..

- Debarjana

Dear Viju you're the hardest working and most focused person I know, a complete workaholic in a good way cause you do most of the group work :P I can never forget how we would just chill and listen to music the entire night. Oh and the way you dance at parties when you're drunk... My god it's hilarious and so much fun to watch... With all that you've shared about your life with me I know you're a very strong person Vijayant and that you will be able to face anything thrown at you and overcome it. Love you Viju. I'm glad you came to H4 as well..

- Mark

Gaaliyon se darr nahi lagtaa sahab, Fursat se lagta hai. Truly workaholic, disciplined, diligent and sincere you are. I wish others would have seen you at your relaxed, funny and calm state.

Ohooo! Abe kya likhu bhai tere lie! One of the most funniest, lively, bakchod-est person on campus (kitni similarities hain be 😊). A gem of a guy with a hell of a liver. H1 k 1107/1108 se bakar shuru hui aur ab lagta nahi ye kabhi rukegi. Cheers to all the stories, late night chats, water-cooler-bottle incidents and obviously the sexy bond we both share. Bahut aage jaega bhai zindagi mein, too much to live together! Kahi ni ja rha tu, so no good-byes! Mumbai-Blr door

Ae Bhaai.. first of all, Itna humour kaha se laate ho? .. You are the only one in the campus with whom i am an open book.. someone with whom i was never reluctant in sharing all my stories (superficial you found :P).. someone with whom i was comfortable to speak nonsense, act immature without being judged!! will badly miss those HI DAYS ; lots of memories with you man.. and i remember how u used to come up looking for anubhav's food :P Will miss stealing that car and that baseball cup from your room :P bhaai, you will be badly missed!

ANJALI DAS

During kshiti z selection, at the interview round, I was asked to give my opinion about the other candidates. I labelled you as fun and outgoing, and my opinion has not yet changed. You cracked jokes in various categories and styles (some of which were new to me). You won various hearts through your sweet, humble and comforting nature. I still **** mallus, but I love you.

- Winnie

- Deepak

You are truly special one..1st of a kind whom I met and who share birthday with me 😊 One never stops laughing at your hilarious talks or actions. You are so energetic, simple, caring yet so much fun to be with. Such great time we had together. And yes our determined quest to lose extra weight that we gained at college needs a special mention..Hehe... swimming, running, cricket, early morning exercising, avoiding sweets..OMG!! Love u girl for all you are..Hope we have such great times in future even after college is over. 😊

- Nikita

Kuch kuch hota hai Anjali..!! tum nahi samjhogi while writing this testimonial. Don't know how this 2 years passed. I still remember when I shifted to my new room in 1st year and my life changed instantly. Met the bubbliest girl on the campus who spreads the magic wherever she goes and can turn the depressing event into fun. Life would have been difficult without u in GIM dear 😊 There are times me & my alarm have been real pain thanks for tolerating us both :P. 😊 . I am gonna miss u girl and the time we spent together especially our bike rides, crazy stupid dance, garam chai ki pyali & gyan ki bate. 😊

She can totally crack people up with her witty one-liners and is one of the sweetest people I know. Thanks Anjali! GIM wouldn't be half as awesome without you :)

- Sheena

CC, Blackeye, Slave, Bolt, Tik-Tok... remember these? ;). Often, even being in college with your pals isn't enough to get to know them well. You reinforced that principle by being yourself in that very eventful office 😊. I guess there was good beyond those soulless spreadsheets after all! Here's wishing you the very best for times ahead.

- Keegan

Anjali !!! as your name tells #Chanchal:# lively # full of energy # bubbly # full of positive vibes, enthusiasm#adventurous#daring !!! The man who inspired a person like me to go to the gym and work out for 2 hours 😊 . A child at heart with a HOT body (I know you wanted to hear this 😊) Your innocence and "I don't give a damn attitude" is something which makes you so unique. Ashlesha Salkar

One of the world's unsolved mysteries. I think we might've solved just about 20% of it abtak. I love you and all the quirks that come along with you. I want you to DGF to anybody. I want you to just celebrate your weirdness. Coz that's what makes you, you. I love how we understand each other so well, sometimes without even saying it out loud. Thanks for being our superego. Love you always. :*

- Manali

Oye Salkaar, agar OCD/spiders/Being tall/love for black wale jokes nahi hote to hum kya karte Ash 😊. Ek hi piece hai tu. Teasing you has been my fav thing over the past two years. I don't know how we ended up together but I couldn't have asked for anything better. One of the best things happened to me in GIM. Confiding in you comes naturally to me. Only you could have added a lil sense to my extremely crazy ideas. Love you so much, Ash. Pune to apna hi hai 😊 Waise, dantna boori baat hai! 😊

- Anshima

Mere saamne waale (almost) room mein, Ek chaand ka tukda rehta hai, Afsos ye hai ke vo hamse, Kuchh ukhda ukhda rehta hai. Well i really thot it is like that..but then i realized ki yeh chaand is equivalent to a teekhi mirchi which i now love.. Yaar ash itna toh mujhe meri mummy ne bhi nhn daanta jitna tune daanta h 😊. Bt then with time u realized i wont change n accepted me the way i am.. n that's the best part about this bond that we have where we can discuss anything to everything.. In the end, i would just like to say.. Let's paint the world BLACK!!! 😊

- Divya

Ash!! Such a lazy girl! Never seen you come to play unless Prayas organizes Smash! 😊. But one of the most humblest and sweetest girl on campus! Awesome person to hang out with! Have heard rumors about you getting angry very soon, but at least maybe not around me! Maybe 'm that nice too, ain't I? 😊 Cheers!

Ash 😊 😊 !! It's great to have you as my good friend. #Your Nature, your Attitude; I just loved it #Nice personality# In the beginning I thought you are quite selective & moody 😊, but when I got to know more about you. Then I really like u, "the way u handles the thing, your #caring,# calm, #sober, #unbiased nature towards everyone 😊". U just remind me of #princess #Merida of Brave. "Bas do me a favour, plz ek baar modelling kma pakkese plz" u will look fab yr.. **your height, hairs** 💖 💖. Love u babe !!! 😊

Ms Monica of our group .Cleanliness freak itna ki sab darte hai isse ki Ash ki data na pad jaye :-P. On a serious note, you are smart, witty and a no-nonsense kind of person. You are reserved, but I bet once a person gets to know you, he will find a friend for a lifetime. You are special in your own different way and we love you for that. Sometimes you think too much about a situation, so for that I'll say grow up, but I also like that you genuinely care about others. We haven't spent much time together to make crazy memories but still it has always been fun to be around you. Stay in touch. :-*

- Garima

Your skills of dhapofying things, your ability to always sleep, eating paper to gain energy in class can never be forgotten...

From the day we met in Mumbai... you are the closest friend I have here. Always stay the jolly kitanu that you are...

- Anubhav

The fattest cat on campus. Fatso, Clinomaniac, Dhapu, Harami, just a few adjectives to describe you. H4 wouldn't have been the same without neighbours such as you. Of course, the internet would have been much faster without you streaming all that 'stuff' 🙄. Stay fat, stay awesome 🍷 -Agney

The Ambani of our college, Atanu only we know the pain and suffering of WiFi routers in the college 🙄. We were the masters of our skills and never allowed the router to sleep. Jokes aside, you are one of the most hard-working and dedicated guys in the college. I could see how focused you were for placements. From trivial misunderstandings to friendly chats, our friendship has come a long way. Wishing you a great career ahead.

This place wouldn't have been so much fun without you. I wish you the best in your future. Love ya

Debanjana Roy

For always making me feel warm and watching out for me like a sister, never letting me give up and tolerating all my tantrums, you my sweetheart Bong. Having you around has never made me feel far away from home. Be it your amazing cooking, your patient hearing, your technical analysis, your constant support and your sweetest smile; Love you for that Bong. You were always there as a shoulder to cry on or a hand to hold me strong no matter how bad things went - GIM without you is unimaginable. The crazy stories that we've shared and amazing memories (& scars) created, you will always be the sweetest bong in this world for me. Hoping that you stop falling on flat surfaces and walk without staring at the roads 😊 Big hug and Loads of Love 💕

- Pallavi

Meri finance partner! Finance subjects wouldn't have been as interesting as they were without you! Stay Blessed! 😊

- Pooja Jagtap

You're one driven girl and that is fascinating! And your love for food makes you even more awsmr! :P I hope you do really well and I'm coming to Kolkata one day to eat man :P Take care :)

- Werlene

Hey Bong, we have had some crazy times together which will always keep you close to me. Right up from our never-ending Internship chats at NITIE (around that neat little lake) in summer, to chasing Ghosts (or were we being chased? 🐼) in haunted Churches at midnight, we have done some insane stuff that can never be erased from my memory. I only regret that we didn't get to know each other sooner, but none the less, the time we chilled out on our Trips have made it count. You've got a killer attitude so keep rocking ladki! 😊

- Noah

You taught me bangla when I wanted it the most. You got me rosullas when I missed them terribly. You made me sit and talk about all the shit that had been going through my life. You are one of the most genuine people I have ever met. Being with you is absolutely effortless and I'm sure it would be the same forever.

- Vijayant

Hands down my favorite Bengali on campus. Such a foodie you are 😊 thanks for all the treats and lovely food we have got over these 2 years thanks to you. Was great to have met you in GIM and hopefully we bump into each other again after were gone. Keep in touch 😊

- Mark

Debanjana you will be surely missed. You came into my life at the time when I was in a mess. So thank you for being there to support me. Thank you for being my patient teacher and for being my GIM elder sister. Yes, we were not able to spend time the way we used to but you have always been special for me.

To the person pivotal in making me grow up at GIM, Sometimes in life, you find that person from the moment she enters has made you a better you. Someone who changes your life just by being part of it. Someone who makes you think ponder over life ask questions and makes you not stop until she knows you can go on. Someone who makes you believe that there really is good in the world. Someone who convinces you that there really is an unlocked door just waiting for you to open it. This is forever you. When you're down and the world seems dark and empty, she lifts you up in spirit and makes that dark and empty world suddenly seem bright and full. She gets you through the hard times, the sad times and most importantly the confused times. If you turn and walk away, she will follow. If you lose your way, she guides you and cheers you on. She will hold your hand and tells you that everything is going to be okay. Kahan milta hai aise log !!!, you feel happy and complete because you need not worry. You have a forever friend, and forever has no end. And that for me is u... apologise for the spelling u Grammar Nazi !!

- Furkan

Though a few differences creep ed in but i still respect u the same...will never forget u protecting me always, teaching me eco..u explaining to me yee larkii badloo..the CSR visits..The bombay dinner..your birthday..always keep in touch..hope later in life our bond gets restored to the one we used to share once..cheers

- Anurag

I knew we were going to be friends ever since I saw you at the airport! You're one of the smartest people I know, who loves logic as much as I do, if not more. Also, if I haven't said this already; you are an amazing cook! I hope your love for cooking stays as intact as my love for food over the years to come. 😊

May you achieve everything you've ever dreamt of, and on a muuch smaller level, hope you trip and fall less often. 😊

Eldhose Varghese

Friendship with you has been one of the few best things that happened to me in GIM. But it came with a lot of burden, your free-riding was one of them!! However, I have given it back equally in Digital Marketing, so scores are settled on that front I guess. :P..... On a serious note, your support as a friend, as a brother has been very crucial for me at various points of times in these two years. Our sessions at Celebrations , drinking Old Monk and supporting and motivating each other when we were down will always be cherished. Making me the CFO of your startup whenever you start will always be a privilege for me and a right decision for you!!! :D.....One thing that matters me a lot is that I know for sure that even in the future you will be among the very few friends whom I can bank on in my bad times!!! Cheers to our friendship!!!!

- Yash

salley mallu mallindra :P .. bhai you are someone whom i can literally call "brother from another mother" jis mein obviously tu bada bhai hai and bada harami bhi :D. Chilled out, relaxing to hang around with and (perhaps) smart discussions for those eventful Markstrat meetings are only a few of the things that make you a great person. Coming from a musician, that voice of yours can work wonders. I tell you. 😊 You've got great potential to achieve things in life Eldhose, so keep striving, and blessings will follow.

You are someone I always looked up to whenever I needed help because I knew you would be there for me. I wish I could possess your quality of assessing people's intentions and behavior precisely! Wish u an awesome life ahead :)

- Vandita

Fortunate enough to see 1 season of Furkan vs Food-LIVE. Very logical and crystal clear in stating the reasons for his actions. It was really fun to work with you and specially to get those calls 'Pata hai...' One of the close friends I had in the team. Wish you all the best! Stay in touch

- Salman

Furkan.....you are one of the most intelligent and smart guys I have met in GIM...Though we did not get much of opportunity to meet each other(which I wish we had),nevertheless I always enjoyed talking to you. I always found you threatening during any GDs :P but also enjoyed being in the same group..... Wish you all the success in life...Dibbo

- Dibyajyoti

Furkan!!! Man initially when we became placecomers i wasnt too close to you but over time i saw you for who u truly are and I just loved your attitude and personality (especially in most of our "difficult" situations). Very helpful, calm under pressure, extremely smart, the proper jugaadu types :P perfect for a salesrole and I have no doubts you'll be successful in whatever you do. Was glad to have you as a friend, team mate and brother! Keep in touch man!!

- Mark

I have never met anyone as quick witted as this man, deadly combination of good looks, sense of humour and crazy creative idea machine.

You meet some people and you know they are going to do well in life, you my friend are one of them.

I have nothing but my best wishes and prayers for you.

Jaldi CEO baan and give us a good job!;

- Karal

We both are poles apart in so many things. And yet, here we are. I used to and I still think of you as an asshole. I am amazed by your guts and believe me when I say this - you have taught me immensely in your way on how to deal with people, with situations, with your ownself. I will always remember by the 'over the top' dialogues and statements that you use even for the minuscule of things. I still remember that day in Term 2 when I thought we will never be friends again and yet here we are. You are the most 'mast' person I have ever seen and life @ GIM has been incredible courtesy you. Our re-union this year is surely happening, courtesy Bahubali 2 :)

- Vijayant

Furkan Furkan Furkan... if only you moved to H4 as well, it would have been crazy. We've had so many drunk nights together with you driving us back THE SOBER FRIEND... I admire the way you can be so serious about your work and yet be so laid back when we're hanging out. Mr Santoor you going to do amazing in your corporate life, hope you're always this jolly and excited in life.

- Mark

Gaurav Sansanwal

Funny, Friendly, humble, handsome, intelligent etc. etc. you are a complete package. I always have a great time with you discussing all kind of stupid and at times serious topics of science and politics. My one point contact for all Gym related queries :) Younger brother, neighbour, wingman and gym trainer. My memories of last two years will always have you as an integral part. Thanks for introducing me to good Punjabi songs. Always be like this young and energetic: aur bhai kuch kaand karo ;) Wish you very best for the future

Kamine.. Kya bolu teko.. you are the best thing GIM could've given me.. (Well apart from the diploma in engineering you promised me :P) We've had soooooo many memories together. Good and Bad.. Me taking you to all those eating joints and you literally force feeding yourself.. You trying so hard to make me workout in the gym.. All those late night maggi sessions.. Random stupid talks. Your shitty hypothetical scenarios (which I hate btw 😊), our silly fights over the most stupidest things.. you being the ever so ass kid and I being your mommy.. (gggrrrrhhh I hateee it soo much 🙄).. mera betaa! u calling me mumma with time actually made me feel like one. right from the beginning u have been my family here in gim! ur one person i could never see sad! no matter how much we fought i could never still be mad at u. u have always stood up for me. the reason i love u so much is because u have a heart of gold! and if u ever think il forget u, ur wrong! our relationship is gonna last forever. love u lots my little baby! <3

- Tasneem

GIM phameli se chali, aur ab karvaan GIM k baad bhi saath chalega, tujhe bhi Bombay milega :P One of the most in-consistent gym-doer, avid reader, protien-fan, CS-loyalist, olympic level dart-player and 'kulfi' lover. Bhai, u have always stood by your stand of always coming late for every trip. A true friend, trust-worthy, takes stands, always a helping hand with a golden-heart and a mood which swings faster than Dhoni's bat. Miss you kya bolu, saath me hi rehna hai... spread love & happiness like u always do! Tera bhai tere saath hai!

- Harmanpreet

JTX! The kiddo of four square. Chattaan. God bless you and your lamest jokes. You are one hell of a person, multi-talented and a kid at heart. I will miss our passive sutta time and random talks about anything on planet. Wish we had more time to spend!(mein isme 'John Cena' ghusaane ki koshish kar rhe tha but nei hua:P)

- Jayanth

Jtx.. your jokes, even how much "yellow" they were, u made us laugh 😂😂.. we did a lot of discussions standing in the window of H5, no matter whatever time the clock ticked.. and our convincing each other that if sanam puri is better or not... though we had to cancel our plans of eating fish and prawns many times because of u, yet we love you bro.. :-) speaking abt ur personality.. u r a disciplined and an organized individual and I am sure u will reach great heights in ur life.. God bless u bro.

- Satbir

Ab kya kahen, tareef to jitni ki jaye kum h. Bhagwaan har insaan ko bilkul aisa hi roommate de. He remembers exactly what time you go to sleep and taking care of that he'll drop a ship on the floor right at that time. Then happily, sir will watch all Mahabhartha until the sun rises. I'll miss our card fights(one wrong thing I taught you) BakChodi krte rho..fir milenge

- Harsh Paliwal

Tattu...you have been the most consistent friend at GIM, no matter what ups and downs either of us went through. We didn't always have to stay connected but those 6km walks downhill were enough to keep us updated about each others lives. I'm glad I had you at all times- be it picking up random puppies on the road, going to the temple, waterfall walks, grocery shopping, gymming and what-not! I can assure that you cannot be forgotten (even if I tried 😞), but I'll definitely miss all the bets you lost and the "galis" you taught.. 😞

- Kimrari

Testimonial 4 U..Uhh!!A champion at coercing (best at putting on a puppy face) & a staunch nocturnal 🌙 Despite my mood swings, annoying irritable bossiness, U've always been caring & empathetic (although abusing under his breath)..Sorry for not helping u find a girlfriend or else wouldn't have made so many memories together! Thank for being my punchbag, rubbish bin, (worst) comedy source, & best buddy at GIM.Be the same forever & stay in touch (else u know m gonna haunt u...OK otherwise too :-D).

- Sanchi Katiyar

JTX,

Request: Try to read it in 1x.

U r a light-hearted guy and always remain in mischievous mood. Ur bakchodi is always required to fill the voids :P Had a fibulous time with u in the group!

-Ayu

- Ayush Aggarwal

You are a very special friend of mine in GIM. I cannot forget the time that we have spent together, did all kind of masti, midnyt chats, eating manchurian, panipuri and many more things, you were always there whenever i needed you, a stay in touch... may you get all the happiness. all the best for your future 🍀

- Risha Goyal

Oye Marwadi...i had awesome time with you. I will cherish the moment when we used to play uno. You are an amazing friend, good listener and trustworthy. Still I consider you little stupid 😞. Always keep in touch 😞

Kamal Ahuja

Kamal, God doesn't make ones like you anymore. You are simple, innocent and very antique. I feel i am chilling in a different era when you are around bro! Like the Amitabh or Devanand times. And thanks for taking no offence to most of my ridicule pseudo bullying. I will see you in Pune!

- Aditya

Hey Kamal :)

Our great conversations is something I will always cherish. I have been more than glad to be your friend. I know that you will make it big smarty. I have always known you as an ambitious man. All my best wishes. P.S: Your unexpected calls and messages post GIM will continue to bring a smile on my face :)

- Sushma

Sirji! Kick-ass launda, determined, focused, happy-go-lucky guy who knows what he wants and how to get there. Bahut naam bnaoge bhai, keep in touch!

P.S- Mumbai me bawaal hoga bawa, get-set-cabo ;)

Harmanpreet

Someone just told me yesterday about a scene when some of you had gone for placement pitching to Delhi. She said how when everyone landed, they called their mums or dads or gf/bf. And next to them there was you saying "Bro, haan main pohoch gaya." On the other side of the line was me. And the weird part about this is, that I was waiting for that call, your flight was late.

I can go on writing about you forever. Everyday with you has been a new adventure. 1116 will forever be etched in my mind. How do you even write about someone who you have spent your every waking moment with in the last 2 years.

But all that anyone needs to know about you and I, is that I was the first person you thought of calling, and I was worried and waiting for it.

You are the equivalent of "The one" in friendship terms. Kamal Ahuja, Life would not have been incomplete without you, Life would have been non-existent.

Also, If I am not your son's Godfather, I will be pissed!
- Jidvish

"Na jaane kab kharch ho gaye, pataa hi na chala, Woh lamhe jo maine chupa kar rakhe the jeene ke liye." - Piyush Mishra. It was just yesterday we were making plans as to how awesome this year would be, all of us living side by side...it didn't hit me till now, but we are closing an end. The bond we share is one of a kind and will always be; I mean C'mon we are the Papa-Pintoos duo. :-b I'll miss walking into our corridor and shouting 'pintoos/bhaaaai'. You always had my back when i asked and even when i didn't, especially when i didn't and never let me down. So here we are at the culmination of our college stint, but you will never get a goodbye from me, 'kyunki apni picture abhi baaki hai mere dost'.

P.S: baaki ki bakar aur bhakti mumbai/pune main ek chotey se break ke baad. :P

- Vinayak

This guy is a God when it comes to giving presentations. I envy you for that Wish you all the best for future

Bhaiya :D

Thank you for being my family here at GIM. You're very caring and I'm really sorry about that one incident :(I want you to know that I'll always be there for you. I'll miss our relationship discussions :P Don't be afraid to fall in love and keep in touch :)

- Werlene

Bloody closed book saale! I'm not sure if most people even understand you the way you really are but I'm glad I could get to know you this closely! Won't forget those crazy discussions on - be it FMCG Sales or relationships or women or even cheap jokes! I hope you find all the happiness in life because you deserve it! :)

- Rohan

Nowhere else in the world will I ever find someone with such ambition backed up by goals, hard work and an urge to achieve in the bigger picture, while still caring for the lucky ones ;). Through times of rain or sun, your tenacity has immensely astounded those who admire. Many years later, I hope to read this and say that this part of you hasn't changed. A true friend you will always be.

- Keegan

Arey Pintoos! In the one year that I've known you, you turned out to be one of the closest friends I've had here. There were many times when you pushed me to go out of my comfort zone and I can't thank you enough for it. I've learnt so much from you. I thank you for encouraging me and for always being straight forward with me. I'm gonna miss having you around. Wishing you all the best in everything you do.

- Annika

Yo my mumbaikar just like me friend, One of the smartest marketeers on campus and crazy ass wicked mind at work. I hope u make it big in some FMCG brand mgmt. someday and kick some ass and design some crazy strategies !all the very best and HUL ko ek din zaroor hilake rakegea tu :p

Kaushal Sahu

- Varun

Bhailog.....A1 aadmi hai kaushalbhai, have learned a lot from you in these 2 years. U will definitely go places in life. Keep in touch. Wish you for a happy future.

- Mohit

The man-for-all-seasons!The go-to-guy for pretty much everything! 🙄

You are the first friend I made here at GIM and probably the one I am going to miss the most after leaving this place!

Your maturity is far beyond your years and your ability to handle yourself in adverse situations is something I just hope to replicate someday!! dont think I could be myself with anyone as freely as I was with you cause you kinda got me pretty much always! 😊

Kam mirage khha,tandoori mein rang kam daal aur move to Bangalore as soon as you can! 😊

- Shaunak

my huge friend! i always envy your muscles and hulk type look(even if it was fat you were hiding in there) . You are a strong nut even mentally and your super calm attitude to all problems will be your biggest strength. We shall meet again..tc :)

- Adin

The most practical (and maybe shrewd) guy on campus!! Does his best in whatever he sets his heart on. All the best! And please try to be happy when India does well - in any sport! :P

- Malav

Better known as Sahu....One of the most carefree persons I have ever come across...BBQ king of the campus....Famous for his 'over' class participation :P....Extremely helpful and very nice company to be in...All the best!!

- Salil

Kaushal, you truly have a sensible mind on your shoulders. Your practical approach to life is refreshing. I have seen you stay calm even in the most adverse of circumstances. Have learnt a lot from you. Thank You and my best wishes.

- Piyush

Keegan Abishai Fernandes

The most creative and energetic guy I have come across. Can do anything he sets his mind too! A brilliant musician and an even better human! I love your attention to cleanliness and detail. Down to earth yet the life of so many parties. You are just awesome bro 😊

- Algie

Nerd at day and psycho drummer at night. Trust me, you are one of the best drummers i have seen. Was a treat playing alongside you. Hope we get a chance again in the future :)

- Ankar

My roomie ! One of the best ever met ! We have had our own share of laughs and memories. You are with him you would have an overdose of fun and laughter. Very chilled out guy. Damn serious about studies, can study for hours. Great company to be with. The man with a midas touch. Keegan Fernandes

- Onkar

The pool jump, car rides, your home, paper toss, your birthday fire, arey yaar, jamming with you, you trying your level best to teach us, the numerous dinners, the serious talks, the time in Bombay, Tennis, Football, Munchies, The first ever Bike ride to Ribandar for Laila, and finally the first time I met you in the first class ever. You have been everything I could have asked in a friend and more.

But the thing I will miss the most is laughing with you. I do not think I have ever laughed so much with anyone. I still remember, I had had the worst day ever, and you came to my room, and we started talking and in just minutes we both were laughing like clowns on the smallest of things. Till date, there is only one person who can do that, and it is you. We're staying in touch. You don't have an option. And when I am coming Goa. I am staying at your place. :*

- Jichish

"Volcano of talent, I possibly cannot imagine doing half of things this man has accomplished.

Whatever work he does, there are no half measures in it, it is either good or great. At this age where we struggle to manage time between family, friends and work, this man knows to strike a perfect balance between things.

Keegan Fernandes thank you so much for giving me a home away from home.

Our journey started together at the GIM interviews and has been going strong since then. I don't know till when will this last but let's start with forever"

- Kamal

Bro, your simplicity and laughter will remain with me forever! (and your hindi also) You're the most reliable and dependable guy i know of. I think some of my happiest laughter nights are credited to you bro!

- Aditya

Firstly, WAZZAAA!!! 😄 Had to be done 😊 Mr. Escobar, brother for the most part of our college stint you have been the reason for us all having a great time and of course "making noise" and "the hyena laughter". You gave us a home away from home and gave us company saying and doing the darndest of things and creating memories we will all cherish a lifetime. Cheers brother, keep up the good work and never stop with the 'bhasad machana' 😊😊 and the uncanny laughter.

- Vinayak

Keegya! It was so much fun having you around. You come up with the most epic stuff which is intellectual, philosophical and yet funny at the same time. I'm gonna miss having you around and never gonna forget 'oodi binchoo' especially the way you say it. Thanks for making me laugh always. Wishing you all the best in your future endeavors.

- Annika

Keegs, you are one of the most dedicated and hard working people I know. A perfectionist to boot and one of the sweetest guys. Very kind and full of ideas. 😊 It was wonderful working with you during group work and all those assignments. I learnt a lot. I'm glad I got to know you. P.S. You have a flair for words! More people need to read what you write 😊

- Dianna

Perfectionist is the word for you. I am a big fan of your sparkle-eyed-smiling-face presentation skills. I won't have ever known if it hadn't been that cubicle where we worked endlessly. Together we have seen the best and the worst of our first acts at work. I still remember the strategies you used to set to get into the lif in time:P I will miss you and I wish you all the best.

- Anjali

KINNARI TAKAVALE

There are essentially 2 types of bench mates- those who click, and those who don't. But then again, there's you. Strolling in with your virtues of patience, outgoing nature and fun+understanding+determination. Beyond the clicking and our chemistry, here's to wishing you all there is to be wished for the future!

Btw, this is just the beginning 😊

- Keegan

Annoying, idiotic, complicated, confused and yet full of love, care, sweetness n a true friend. Our long walks, intense discussions, fights, gaali inventions, ur trademark dance step n lot more.. So much to miss in 2 yrs. Wish u d best for life ahead.. N yeah, see u on race track..:D

- Jatin

kinuu..i am gonna miss u alot. u always supported me like an elder sister. and i hope would continue to do the same even after GIM. love u :'

- Risha

KINUUUU, I'd write an entire yearbook to you and still won't come close to explaining what you have been to me. I'll miss the pit stops, the neatly planned trips, the 'not-enough' desserts, the movie binging, your OCD, the untimely workouts, the coffees and even the stupid fights but above all else I'll miss the me I am around you, the person i am because of you. I have seen 2 contrasting sides of you from a chirpy hyper cute kid to a mature intelligent girl and I've known you more than anyone and the world belongs to you 'ma'lady'. A beautiful adventure this has been. On to the next. Cheers to this and to the future.

- Kshitij

kinuuu! u were my first girlfriend in gim (and my only closest gf). we would literally spend all day with each other sharing stuff, laughing and having a blast. u would always look out for me. i know we have had our downs but with time all the good times spent was the only thing i remembered. u are and will always remain special to me kinu! wont ever forget u. love u lots! <3

- Tasneem

Tinnadi, Maratha Warrior, Tinu! You are one of my week-1 friends in GIM and also one of the smartest in our lot, always a special place for you. Baat kamm ho ya zyada, we both do have a connect. I strongly feel you would be the first friend of mine to own a super-car before anyone else does. Good memories we have made, better we will make! Keep close, loads of love :D

- Harmanpreet

Tinnari! the way you look, live and give a fuck to annoying pests, its what I crave for. I still remember our first dance, where I was dancing and u were staring like 'kya ho gya isko'. Little sissy, stay foody, wild and gorgeous..stay connected. 🍷 🍷

- Anshul

Animal lover, nature lover, foodie, traveller. Interactions with you are always enriching. Stay as you are happy, free and running around - you have much to offer those around you! Cheeerrrrs!!

Kinuuuu, I'm glad you're coming to Mumbai, there is too much partying to do that we have missed out on. You're completely crazy, very sporty and an extremely silent learner. The biggest nerd in GIM who is also ashamed of it, you're a complete sweetheart, and I am glad I bumped into you. Here is hoping to many more parties that are yet to be danced at! Love you :*

- Pallavi

Kinnari ohh kinnari..
kal kahaan tu dinner-ri?
chal chalein steak khane in your car,
ban jayenge hum stakeholder in dada bar.
You will be missed, I kshit you not.
I'm sorry for the puns. Humor is all i've got.

- Varun

Kinu - The hot, style, and glamorous quotient of our club!! (according to our JCCs) :P But you are much more than that! You are easy to talk to and a great person to have around! You are one of the smartest person that I know, and also tiny bitsy lazy! Thank-you for being my tour guide in Pune, it wouldn't have been as entertaining as it was, without you! I will cherish all those chats with had over coffee and deserts. All the best, Khaleesi! Stay in touch!

- Harjas

Kinu :D Those amazing bike rides to Valpoi on rainy evenings and then long talks on coffee will definitely be missed. You are one hell of a driver, be it car or bike! I've never seen any other girl do that so perfect. You've always been a sweetheart to me no matter what and you will be dearly missed :)

- Jayanth

Yo Khaleesi, so here we are. 😊 i love the random and perpetually bonkers conversations we have and how you're such a chill person. One of the sweetest and goofiest people I've had the pleasure of calling a BUD. So keep up the good work and stay blessed. Cheers!

🍷 🍷

Krati Jain

U r an amazing person... yeah you will talk to only few but always make sure that those few are never alone and keep caring about them... very smart and intelligent.. u do something different and that is very interesting (gems -nail paint!!!).. i will miss the moments spent with you... good luck for the future..

- Shweta

What do i say about Krati

Krati is such a simple and a nice person...

At times Krati is too funny and she has her own way of describing things ...epic dialogues...

Krati is too cool and its always a gala time with her as your company.

She is a good hearted person who you can rely on as a friend when you actually need someone by your side ...

She is least pretentious and a caring human being...

I think i m blessed i got a friend like you ...here ... you simply are a great buddy...

Wish you all the best for your future dear friend ..But hey wait abhi to poora ek mahina baaki haiye best of luck and future wishes etc tabhi ke liye bacha ke rakhti hu ...

- Priyanka

It was great knowing you krati :) ill always cherish the moments we have spent together.. I like you for being so simple, well-spoken, well-mannered and considerate. keep in touch :)

- Vandita

Lijo Mekkunnel

You are my first roommate who is from south India. I have never seen a Kind hearted and Generous person like you. I know you speak fluent Hindi now although I was the one who gave you lessons on "How to abuse people in Hindi". Thank you for everything specially for your bike. Khush rahio Bhai aur Laptop se hatke kuch aur bhi kar liya kar :-) :-)

- Sachin Gupta

The most chirpy,cheerful guy I have met without a doubt in GIM!Lijo is almost always ever-ready to have a good time and one of the best people to chill with!He has this unique way of looking at things whereby he invariably ends up as the guy who is being wronged and is pretty hilarious if you see the funny side of things! 😊 ..We have had many a good time together and this space doesnt really suffice to write all of it.Or maybe we shouldn't either.(remember Bubbles! 😊) Stay well asshole.You are one of the most awesome,genuine people I have ever come across! 😊 Keep in touch!

- Shaunak Ganguly

Lijo is weird but a great, funny and tharki. Can turn any decent conversation into an x-rated one. Comments in Hindi like "Bhaaiyya, sau rupay ke liye" and "Chodha Akbar" have gone down in GIM history! He is ever helpful and will go out of his way to make things better. Someone you can rely on and very wilfull. He is surprisingly sorted. One of my really good friends! Much much love Lijo!

- Sheena Desai

the coolest dude of the batch with an awesome hindi.. a Friend who keeps all his promises and been there for me always. .. a very kind hearted fellow .hope u achieve your goals and keep enjoying your life as always...will miss for sure..

- Shreet Das

MALAV SHAH

Faaaaaafflllcaaaaa

I will remember you as the laziest guy ever :) .. and a true Barca fan. I love your down to earth, simplistic nature. Yet if you are passionate about something you give your wholeself to it. Be it Barca, HR or whatever. People like you are hard to find so please stay the same. Chicken rules! Messi sucks! Peace :)

- Algernon

Someone who I am extremely glad to have met in GIM, and to have the chance to work with . Thank you for all the theplas and for being a good friend and a fantastic human that you are.

- Mohit

Mr CR-HR, it has been a pleasure getting to know you! Your dedication and commitment to work is yet to be matched by any other student. Sorry for constantly ditching though 😊 I won't be surprised if you become a CEO of a huge company before 30 😊

- Noah

Gujjuuuuu!!!

For being the best CR and the guy with apt timing for sarcastic comments, here's hoping that you become the best Guju HR ever. Thanks for all your patience with all my crazy doubts and rightly knowing that Malav is never the name I am going to call you with. Loads of Love and God Bless 😊

- Pallavi

mah luv ! Honestly, at first I didn't think you were right to be a CR. At least you looked 'non serious' :p And then I saw this proactive, hard working and foresighted CR who magically solved every problem ! I respect you for the passion and perseverance you showed in the most challenging times and needless to say you came out victorious! A well deserved win :) Group work with you was actual group work :) Look forward to working with a Gujuji in a Gujuji Company :)

- Pooja

This gujuji turtle is destined for big things in life. Not ruling out a Barcelona F.C job either.

All i ask is to stop fluffing around in your room and have some more fun ! It was 'one hell of a year' indeed and i hope our bond grows stronger for years to come. Love and respect always!

- Adin

Malav, you have been an asset for us. Being a greenhorn in terms of experience, you have been like a breath of fresh air. You are talented and your insightful comments have always added value to our group. You are assertive which is a highly required talent. i am sure you will do wonders in your career. My Best wishes

- Piyush

Malav comes with all the happy packages in life ! He can get along with almost anyone ! A very straightforward guy and his ability to make a light meal of any given situation leaves him a stand out personality! Wish you all the best 'mota bhai' ! Rock on brother ! 😊

- Onkar

Maaaa Laaaavvv !!

Glad I got to know you in term 4! Better late than never to meet good people like you! You are one Hardworking guy on campus and The Best CR I know of 😊 May you use your HR Skills to give me some great jobs in the future. Hahaa Always remember that Arsenal Rocks! Continue to remain this annoying crazy ass. All the Best!

- Eden

Well for starters, it felt great to have someone to talk to, in Gujarati. Then for main course (🍲), it felt awesome to laugh at the same jokes. In the end, it was a relief to find one more Gujuji with no regional accent. A sincere HR with a pinch of humour thrown in, who'll go wild every time FC Barcelona wins. Gaam gajaavo Gujujubhai ! 😊

- Samidhi

Great start bro!! You get what you deserve in the end! What a nice person that i have ever met. Hope you continue in company also!!

- Ashish

Moteeeeee! At first I thought ki bhai hum dono kaise nikalenge pura saal sath mein but in the end our friendship is the most important and strongest bond I forged at GIM. Thank you for being there...for waking me up in the mornings (with those repetitive and irritating alarms), teaching me before exams and getting me so much khakra and theplas. Thank you for everything. Here is to the success we have achieved so far and a hell lot more to come. Let's make #2312 legendary!!

- Vinod

Dhokla, Fafla, maal... I can think of a camel or a tortoise to describe you, because they also don't eat for days together. One of the craziest football fans I have seen who re-schedule their post-midnight activities (for now, it's only sleep), or do not apply to a company for its odd timings, for a game of football. You are hardworking, having said this, HR doesn't really demand you to work hard, so your potential is under-utilized. Indulge in some other activities too, to keep yourself busy at work, say an affair or something or simply start working out, but not in your room!

Wish you all the best for future and bro, keep in touch.

- Swapnil

The UNDERDOG! Mr. Shah (as Bala calls you) is a pleasure to be in your company. 😊 You are very genuine and humble guy. May you get loads of pet dogs and footballs to play with.. Hehe... Keep in touch and get me ice-creams.. :-)

- Mohita

~~One of the most carefree and chilled out person...Best gujuji I ever met...Thanks for theplas, khakhras and things I ate but not remember the name...best of luck for your future HRgiri :P

- Salil

HR bhaji, tussi great ho (u r great) 😊 . Its a pleasure to be friends with you. A cheerful n confident person with a never die attitude makes you stand out from the crowd. Plsss stay connected (HR walo ki bahut jarurat padegi age) 😊 . PS - FCB rocks....!!!

- Karan

Mr "Just-Dial" in Ahmedabad, thanx for all the help. Heritage walk abhi baki hai mere dost!! Wish you load s of success. 😊

- Anshima

Malav, the most ardent Barca fan in campus :) I wish you all the success in life bro! You have all it takes to be the people's person at any organisation :D atb! keep in touch

- Anshu

Mohit Gupta

Couldn't have asked for a better classmate. You're one of the most helpful guys I know on campus, apart from being one of my best friends. All the best!!

- Malav

Great person to hangout with. Assertive yet rational behavior blended with a 'natural' (ahemahem.) smile. Would have done slightly better had he considered my 'expert' advice :P. Best wishes for future!!!

- Salil

Gupta ji Namaste. Smartness seems to just ooze out of this guy. There is lots that I learnt from you. Be it chilling without bothering about anything to smartly handling tricky situations. Cheers to our hang outs, in house parties and hope there are many more to come. Thank you for being a memorable part of this journey of mine called MBA @GIM

- Avinash

Gupta,

You know exactly what I am thinking and what I am going to do at all times. And you would stop me with your "Don't even think about it!" look. For the numerous times when you kept me sane Thank you! There is nothing that you can't make right. Gossips, grinning, fights, secrets, it was like kindergarten again with you. I will miss all of this and more, and sadly for you I will not let you go coz u know too much 😊

-Neha Sharma

- Neha

Yaar...kya likhu tere liye ?? kaise summarize karu 4 lines mei ? You know how much I love you n adore you.. the very first friend in college.. the one in front of whom I can totally be myself and the one who would constantly listen to my never-ending issues n say -"Chhod naa Fatso , Chill Karr" . I will miss you a lot dude . I haven't come across someone as genuine , understanding , patient , helpful , n blah blah blah as you. Wish you the very best in life ! N Mind you , 27 pact is on !! 😊

- Shivani

Mr. President is extremely professional to work with, pure at heart, high on jugaad, articulate and witty with as uncanny resemblance to Vivek Oberoi. Bas, aur jhooth nahi bol sakta. I would really miss our time together whether it was bartending in Alumni Meets, writing mails, making trips, poking fun at you with Neha or just chillin. Tornado Trio will not be the same without you and Neha. Your playlists of Bappi Lahiri & old 1990's obscure MTV songs will haunt me for some time to come. Had Tata not offered you a PPO, I truly believe you would have been placed in Alumni Association. Highly recommend him for organizing impeccable weddings and parties. All the best in life and please forward my CV to the management. 😊

- Rahul

To start with he is not a typical delhiite(thank god 😊). This bugger is very good at conversation. A good sense of humour and extremely punctual. Really lucky to have him for 2 years around here. We have developed an awesome chemistry a sense of understanding as if we know each other rite from the bones. That deep you see 😊. He is one of those lifetime friend I ever had and I know all his deepest, darkest secrets both on and off campus 😊. To saale continue to be nice with me. Hehe. I'm glad I met you dude. I know u're gonna be very successful one day. I can go one and on and 5000 thousand words aren't enough so summing it up; If you are a girl and waiting for your Mr 'Nice Guy' then he is the man single and ready to mingle :P Love you Bhai !

- Onkar

Hello Mr. Roomie... I consider myself very lucky to have a very happening, smart, considerate and cool friend like you... Brushed up my Hindi skills by observing how you speak :P.. Never told you this! I shall always remember 1113 memories, the parties we had there and some random finance/operations tuitions you gave me... Cheers Bro.. :D

- Swapnil

Mohit, many of my best memories are associated with you. Be it the "shaky car drive", "Arambol tour" or "Dudhsagar trip", you have been the "Constant". You have always challenged me to become better. Your paradigm was so totally different from mine that it amazed me. I owe it to you for that. That is why I call you my "Guru". Hope you remember the "Piyush- Mohit scale" of class participation by Malav!! Thank you. My best wishes.

- Piyush

Mohit Bhai, bada maja aaya markstrat mein:P:PJokes apart. U are a nice guy and all d best for ur future. Stay in touch.

Khane ka time badalna padega lagta hai.

NOAH PEREIRA

Greek God Personified? Most girls go gaga over him!
The stud in SAC! 😊

Besides being the chocolate boy, one of the most approachable guys on campus. I always did look up to you for being so calm and level headed. Despite being your junior for a long 7 years, I never got to know you as much as in these last 2 years. Being in SAC, sharing the Badminton Court together, and best playing GoT theme together! These are memories that are gonna remain forever! Wish you good luck bro! Cheers!

- KP

Fantastic violinist, gr8 spokesperson with some stellar taste in music. The title of stud boy and selfie king will always belong to you bro (The fan following you have among the girls speaks for itself) :P. Will always cherish our balcony sessions, paintball and biking together. Looking forward to more to come in future.

- Ehrlich

From the SAC who would always find me to be my Friend for life.

With the humble beginnings of CSR to being the guy who would always watch out for me, Noah you are the sweetest and craziest idiot. Your altruistic nature, your horrible memory, and the crazy hairstyles - you are one of a kind Pereira! For always being patient with my stories and supporting me in all my stupidity, never judging and always caring. Love you for that Noah. Cannot imagine having completed my GIM journey without you always being around. Cheers to all the stories shared and the memories created; you will never fail to bring a smile (the toothy one) on my face. Never change the way you dance 😊 Big hug and Loads of Love! 💖

- Pallavi

The Good-looking boy on campus! You look all big but inside you are just a 5 year old kid who gets excited when he sees weird bugs, corals, crabs, frogs etc. You are an amazing musician - you and Kartik playing the violin together gives me the chills. Don't ever stop playing the violin - you are truly gifted. See you around

- Disha

to one of the nicestttt guy I have ever met, a guy with whom I can chat for longggg hours without getting bored, who would dance with us on bollywood numbers in spite of not understanding a single word! 😊
...some times you need to be a little less nice, less honest for your own good!

- Debanjana

Some people never change, and you are one of them.

The star gazing, the karaoke sessions in your room are some of the best times I've had. You've always been a genuine person. Stay that way and shine on my friend

- Pratik

The chilled out SAC. Always calm, collected and cheerful. Stay the same :)

Poha! You are an amazing musician and dancer. 😊 ('Noah's Step') as well as one of the most popular people (I won that bet hands down). You've also been great to work with.

Yeah we really should try ballroom! And you have amazing taste in music. (car music is always on you!) 😊

- Dianna

Sweetest Guy i know on campus (also absent minded :P) ! a Crazy kid who sticks to his values and is loyal to his friends! Stay in touch dude! Btw.. whereva u go, learn more about that place #psuedoGoan

- Jagtap

you have this royal prince charming appeal about you coupled with a gem of a personality...you are one of the most chilled out guys I have come across...
per-er-rer-er-aaaaa !:P , keep living the thug life my friend, love and respect always!

- Adin

Hey Ass...ur one amazing guy & im glad i met u..ur a perfect mix of crazy smart talented & sexy..ur dat one annoying 'singing all d time' friend every1 has :p iv had an amazing time evrytime iv bin around u be it group work class or new years night!! Stay sexy & crazy!!! ::*

- Christina

Be it the good looks, melodious voice or the height, you have it all. But the most endearing aspect of your personality is your inherent childlike innocence. You are a trustworthy person who genuinely helps people when they need it. It has been a privilege knowing you, Noah. Thank you and my best wishes.

- Piyush

Studboy of GIM! Noah, I think you are one of the most responsible SAC. Very helpful and upfront about everything. But apart from SAC and GIM, you're like a kid man! Crazy and fun to chill with! I think you will make a great career, wish you luck with that!

- Aditya

ONKAR HEGDE

Bhai... Sourav Ganguly look alike, epitome of swag! The attitude you carry is unique and amazing. These are some things that you can't write on the paper or describe them, you have to experience them. Just never let it go.

Party hard, enjoy fullest! And wish you all the best for your career. Keep in touch.

- Swapnil

One guy whom the people know that he exists but have probably never spoken to. Apart from a handful he has not interacted with much of them. But those few who know him very well know that he is a hilariously funny guy with the most apt punch lines ever. The Bhai to some of us, is actually a very jovial person once you get to know him (or rather when he gets to know you). ADB!! And stay blessed.

- Suprèet

The most quietest guy on campus I have met till now. A gunner to the heart and a great swimmer amongst the Profs disciples. The guy who has profound love for his pet dogs. Chances are most of us do not know the true person within him. Our go to fin guy for all fin related assignments. Listen to this guy at the GDs and you can gauge the kind of knowledge he possesses. Wish you all the best and speak your heart out everytime. That's enough to take you places. Stay in touch!

- Sujay

Bhaiiii..... I wont forget that 8-2 thrashing which u gave me... but surely I will take revenge of that match.... Besides that u r very humble and sincere guy in GIM..... love ur 'don't give a f**k' attitude... don't change ur nature bhai..... best luck for future and tc.....

- Suhas

One of the most quietest and calm person I ever met, Onkar you loved keeping it to yourself. I got to know more about you in the second year. I believe you are an enigma waiting to explode. Had fun on trips with you and playing Road Rash. Wishing for your great career ahead.

- Ashish

One of the silent friends of mine. No matter what the situation is you always stay calm and stand still, helping others when and where required. Wishing you best of luck in your carrier.

- Abhishek

Dogtor Onkwho, the GIMs man of mystery. You should get an award for keeping low profile. You would possibly qualify as the guy people have heard of, but never seen. Anyways, you had a great timing for your punchlines that used to come once in a blue moon. But boy were they funny when they did come out. I'll never forget those funny outings we had with the gang. Although a laconic speaker, you knew exactly when to strike. Also, your deep knowledge on a certain other 'subject' I'm sure you know what I'm referring to 😊. Wishing you all the best for future!!!

Onkar! one of my best and oldest friends. The quietest guy in entire GIM(maybe even Sanquelim) Onkar is someone who believes in maximum impact with fewest words! And that is what I like about you. Also a great practitioner of Yoga. Sometimes practices it multiple times a day! I hope it helps your health so that we can continue to be close friends for much longer!!

- Annirudha

The quietest guy of GIM.. Onkar "Dogtor" Hegde. known him since our engineering time but have started speaking wen we met in GIM. staying on the same floor together built our friendship. you spend a lot of time on ur mobile playing games that u miss the important things going around you. start speaking bro. i know u kill everybody with your points during a GD i got to admire that still... and i will meet u too in mumbai... hoping to learn some accounting and finance stuff over there from you coz i will need some..cu forward.. cheers to great times ahead !!

- AM AY

Pallavi Pandian

Till I had not known you, you were that smart, sorted and mature person to me..but then I got to know you (I mean you are still those 😊) and I met the girl for whom moderate word doesn't exist..for you everything is extreme! luckily I (mostly 😊) saw the extreme caring side of yours..thanks for helping me every time I injured myself, thanks for the times when I have had doubts about everything and you listened patiently, thanks for being there for me always...love you loads 💖

- Debanjana

I met a Crazy, Emotional and a Caring friend Term 1! Since then I have had an amazing time with you, be it in our CSR outings, Selfie Group plans, assignments, and the list goes on! Hope u become the best HR in town! #LoveYou Always

- Jagtap

The most awesomest friend I could ever dream of. You are one crazy woman, ferocious, hard working, determined and spontaneous & fun-loving as well. We met each other on the first day of college (remember CSR?), but it seems like I've known you all along, from another time of another life maybe. The insane stuff we have done together, with like-minded idiots like ourselves, will forever be imprinted in my memories of GIM. You have been my go-to-girl for anything and everything right from the start. I know I don't need to worry about you, cause you're the most responsible 'Adult' out there. Oh, btw, when space travel does become a reality, first destination: Orion. Thanks for always being there, sis 😊

- Noah

Superwoman, You are truly an example of "appearances are deceptive". Under the tough, rock hard exterior, I found a heart so kind and gentle. You are the first person to be seen helping people in sickness, caring for them. A friend who no matter what, wont leave your side, wont leave you alone. Loads of love to u swthrt 😊

- Neha

Pallavi - I didn't know you much in the first year but as I came to know you over the period of time, I must say, I find you highly energetic and dedicated to your work and commitments. You are one of the most hard working people I have seen on this campus. Keep up the good work and be the way you are. Best wishes for your future. 😊

- Vinisha

I like ur dedication to work and find you always high on energy. I am glad v were together during our hard times on campus which means a lot to me. I am really happy for u and wish to keep in touch beyond the walls of GIM.Keep smiling :)

- Sushma

Pandian, one of the craziest, talkative, effervescent not to mention hard working and munchy gobbling person I know. And with your partner in crime, you'll be just unstoppable and I hope you'll continue to be so. And be certain my manager will call your secretary to give you those free passes. Peace out

- Zaid

You're one of the most energetic, vivacious people I've ever met and I admire that because I'll probably never hit that level. Thank you for supplying those cookies from time to time, among many other things. 😊 Hope you achieve all the success you deserve. Meanwhile, keep inspiring us sloths. My elbow will miss you. 😊

- Sannidha

Yo miss Pandian, One of the most mature and sensible individuals on Campus. You are truly a very sorted person in the head and career wise though can be erratic at times :p Shaadi mein dekh zaroor bulana and remember HR rocks yaa Toh Novartis mein zaroor mujhe job dena!!! 😊 All the best v d everything

- Furkan

Enjoying in Chennai, is that ever possible? The Chennai te girl Pallavi said yes 😊. The two and half months of internship were really awesome with this iPhone girl. Getting to know so many local places and you also helped me a lot in making new friends 😊. Go HR

- Rohit

This girl is a complete bomb of energy! You've even made Chennai not so blue for a then unknown small town Goan girl like me. I only got thru the sambar infused meals because of ur pretty face besides me, always trying to peep into my work all the time 😊 You have a big heart pallavi. Stay the same always 😊

Piyush

Not sure as to why I'm writing this Piyush, but I'm dead sure that I won't come across any other person even faintly similar to what you are. Your sense of ethics, values, morals and duties has enough torque to climb even the steepest of the Greek Gods' homes in the mountains. The world would be a better place if it practiced what you preached in the right amount & sense. Wish you all the best in life!

- Keegan

Dear FRIEND, I have not witnessed a person with an attitude as positive as yours. Your ability to get well with almost everyone is something which I admire and wish to inculcate. The GIM journey with you was FANTASTIC. All the best!! And learn to laugh without choking, it'll do you some good!

- Malav

The FANTASTIC "friends of friends" ,no doubt u completely justify this title. So much memories with you ,from working in groups to the terrible(fic) presentations. Keep rocking and be the same annoying person you are for ever. 😊

- Mohit

Friends, Friends everywhere...Everyone is either his Good Friend or Very Good Friend or not so good Friend or door ke friend or paas ke friend or etc etc etc , but some sort of friend..Most distinct personality in the college. All the best for future!!!!

- Salil

man..you are one reason why i believe classrooms in MBA should have diversity..you provide vision and insights which most often stump people and add to learning experience. Most importantly you are a good person. Stay the way you are. Respect :)

- Adin

Piyush,
U r the most ideal person till now I have seen in my life. Although this world doesn't accommodate this but I must say, u really stick to ur principles. u r very good at heart and wish everybody's good and so does I wish for u :) Cheers

- Ayush

Piyush bhai, you are very enthusiastic and committed individual. Be it studies or co-curricular activities, your presence was felt everywhere. There are no words to describe your commitment to studies at GIM. You are very humble and down-to-earth person. Thanks for teaching me economics and stats in the first term. I had fun playing tennis with you. Will remember time spent with you forever. Do stay in touch, all the best for your career ahead.

- Ashish

I admire how you aren't perturbed or disconcerted even when you know there are people against you, and how you always find an opportunity to learn from almost everybody. I wish you luck and success. Also, section B is the best! *star star*

- Sannidhi Vyas

Piyush! Love your passion and enthusiasm for EVERYTHING. Always appreciated your will to take on responsibilities and your sweetness. Looking forward to you being the President someday!

You are definitely one of the very sweet persons on campus. Always ready to help and take the burden of the class on himself. You have been a wonderful CR and very good friend. Thanks for all the help and all the best.

- Supreet

Piyush, Thanks for always being a dear friend. U have always worked selflessly for the entire batch and specially Section B. Hope you get everything in life and wish u a very bright future.
P.S Shaddi karlo.. Time khatam ho jayega warna:P:P

- Amrit

A person with this mammoth passion to learn, teach and help others - even if it meant getting ridiculed in class. Your possess qualities that are almost extinct in humans today :) . Glad to have crossed paths Piyush. I pray that you land up as a professor someday cause I know you will be brilliant at it! Peace :)

My 2 am friend :-) It's going to be difficult to sum it
all up in just 3 lines. I am glad to have met you in
my GIM journey. Be it those endless VMZBIZ
meetings, never ending midnight chats or those
countless outings. Pooja, you are one of the most
genuine persons I have ever known and I have been
very lucky to have you as a friend :-)

- Shonit

my very first friend of this college...the very first
person in this campus on whom I could bank on..
with time we may have moved ahead in our own
paths.. but I will always remember you as a friend in
whom I saw a younger sister..god bless

- Debanjana

Roll No 2014100. Meri classroom neighbour, selfie
partner and no-alcohol partner... Ill always
remember those crazy times we had during those
lectures, our photo sessions during the term parties,
the love for photos that we share, and your " Chalo
na kahi coffee peene chalte hai" Stay Blessed and
never grow up :P
Love,
Pooja Jagtap

- Jagtap

To the kid who made it to a management institute
probably saying, "Chalo na bahar chalte hain!"
Your innocence and sweet nature has always awed
me. From being the sweet shy girl to kicking asses as
a Meccan.
Hoping you make it big in life and always carry your
sweet smile. Love of Love and God bless 🍀

- Pallavi

Boy, this girl has changed faster than evolution itself!
Right from Day 1, where you were that silent little
girl, lost in her own little world, to now, where you're
on top of your Game, taking charge of situations and
knowing what you want in life. I'm proud of you
Dasot 🍀. The Selfie Group has taught you well.
You are cool in your own way, so keep rocking

- Noah

Memsahib, no matter how much I tease you, for
dragging our asses to different parts of Goa during
internship, but it was all quite an experience! All
thanks to you! Kit na ghoomna hota hai tujhe, hadd
hai matlab!!! You are truly an amazing person and
an awesome company to have! 🍀🍀

- Harjas

Ararara!! The thing I will miss the most doing with
you is to imitate shonit. You were partner in crime to
imitate him. LOL. It was fun doing all that. I will
definitely miss that. It was nice knowing you. Keep
smiling. Stay Awesome!

- Pushkaraj

My Ribander roomie! Well, somehow we survived
those difficult times with the creaking fan, horrible
doors, dusty rooms.. it can go on. It was fun having u
as a roomie, unfortunately I couldn't take u out for
coffee as much as u wanted :P but hey, we found
some good veg places to eat and u got to French
Onion Soup :P Memsaab, keep smiling and take
carer of urself. PS: Mind the gaps :)

- Mbhta

Eating without clicking food pics is a crime in front of her. The girl who is always ready for an outing! Keep this exuberance alive! Wish you good luck! Cheers!

- Prathamesh

Good things come in small packages and you proved it right: FINANCE major hoon FINANCE!!! Don't take her lightly nahi toh facebook pe le legi. An ardent oldie-SRK fan thanks for putting up with my craziness JACKSON. Desperately waiting for the Big Fat Indian wedding in Udaipur Ting!

- Arushi

Jaggy! Chotta packet Bada Dhamaka. Could not have found a better way to describe you. For the girl whose determined, sorted and absolutely crazy sweet, the times we have shared from CSR to Selfie group are amongst my favorites at GIM. All the late night study or the long story sharing sessions you will always be the sweetest lil girl I know. Hoping you make it big in life and continue to be the jumping jack. Love you Jaggy 😊

- Pallavi

#Photo #Testimonial..See i started my testimonial for with a hashtag!!I will miss a foodie and photography freak in you, Dandeli trip with you was the best time where we enjoyed a lot. Thank you for everything. Keep smiling and stay awesome! :-D

- Pushkaraj

Dear jaggy, whenever you feel low, you know i will come pick u up(literally). It was fun hanging out with you, thanks for everything! Things i picked up from you and am not thankful for - 'haan naaa', "Sunn naaaa" "seriouslyyyyy" Chyoumu. will miss you! stay in touch!

- Varun

You are the most fun loving, hop-skip-and-jumping, enthusiastic kiddo (yes! 😊) I have met and you totally rock that attitude 😊. You've managed to keep the playful child within you alive, and she has made all of our days here in GIM sunny and fun. I hope you never change, cause you're great as is. We have trained you well as a Co-Ordinator (who takes excellent Selfies as a side interest), so I know you are gonna kick ass in the future. Cheers Jaggy

- Noah

Jaggygy, you are as sweet as jaggery! (I know thoda zyada cheesy hogaya, but I thought you are a SRK fan, so you will appreciate the cheesiness 😊) An avid photographer, zomato loyalist, hashtag expert and one of the most sensible person at GIM! 😊

- Harjas

Somehow the first thing that comes to mind is SRK and fighting for finances during Samridhhi 😊. Have always admired the determination you have to get things done and not giving up on stuff. It's been a great 2 years. Stay in touch.

- Asiel

Jaggy aka Jackson aka Jagtap. Despite the fact you are a diehard SRK fan I still have a lot of respect for you 😊. And If there was a world selfie foundation who would be its president?? Oh yes our very own Jagtap 😊. Jaggy you are an awesome person and thanks for making my time at GIM so memorable its been a good 2 years. Hope you get all the success in life 😊

- Shonit

right amount of seriousness and exactly right amount of fun...I look at you and wonder how sorted a person can be! you are doing greattttt....so just be like this and keep rocking!!

- Furkan

There was this girl who was a very big fan of Shah Rukh Khan. She joined a college called GIM and got selected in a club called Samridhhi, and I forgot to mention she was a Finance Major. The club had a guy hulk and a lady Hulk in the form of her, if she is in full form. She fought a lot but was even more funnier. Hardwork king, and cheerful, times passed by, years went by...Now She is working in JP Morgan as a Financial Analyst...Wish you all success in your career

- Hareesh

Pooja Jagtap

My first friend and the closest one as well! Words will never be enuf to express fully how crucial you have been to my life for the past 2years. Same intial sections, same floor, pseudo- roomates, Samridhhi team mates, bakar mates, jo tera hai woh mera, random plans, life problems, fights and make-ups. Lots of love you :-* #MichealJackson4LIFE #selfmadenickname

- Mohita

Masti kame mein number one ladki. Please try to keep your room clean. And include me in your plans in the future. Will always remember our spontaneous trips and drives. Fellow lioness :D :D

POOJA SAKHARDANDE

Got to know you better in second year. I still don't know where Bahrain is. 😊😊 Dedicated Finance Student (you will always find her learning something from faculty), its always great spending time with you. Stay blessed!

- Khayal

Sugarstick (as we called u in PCCE), I never thought our friendship would extend after PCCE to GIM and its 6 years now. I will miss the chats we had about PCCE (flashback) and GIM in GIM. Keep smiling and Stay Happy 🥳

- Gayatri

We've known each other a few months only but we've had some good times. U really don't have to know people for long to have them as friends. Being bossy and misunderstood are traits we share. Remember never to become small for people who refuse to grow!! Luv. Pra~titi

- Pratiti

Pranam... I know, we had very little conversation in last 2 years... but I have huge respect for u for kind of attitude u have... don't change it... very few people have such attitude... best luck for future and tc....

- Suhas

Rich-Crazy-Arab. One who can go for a walk at midnight, please realize that it can be scary for others who may see you then! :P

I think you're a really sweet person. You are too rigid with your constraints, maybe you can relax them a bit. Party with friends sometimes, go out, have fun, enjoy life! All the very best for future. Keep in touch.

- Swapnil

Pooja, you have managed to retain "Goan values" even though you were brought up in Bahrain. You are energetic and disciplined which will help you well in life. Thank you for all the help. My best wishes

- Piyush

Thank you and All the best.

- Parasurampuram

Arey yaar...i would seriously miss those Wipro days. Thank u for walking miles with me just to eat pav bhaji or dosa..even when i was not sure of going, u never said no to me. Rahul - One of the most funniest person I came across in this campus. If you are sad, you just have to listen to him for few minutes and you will be laughing like anything. It's not easy to make people laugh, its the best thing you can do for a person and you do it so easily. Hope you get what you want in life...best wishes for your future and stay the way you are :)

Rahul, being neighbours we have shared both joys and sorrows. You have been a constant source of support for me. Your unique way of looking at things has amazed me many times. I believe you can do wonders if you indulge your creative mind. My best wishes

Abey Yaar!! But-uh, I will-uh remember-uh you the person with the weirdest-uh PJs! At least you raised the bar after a short dip in the second year. May you -make your career in IR and then grill candidates :P

Your tortoise jokes 'shell' never get old, even though you'll be the only one laughing at those. 'Jara' aur level badha le apne jokes ka then maybe others will join in. 😊 Joxx aside, hope you become a successful HR person (and then shower some blessings on us). All those CSR trips and group assignments have been really memorable. Tarakki karo. And never forget to laugh the way you do.

P.S. Thank you for returning that pouch after one whole year.

- Sannidhi

Complete copy of Vir Das, only his jokes are a bit better :P The guy with the wackiest of ideas which I grew to admire. Will cherish the PM moments.. Stay fun-loving always. Cheers :)

You are one of a kind, Rahul! CSR was fun cos of you.. Nobody can beat you at a conversation, what with those temble jokes and sarcasm.. But then that is what completes you and makes the wonderful person that you are. Took me a while to see the caring and emotional side of you underneath the ever jolly carefree person. Stay the same always. 😊

And after months of silence I realized that we can not only be great friends but good strangers too...this is the reason why there is nothing in the world that can break the bond and understanding that we share. You try to cover it under your "backchodi" but somewhere inside you are a sensible and an emotional soul. From parties to beaches to our hours long conversations..things would never have been same without you Rajeev. You don't have an option but to stay in touch.. 😊 ...Shruti

For the guy who propagated "Poora Cheel Maar Diye Ho", I would like to say you were the speaker of our famous H5 GF.... Kind of a uniter who did hold all the strings together...But above that, a great human being and a good friend... 😊

Bas Infy salamet rahe tumahre kehar se... 😊

Well, if there's one thing I will always be thankful for about GIM it will be that I met you here. You have not only been an epic friend but also taught me so much about the little things in life. Will forever be grateful to you for helping me get a new perspective on so many things including something as trivial as my taste in music. Thanks for sticking by me even when I kept messing up although in hindsight you could have been less rude about it. Thanks for everything actually! I really wish you get all the happiness you deserve and well someone like you deserves the best. Needless to say, will miss you. A lot.

- Adrija

Shukla! This one's for all the good times. Good friend wagara comes later, but you were definitely good company. Conversations with you have always been engaging. I will never forget those 'Guess the song' competitions and how you were delighted and not-so-happy at the same time, because someone else knew those too. 😊 Be it late night assignments, summer internship woes or just plain chilling; it has been super-fun. You are one of those very few people I know, who can use the semicolon correctly. \m/ Cheers to our shared love for stuff ranging from Imaan to Rahman. All the best brother.

- Shweta

Someone whose reputation preceded him. 😊 Saeesh is absolutely one-of-a-kind, literally! If ever I have missed my engineering days and wanted to get that same feeling, all I had to do was open my door and walk over to the next room! Saeesh is an unbelievably brainy guy, grasps things extremely quickly but loves chilling so much that he sometimes forgets that he has these qualities too & his phone too, at times 😊

It was a delight knowing you dude! Cheers to the good times we had and for the ones yet to come cause, BANGALORE is COMING!!.. Chill scenes await! 😊

- Shaunak

One of the most innocent fellow I've met. Heart of gold... Never feel alone, whenever u need someone, remember I am just a call away!!!

Saeesh!!

Awesome guy you are. Will make a point to meet you whenever I visit Goa.

That depends, cuz you want to stay out of Goa and settle in Mumbai....Anyways.....yea.....:D

- Rahul

The LIMBO guy who believes in himself and in his facts. You have always enlightened us with your facts and analytical skills. You have proved us that smart working is always better than hardworking. Hope you become a Investment banker one day.

- Abhishek

Laidback and easy going although actually is a very sharp and smart fellow (ull know this once u get to know him). Will always remember him for his timing sense. (used to always go to canteen five min before class for lunch or breakfast). Made the trips we had memorable. Thanks and ADB.

- Supreet

One of the most confused people I have ever seen in life. He is always lost in his own world whenever you meet him. But he has got a really big heart accompanied with innocence which makes him a really gem of a person. Will miss all the intriguing stuffs we did in the first year when we were roomies.

- Paritosh

The guy who is always in limbo. Although has the looks of a kid, make no mistake about his smartness. All the trips and outings were so much fun and crazy. Will never forget those memories. The guy who would be at the Dada bar every alternate day for his love of fish. One thing I am always gonna wonder is how a guy could manage to have lunch at 220 and reach on time for a 230 class that too every time. Only the true coolp stuff. Hope you have a great future ahead... Keep in touch!!!

SANNIDHI VYAS

Kachua.

Well, it's time to show some roomie love! You have done an awesome job in handling a single spoilt child who left home for the first time and probably did not plan to adjust much. Though I am the older one here, but you did everything that I should have done probably. Right from handling my mood swings, health issues, emotional turbulence (:D) you have done it all. Anyway, enough of PDA, I guess. I don't want to make you feel awkward. :D Hope your dream of arranged marriage get fulfilled :D, hope we get to travel to all the Zostel locations together, hope you get to eat chicken by mistake (at least) and fall in love with it.

Okay, now stop blushing. Please? It's okay. I know you never expected so much love from me. :D

- Dipanjali

A very friendly person, a fellow guju, and someone whose sense of humor is very similar to me. All the best!! Faad ke Cheer do!!

- Malav

You're one of the most intelligent (& interesting) conversation makers I've met in my life. Swag ki alag paribhasha hai tu par thoda swag kam karle :P Won't forget the group works, the CSR visits, those bakchod conversations I've had with you. My 1st year at GIM would never have been the same without you. Operations aur MR ke liye pyaar barkaraar rakhna. Grammar Nazis forever! \m/

- Rohan

Sannidhi isn't quiet. She is loud and amiable and lets us eat ALL her food. :D She is the best non-morning person I know and because of her I don't feel so guilty about sleeping in till 11am. :D She is usually the control variable when everybody is going crazy. She has the stock of the most dehaati music you can imagine! But she never draws back from a challenge and loves hanging out. I really appreciate that she participates in all the fun without abandoning her beliefs. Though it would be nice if she takes our advice atleast once in a while :D Hehehehehe.. Well Sannidhi, to all the good times and not-so-good ones. I'm really glad you are around. *

- Sheena

A companion, a confidant, an advisor and a bindass personality who is always high even without booz...:D. As your name describes Sannidhi meaning "nearness", I can hear you from anywhere in the campus...I even recognize you by your footsteps while walking in the corridor. A person with full of positive energy in herself that she brings it everywhere she goes. The unconditional love that you have for everyone makes you truly special.

You are like a magic pill which bids farewell to my sorrows and welcomes happiness in my life every day. be it the hours long conversations over old hindi songs or a head massage listening about your unique attitude towards life...The day just feels incomplete if I don't hear you or see you around.

I laugh a little harder, cry a little less and smile a lot more...just because you do the same.

- Shreya

I still remember the first day we met and kya toh soche the tu kaisi weird si hogi, but you changed all that and how! One of the coolest and drama free chicks I have met. Thanks for being a good friend and rising to the occasion whenever I have needed it with kickass advice. Also, thanks for refining my taste in music and indulging me when the occasional Justin Beiber or Selena Gomez craze hits me! I would say never change and all that but knowing you, you wont. Stay in touch though! Was a good 2 years with you.

P.S.: Year kuch toh kar please! Please yaar! Its high time! 😊

P.P.S.: Grammatical errors ho toh maaf kar dena! mere mortal here.

- Adrija

Yaar i just love your carefree attitude!! Anybody can make a "Sannidhi+x" team and they know you can handle it akele hi faadu dhang se. brainy and happy-go-lucky girl. I am always ready for any number of trips with you! Love you babes :)

Tujhe college ke pehle se jaanta tha..hum ache dost hain..humesha ek dusre ke liye hain..lekin ek baar bhi bahar nahi gaye saath mein..strange -- you are always confused and you try to do multiple things at the same time..stop! see whats important and whats not..and then proceed accordingly..sab kuch karne ki zaroorat nahi..sabko khush karne ki zaroorat nahi..do what is important to you not to others..log toh bolte rahenge..you are a really nice person..dont change..come what may..good bye for now..take care madam! all the best..stay in touch :)

- Rahul Sharma

One of the most sweetest people on campus! It was amazing to know you Shivani.. I really hope you achieve all the success in your life.. Kahin FMCG mein inshallah mulaqaat hogi ;)

- Rohan

To begin with she has a network of little birds around. So if you want to know latest happenings on campus she is the one 😊 . Jokes apart, Shivani is that one friend who everyone longs for. I never realized a short exchange of Hies and Hellos would blossom into such a good friendship. She has this buzzing aura about her, which stands her apart from the rest. Her interests and passions are as different as she is. So all you guys out there get down to some serious business 😊 A girl with full of life always animated. A girl with a midas touch. Shivani Juneja 😊

- Onkar

Aeee Shivani :) You are just amazing. You are carefree and diligent at the same time. I just

Shreet Das

- Rajeev

Hi Sheet,

Your one of the most genuine persons I've ever met. Very glad to see you in good health now. Take care and Keep smiling!!

- Siddhi

I know u since first year bhai (after some incident on 1st floor of H2;)) you have been always giving me respect and taking respect from me too. I know where u come from.. so we share similar attitude towards life.. I know ur a great soul inside and would do great in your career.. stay in touch bro.

- Satbir

Shreet Das...what do I call you..a child, a true friend, an always sleepy beauty in class, a partner in all the masti that we had or a little brother who is only 6 months younger to me but treats me as his MUMMY. One year in CR17 would not have been same without our triplet of 114-115-116.

A super emotional person who annoys the hell out of me but without whom I cannot imagine my life in GIM.

Thank you for always being my punching bag, listening to my endless rants but still supporting me at all times. We are truly Best Friends Forever because I can't remember when our friendship began and I know it will never end... MUMMY,

- Shruti

SHRUTI SHRIVASTAVA

Aww.. My baby and one of my favorite people! Shruti's badass and you know it. She always listen even if she doesn't agree with it and can make the most amazing tea. After hours and hours of countless conversations, laughs, sarcastic comments, chits passed during exams, endless cups of tea, maggi, random roaming around and a few fights, I can honestly not live without this woman any longer! She has a positive outlook on things and loves to experience new stuff. Has a deep spot for ghazals and listen to DJ wale babu with the same fervor. Can dance up a storm and live with a joie-de-vivre. I told you, One of my favorite people! :*

- Sheena

You're the person that makes H3 feel like home! The fact that almost everyone comes to chill in your room after class bears testimony to that! Always be the open and warm hearted person that you are. Wish you all the very best in life! Keep in touch! :)

- Shreya

5000 characters are too less to write about you. I don't know what I would have done without you, your room, your chaknas, hair drier, your towel :D. I can go on and on about you. Life in GIM couldn't have been this wonderful without and the sudden plans we made, our gossip sessions. You are like a habit I go to your room straight after coming back from class, I can just go to your room and sleep lazily while you make coffee for us. There are friends and again there are friends, with whom you do not need to think before opening your mouth, you do not need to think before asking for anything. I think that is called closeness and that's a precious treasure I am going to take with me from GIM. The testimonial looks very link less maybe, but I know you will understand we have too much to write down. Contact chod ne ka koshish bhi mat karna, bohrot marungi! :*

- Dipanjali

Hello neighbour ! Be it CR17, H1 or H3; you've always been close by, and not just in terms of distance. I cannot thank you enough for all those times you've offered to make tea on those lazy days. I have always been pleasantly surprised at how patiently you've listened to (and even participated in) the California waali bakwaas. 😊 I will always remember the moments when you were all surprised at the song I was humming/playing. You have no idea how good it felt for someone else to love those as much as I do. From the smallest things like lazing around in your room for hours, to big fat outings; everything has been memorable.

Last but definitely not the least. Jagjit Singh. Two heart emoticons. One yours, one mine.

- Sannidhi

Your help and friendship got me thru a lot during Bangalore days. From the food to evening vellapanti...Thank you for being there !!
All the best for your future...Keep smiling and stay in touch :-)

Calling u just a friend would be an understatement to say the least. Shruti Shrivastava aka motu you have been my support , my guide , an elder sister a person who stood by me always and a person who believed in me when even I didn't believe in myself . I am very grateful to GIM that I met you here and spent beautiful 2 years together, be it the outings or the late night parties, the scolding, the assignment work, last minute preparation and sharing of secrets. The things that you have done for me and what you mean to me cannot be expressed in words. Would love to keep this friendship going even after we leave this awesome place and get busy with our own lives. STAY HAPPY AND BLESSED MY DEAR FRIEND 😊 Already Missing you ..

- Shreet

You've been one of my best friends out here and I hope its here to stay to for a long time. Many memories seem like moments of a bygone era now. There's a pause and there's a full stop, don't let that full stop ever come. Thanks for making this a better place for me, Shruti.

Cheers to life and the journey that awaits us all.
Rajeev :)

Honesty and sincerity are two of Shweta's assets. Her strengths are her patience and listening skills paired with her sense of humor and a touch of class. She will join you for a hearty laugh and shed a tear with you any time of day. Her word is good, no exception. And she has a great smile. Her circle of friends is special; to be selected or embedded in the circle is an honor. Entertaining and funny, serious and compassionate.

Soch kar hi ankhone mein aansu aa jate hain. Bohot gazab launde ho tum Swappy! Just stop taking things seriously, stop analysing stuff, stop thinking so much. Stay happy as a dog!
PS- I will always be there when you need me.

- Vinod

Sometimes you know you have a good friend when you can connect with that person immediately. You are the reason why the last few months of college have the best times, and wishing that we had become friends sooner. Will miss the long discussions and yes, your science lessons. Hope to continue this friendship in the future. Stay Awesome!!!

- Pratik

Swappy..

When I think of you all the SCOPES parties come back to life. The things you said were always intriguing and out-of-worldly. Science. Energy. Destiny. Philosophy. You were always that unique person with a scientist mind. It left me in awe, how you could put numbers and calculations in to "global" marketing assignments. Above all that though, you were the brother I never had. I'll surely miss you 😊 Stay in touch!

- Kinnari

Swapnil Bro, the one who actually made me sing on campus. (Do I sound wrong? not exactly, it's bro code !!) An amazingly talented person that I have come across on campus, I hope your book does well, Wishing you all the very best for a lovely career !!!

A person who is in search of enlightenment. Who passionately writes and plays the guitar. Very much an introvert. You are someone who has chosen his path and sticks to it. I admire that trait very much. Wishing you best in life Swapnil, We've had good times :)

- Sheena

One would see a very quiet and simple guy on the outside but get talking to him and you will know that he is filled with so many insightful thoughts and ideas. He writes music, blogs and has even written a novel! Glad to have met you :)

- Alqie

Swappy the king of numbers, patience and more numbers! Through the times that we shared together, it's always been smiles and more smiles. Your perseverance is like a sledgehammer that continues to beat down obstacles until it's championed over them. Never let that slip away. Great musician and comedian too!

- Keegan

Swappy, I am gonna miss you drunk talks at SCOPES parties. You were the architect of everything we did at SCOPES! You are honest, down to earth, straight-forward and easy to talk to! I always enjoy your company and look up to you for your trippy advice and suggestions. One of the most talented guy on the campus- you play the freaking guitar, sing melancholic songs, wrote a damn book (sorry couldn't help with that), do standup comedy, don't forget the awesome pictures you take of us and much more; you did all this while doing your MBA! Hats-off brother! Stay the same. Keep in touch, cheers!

- Harjas

Paranjape!! It's been hell of a ride! I will always remember you as the person who wears his heart on his sleeve - I wish I had that much courage sometimes. Your sincerity in Ops is unparalleled. And do keep posing HR dilemmas for me, like you have done in the past year.

- Melav

Swapnil!!! I really wish I had met you a couple of years back. someone as similar as a taste in music as mine.

One of the finest and passionate musicians I've come across in my life. Music & Writing is something I don't want to see you giving up, ever. Will be looking forward to reading your book soon! Cheers! 🍷

- Rohan

Extremely hardworking and creative! Love your singing bro! You got me addicted to Raabta. Wish you great success! Keep in touch!

TASNEEM ATTARWALA

Ah, I never thought I would write this for you, kyuki tere jaane ka kabhi socha hi nahi! Since Day 1 at GIM, there is no day we have not ate each others brains! Last 18 months with you here, we have laughed together, cried, drank, got wasted and what not! This space is too less to define what level person you are and what you mean to me. You know me the most in this campus, your friendly advises, your mommy-like scoldings, your funny & not-so funny jokes, your laughter, your singing, your crying- your every expression is worth a billion. I cant even think of GIM without you. Teri b'day ki green-apple se le k mojito, 1108 k dance se le k 5101 k gaane, hum dono k bakar question-answers se le k lambi bike-rides. its just an epic start to a classic friendship! We make a killer-duo, lets not loose this! Lots n lots of love, you can count on me till my last breath!

RS- I cried writing this, now you can die in peace. :P

- Harmanpreet

You are one person who can find out in just a glimpse if there's anything wrong with me. Always there to cheer up and ask if everything's fine. You are my most favourite pillion and I will definitely miss our long bike rides, longer talks, you eating my head and a lot more. Every moment spent with you will be cherished forever baby. You are an angel in disguise for me and you deserve anything on earth. Love you, together forever :D

- Jatin

Tas... you were the first person I really connected to in GIM. We did a lot of girly talks minus the girly drama 😊. We have been through ups and downs, but I'm glad we stuck through it. You have always considered you to be one of my closest friends. Though the time we spent together has reduced over time, you will always remain a dear person to me. Stay in touch irrespective of where are careers and lives take us. DO NOT give me a chance to miss you! Lots of love! :-* <3

- Ayush

Young at heart & yet so mature, anxious on the inside yet smiles for sure.. Naughty sometimes yet always wise, lives her life 'Queen' size..

A darling soul & foe to none, she's beauty & brains all in 1..

I can only dream about being so balanced 🍷. U are an inspiration..Stay blessed & keep in touch..

Varun Sharma

Varun!!! Whenever I would get lonely I would come running to your room (which is 10 meters away :P) I will miss that man... you are one of the weirdest people I know but so loving and genuine... You listen to all these weird songs and I relate so much to that :P. You are a lot of fun to be with, a very carefree person. All the best Varun... P.s Please wear proper pants when you go out...:P

- Mark

Varun! Such a child in an adult body. And can make the lamest jokes sound funny. Avid music listener and watches a zillion movies. Did I mention star scrabble player?? Dog lover, creative soul, quiz lover etc. etc. Also scratches his beard like a monkey all the time. Mumbai and BOL mate, those were amazing times! Internship was a laugh riot! Stay the same Varun :)

- Sheena

Kisi din main college ke bahar kisi ko chomu bulaunga and then I would have to explain to them who Varun Sharma is. Don't grow up (ok, maybe grow up a little) and stay happy. Potty kar le ab.

- Mohit

Shamaji, your crib was phenomenally homely and welcoming. As is your nature and outta this world sense of humour. Through the CSR activities, the competitions (The ups and downs :)), through classes and more fun stuff, it's only lead to more bonds being strengthened. Continue your assault on this world with your rib-tickling creativity, kindness and care. The world needs more people like you 😊.

P.s. Say hi to your pseudo-pet, afternoon siesta loving, winged visitor for me

- Keegan

"prachi, matt kar", "prachi matt yaaar", "chaped khayegi?", "maine Mard hoon, dawai nai lagaunga", "This is no prachi zone", "mere phone se door reh, tod degi", "I DONT CARE!bleh..so much more.These are the only words you use with me. Besides the potty stuff ofcourse! Stay in touch!

- Prachi

Varun!!

It's been such a pleasure knowing you! You are one of the most stable headed people I've come across here. Your ability to make everyone laugh with your witty sense of humour (read sometimes super lame jokes) is what makes you so much fun to chill with! Even though our views on dogs are quite extreme, I hope you're always surrounded by them (when I'm not around of course)! :P

Wish you the very best in life! Keep in touch!

- Shreya

Dadduuuuu, from giving you a crappy name to introducing you to all possible bad habits, I did it all, and still you chose to be my friend. (Loser!) I haven't frankly met anyone as adjusting, funny, retarded, crazy and yet extremely sweet as you. You're one of the few people here who knows me pretty well, and still does a good job at hiding all the negatives and that's what probably makes you one of my favourite people here. I know you will continue to smile and goof around, and I also know you will do a good job at staying in touch and updating me about whatever crap is going on in your life from time to time. From me trying to play basketball, to you trying to dance, and to us for carrying out crazy bets, goofing around etc. etc., we have done it all. I am quite happy I found you here, and I glad we became pretty awesome friends right at the start. Hoping that there is much more crazy for the both of us around the corner. Cheers!

- Pallavi

The coolest on campus. Witty, smart and funny. Full of ideas. Had a great time working with you. All the best, keep in touch.

- Swapnil

Varun man! We should've met in the first year itself am sure we would've chilled more. Anyways was great to have u as a floormate and I also feel we need to get to know the real Varun 😊. All the best man! You have one more month be nice to me PS: Dont like your beard man, shave it off!

- Mark

Seriously colour co-ordination? That's the thing I'll remember about you..so much aww! And besides that off course the show! Always being the flag bearers of RT :P and you trying to use all a lot! Cheers to all the RT parties (very few) and you being you! Will miss your idiosyncrasies!

- Satwika

They say imitation is the sincerest form of flattery. bhai WCCLG ke interview ke end me puchha tha tera, maine bola "sir, jitni bakar kari sab usiki sikhai hui hai!" as expected to andar jaake potty kiya but no worries, you are among the few people who understand me but more importantly i'm the only living person who understands all your shitty jokes. It has been a lot of fun and always will be. PS- U r a shitty poet, stop already.

- Kshitij

vrooon. Pagal ladka. lectures were soo much fun with you around. Hiding bags, chappals & mobile phones, foam fights, water fight(coming soon :D), playing BB. thanks for entertainin me always. keep in touch, and plsss teach me the eyeball throw n catch b4 we leave :D o-)

- Akarsha

Vroon... I don't really remember how and when we met, but to me this friendship started with babysitting puppies in your room. 😊 Since, then I learnt that we are similar in many ways which always made you company enjoyable. I am gonna miss all those random games we all played, your funny expressions and thy entertaining antics. Do stay in touch for you shall be missed!

- Kinnari

The first time I messaged you instead of Sangal, I did not know you, or the fact that you'd be such an important part of my life.

That one month in Ribandar would have been hopeless and boring without a cool roommate like you. And river isle forever will be a place which will remind me of you.

Our association goes back to the first year when we were living in nearby rooms and then interning at the same firm and then again as neighbors in the second year. Have innumerable memories of late night daaru party, end moment plans of dada baar and eating fish thali at Peep's Kitchen. It wouldn't have been the same without your company.

It's hard to find words to sum up my journey with you at GIM or is it something i hoped i did not have to, coz idiots like you are hard to find 😊. For going out of way to do the crazy things you do for me, for always being my partner in crime, Aku you are like my lil sister. A day is never vanilla when you are around, there's always some drama. From being a shoulder to cry on, to kicking someone's ass; GIM without you would have been impossible. Cheers to many more nautankis, many more pangas and to our endless talks, Love you loads Aku. Yes, you can stop complaining about your hair going crazy now 😊 Big Hug and Loads of Love 🍷

- Pallavi

I know you think I am lying all the time when I say those nice things about you, I promise I was not. I genuinely think you are one of the coolest women here. Remember we had that really deep conversation in front of H1, about stars and the mythological story of Zeus? It was the first time we really talked and I have adored you since then.

Stay in touch, and I am coming Hyd to meet you. Deal yaad rakhna.

- Jidvish

One of the most empathetic persons on campus who goes "Awww" everytime she hears something even remotely sad. A thorough professional and never one to shy away from a challenge. All the best!! I'll see you in the field :P (remember Infy registration?)

What truly can said about you. Well anything said here will pale in comparison to such an amazing person you are. Not to mention a die hard prayasi, an extremely dedicated hr, a crazy person to party with (even though officially we haven't partied together). But at the end of day what truly matters is what kind of a friend you are, loyal, caring and so much more which countless people will be able to vouch for. So many moments and memories that have been shared but shall not be written, just fondly remembered with a faint smile on the face. And Aakriti, stay the same, fun, bubbly, spontaneous not to mention cute. And always have those lines on your face.

- Zaid

Give it up for the girl who has seen it all and done it all 😊. You are one insane person to hang out with and the fun times we have had together in the end will always be some of my best memories of college! I hate to admit this but you've got better luck than me (with cards at least 😊). Keep being awesome Aku!!

- Noah

My acquaintance with you started on a very shaky ground but with passage of time I can say you had become an important and integral part of my GIM life. 😊 I enjoyed every part of time spent with you: be it fighting with you(which was like 60% of time) 😊 , long drives, eating at places, watching movies endlessly, chit chatting, teasing, parties....well the list goes on. I must say you are a very interesting person with an in depth knowledge of things. I learnt a lot from you personally as well as professionally. Thanks for being there always. - Malvika Gupta

Adi sir, you are the most Badass person I have met in my Life. If there is one person in this college I'd have to put money on, is you, for anything. You will party like an animal till dawn and then make it to a 8 AM meeting in crisp formals, clean shaven and Logic enticing out with elegance. I always thought you'd have to give up something, and that you can't do everything. You taught me otherwise. Conversations with you are ALWAYS awesome, times are crazy, and you are one of the very few people I would come for advice. All in all, Bhai first term se hi itna close hote toh Bada mazza aata, par koi baat nahi, I am def. not losing touch with you in this life. Bhai, Jhukengay nahi :P

- Jidvish Ruparel

Agney Usgaonker

Well it goes without saying that u were the first friend of mine in Section C & gladly our friendship has grown ever since. You were a kid when you joined but man you have grown in these two years. Admit it, you are a smart ass when it comes to studies and all those stuff that requires mental energy. For that you work hard too & I respect that fact a lot. You are destined for great and wonderful things (in your area of field). Believe in yourself and I know you will achieve something awesome in your life..P.S.-> Don't you dare think that above mentioned testimonial is GLOBALAAAL

- Ankit

Agney! I'm definitely gonna remember you for your weird laugh which even more weirdly synchronized with Onkar's. Thanks for making all the group meeting so enjoyable and useless at the same time. I and I'm sure even Anshima are not at all sorry for being the 'mean girls'. It was so much fun bullying you kiddo. All the very best and please don't grow up because there are many alumni meets to come!

- Annika

Simple, calm and soft spoken. You are one of the most sincere persons i have ever known. Stay in touch! Cheers!!

- Pratik

From being my real first pal in GIM, we went through a lot of laughter and fruitful discussions together. I wouldn't have traded anything for the time I got to know you at GIM bro. Those pseudo-meetings we used to have in room 1101 were the best! I admire your well-planned schedule and OCD coupled with your efficient prioritization. Always seek to learn more as you progress through life. Macho Mech Cheers!

- Keegan

My permanent groupie, you made all the assignments such fun. Or maybe your phone cover did! (Annika would agree). Thank you for letting me comfortably free-ride :P. Will miss the trivia tid-bits Ganga & you generously distributed. Keep in touch & wish you all the success in life.

- Anshima

"You need to Chill...I don't have OCD if you hear this you should know he is alright" You are the sweetest, hard-working and knowledgeable person I know. From our crazy outings to yummy dinners, the bakar in your room to Atanu stalking people from your window... I will always cherish the memories. All the best! Cheers to 4 musketeers

- Anubhav

Agney aka Agony aka Agnee. Probably the most strict & serious guy I know in GIM. Not to mention you study more than the rest of the profs' disciples combined. U like to keep things at right angles and I like to irk you by keeping them at 85 degrees or less. One of my closest friends in GIM and I will never forget the time we have spent together ever!

- Annirudha

Mr. OCD..I don't know when & how we became "Arch enemies" but I am glad that we are both are passing out from GIM without killing each other.. Sincere & intelligent & a sweetheart as u r.. Stay like this always and never let that lovely smile fade away.. Stay blessed! Stay loved! Keep in touch else I m gonna miss giving threats to someone.. God bless!

Most organized guy of GIM, also a walking General Knowledge, I just can't imagine how you can store that much in your small head (I mean literally when I say you have a small head). Please stop correcting people because some one might actually kill you :P A true mechanical engineer, it is really fun and interesting at the same time to discuss things with you because you let the whole argument get deeper and give it more perspective. P.S. Apparently you say "apparently" a lot :p

- Utkarsh

A person, who has a good knowledge of gadgets and stuff!! People call him the guy who has OCD... Has the enthusiasm to learn a lot (Hope you achieve your dreams)... Takes so much pride in being a "Mechanical" Engineer (still doesn't consider his PGDM degree worth talking about :-P). A guy who in every sense defies the stereotype of how goans would be to an "Outsider"...! It was a great thing to meet you Mr.Agney!! May you have your best years ahead as you step out of sanquelim campus for one last time :-).

- Vigneshwar

OK Agney USgaonkar.. The kid of our group.. the guy with OCD!! Ur very smart and organized but kito shikta re tu.. it has been fun troubling u the past 2 years.. and it will go on..:) All the best man.. I hope u jump into an auto firm soon..)

- AMAY

Dude I had changed 2 roommates in first 2 months and then you came into room 2212 and I am still confused u were my brother who happened to be my roommate or u were my roommate who became my brother :P. You're the one person at GIM who actually cared .You're the one person who was always there ,everyday . You're the one person who was extremely genuine and honest . I love you more than you know and will always wish you're happy & doing well .I will miss your presence , but I wont let go of you . I will stay with you . Always !

- Sohani

Hey Bum, here's to all the crazy times we had together: the parties, the movies, the dances, the late night conversations! If at all there was one person in campus who thinks like me, its gotta be you 🥰 I hope you get the best in life, cause you deserve it girl!

- Noah

Ann, you're a total sweetheart, definitely one of the sweetest people I've had the pleasure of being buds with. The randomness of our conversations never fails to amuse me and put a smile on my face. 😊😊

The only thing that I regret is that we weren't buds in the first year. I'll always have a connection with you and fondly remember Goa because of you. Stay blessed and keep rocking 'stony brewster' 🙄🙄

- Vinayak

Annya Bhau! I won't forget those numerous times for which I gave you a reason to laugh, whether it was for my stupidity or just plain funniness. You were as much a part of the reason for those laughter riots we would have. It's intriguing how like minded people eventually come together. Additional wishes for a bright future ahead!

- Keegan

Annika! Anyabhau! Ann! You were my first group buddies in college, and extremely helpful with all the work. I still remember some of the nasty jokes you cracked! Annubhav will always remember! And now you are like family, very few girls can take so much of exposure to Boys gang! You have lived up to it! Thanks for being so cool and calm always!

- Aditya

The only person i knew before joining GIM & im glad i had u..thanks for always being der..ur one helluva of a crazy female..love ur bubbly

"You are the sweetest and the most caring person, I have ever come across in my life. Ask her for anything and she will go out of her way to do it for you. Truly a gem of a person.

We have had some beautiful conversations over the period of one year and I will cherish each one of them.

One thing that I have learnt from you is to be selfless.

Thank you for being there".

- Kamal

I must have done something really incredible in my past lives to have you as a friend. I must have been Gandhi.

And, you are NOT Tom-Boyish, you are one of the most beautiful souls I have ever met. You don't know this, but I am extremely protective about you. I would start a brawl for you, and you know how much I hate fighting!

There are women with whom I lie blatantly, constantly and then there's you.

I know I keep troubling you all the time, with disgusted looks for you not getting me pizzas or frings on very personal matters. And I know you think I don't give a shit about a lot of things. And I know you think I am going to run away in Mumbai. Or that I am not going to miss you.

But from the very bottom of my heart, and I think you know this, Annika Gracias, I platonically love you!

Anubhav

Master Yoda!!! Thank you for all the jedi training 😊
You were always the go to guy for any kind of help.
And I don't remember you ever saying no to anything.
Sorry for harassing you so much especially in group
work. You were always there working when we were
busy in mindless chatter and vellapanti. The guy who
always made sure our group sailed through all kinds of
trouble. May the force be with you 😊

trustworthy package. Thanks for everything and all the

Hey Benchie, thanx for letting me and Annika eat your
head for one year. Irritating you and doodling on your
book made sitting on the first bench so much fun.
Remember the Magic Mushroom (Annika?). And how
can I forget the endless assignments (washing machine
hai ya refrigerator?!), projects.. thank you for letting me
free-ride 😊. Wishing you loads of success!! Keep in
touch 😊

Anoobhav! My far away benchie.. Though Anshima
blocked all the benchie love I was supposed to receive,
you've still managed to impress me with your amazing
sense of humour. Thanks for being the wise one in the
weirdo group and keeping us sane in all our group
meetings. Wishing you the best in everything you do!

You are not a friend, you are my brother from another mother. 😊 you are one of the fewest and rarest ppl (infact I would say the only one) who stuck with me throughout MBA. I think it explains how much you mean to me.

Hope there is no kumbh ka mela to separate us.

- Apurv

You! You're an awesome person man! I mean, I know it's a cliché and everything but I really mean it when I say you are by far the most honest and trustworthy person I have met in a long-long time!

Dear Shrutru,

You're one of the best friends at GIM I have found. A true sportsman. Name a sport & a rule in it! Never seen a more accommodating guy than him.

By the way, I wonder who'll be our next roommate to witness our scary sleepwalks and tantrums at night :P

.... Wooooaaahhh...Yayyyyyyy

You're such a warm person that anyone will always feel comfortable around you. Our common love for sport I think helped us bond more. And you're a bloody good sportsman in the truest sense of the word :)

Kickoff, Basanti, Coorg... there are too many precious moments for me associated with GIM that you've been an integral part of!

Hope we always stay in touch. All the best! Take care :)

One of my favourite people on campus, a true friend with a heart of gold. You may stop believing in yourself but he'll have faith in you. Whatever the situation is, he's always calm. Anju, I've always seen you as my younger brother and I've learnt a lot from you. I lost my 'temperament' (:p) so many times but you were there every time to keep a check. I'll miss you and our conversations about women and life :p all the best!! and stay blessed.

- Harsh

Dear Shrutruness :)

Life would have been very difficult without you in GIM 😊! Thank you for handling all my tantrums without complaining! Hope you get meaner, more sarcastic and evil in the years to come. :D

Chapla!!!

I have always told you that you are my favourite razziee 😊😊. One of the most amazing persons at GIM. - sweet, cute and always very helpful. I wonder at the times when you think about others before thinking about yourself - Selfless truly 😊. I had an amazing time with you.. Coorg would not have been the same without you. Hope to keep in touch 😊😊 Love you Razziee.<3<3

- Nikita

Moteee,

You're literally the first person I met at GIM. And I totally judged you when you said you were from Delhi :P but you're as far from being a typical Delhi-ite as I am from being a madrasii!

Razzmatazz helped us get to know each other better & since then we've had an amazing time together. You're reliable, extremely hardworking, so much fun to hang out with & the backbone of Razzmatazz! Your 24*7 urge to goto Gene's or eat Chinese will one day drive everyone mad & sab mukka maareng tujhe motee..

But apart from all that you're an amazing person Chaapla. That tough guy exterior you show to the world is backed up by a kind, caring, emotional person on the inside who has a gentle heart. I'm glad that I got to know that side of you.

We've stood by each other in good times & bad. It's been a real pleasure knowing you & I'm going to miss you a lot. I'm sure we'll always keep in touch.

All the best! Take care of yourself :) Love you bhai :-* PS: remember tu dilli se he be..... :-)

What to say about you that has not been said already- A great singer, awesome guitarist, and one of the very best when it comes to friendship! Here is a person on whom you can bank on no matter what (countless group assignments are proof to that!). Your dedication towards work is really infectious (except for me- I am too lazy :p). But you are an amazing person to be with and I hope we will always stay in touch! All the best for your future!

P.S. thanks for teaching me all that SPSS 

- Aakanksha

They say shelters are sought when times go against you. When sorrows were high and spirits low; there was one man who stood. So firm, that friendship vowed, in respect..love you man!

- Rajendra

the most entertaining person with the best sense of humor i've ever met.. i think ur a powerhouse of talent.. wish u all the best for future..

- Vinisha

From one musician to another, dude, you are beyond awesome! The kind of stage presence that you have, and your personality while performing is something that most of us will only dream of. It was real fun working with you in the choir too, and i know that we could'nt have pulled it off without your dependability.

- Noah

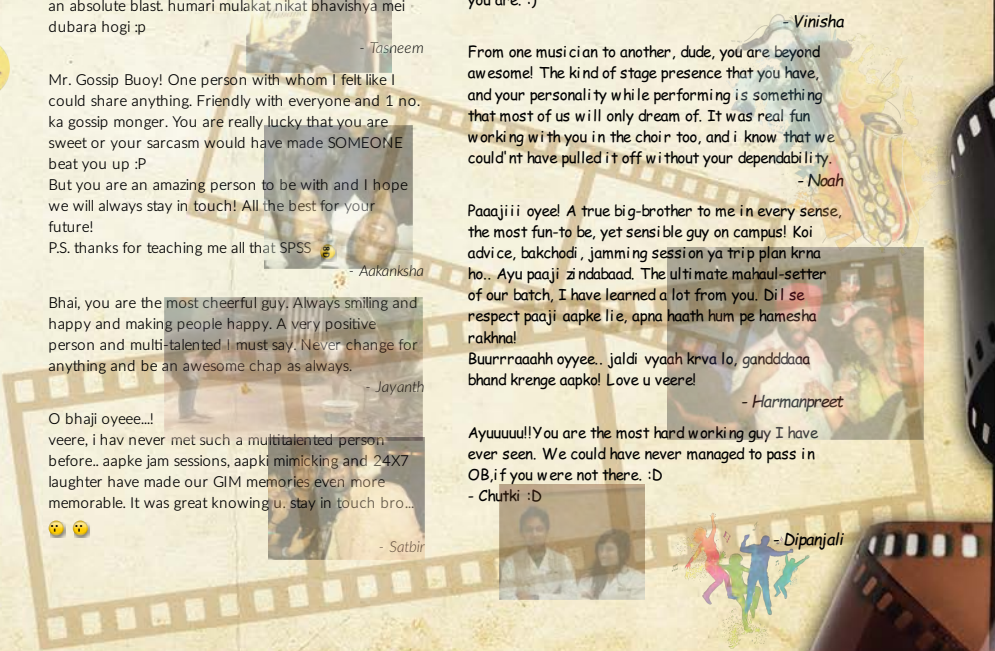

Paaajiii oyeel! A true big-brother to me in every sense, the most fun-to be, yet sensible guy on campus! Koi advice, bakchodi, jamming session ya trip plan krna ho.. Ayu paaji zi ndabaad. The ultimate mahaul-setter of our batch, I have learned a lot from you. Dil se respect paaji aapke lie, apna haath hum pe hamesha rakhna!

Ayuuuuu!! You are the most hard working guy I have ever seen. We could have never managed to pass in OB, if you were not there. :D
- Chutki :D

- Dipanjali

DIANNA GODIWALLA

Diannaaaa! My favourite person at GIM and one of the prettiest girls. I don't know what I would have done without you. I still remember how we were jumping with joy when we found out that we were in the same section in PGP1. You certainly made GIM a better place. It's tough to find people with whom you just get along, you can talk for hours about anything under the sun, there are no awkward silences, they know you inside out, have stood by you through the best and the worst - you are that person for me. There is a lot I need to thank you for - small things like taking care of me when I'm sick to large things like being there when I need it the most. At the end of the day I know that whatever happens, we are always going to stick up for each other. I won't say I'll miss you because I know I'm going to keep meeting you (no matter what) but I will miss living with you and having you around all the time. You sure are my biggest takeaway from GIM. I am so glad I stole you.

Dianna, u r the definition of "Genuine"! Always be as sweet, smiling and adorable as u r... Cheers!!
Ques: how could u do all the Prayas work and still manage to contribute to all the assignments? :P

You are the complete polar opposite to me, yet for stupid reasons foretold we became friends. One of my closest friends out here and I will never forget our long talks at the spot, our silly arguments, makeups, the Matiz drives, all the places we have visited together and everything Prayas. The memories are never ending and will be etched in my mind forever. :)

P.S. My Hindi has always been better than yours :P
- Ehtlich

You're better off without knowing this woman because once you do, chances are that you may fall for her. Apart from this one negative side she has, she's one hell of a friend. Fall sick once and you'll know how much she cares for you. I won't miss our out of the world chats (well, whatsapp is not going anywhere) but hell, I'll miss you Di....love you :* all the best for future
- Harsh

Dear Murph,
You are my FAVOURIT-EST person in GIM :) We need to click a lot of pics before leaving so that I have a good collection of DPs to choose from! (afterall, all my good pics have you in it!!) :p Wish you all the very best in your life (you are going to need all of it for places like Baclapur! =D). I am really going to miss you :/
Jai Iran, Jai Mesopotamia!! :p
Hugs & chumma

Badass!! You're a gem of a person! Right from the way you carry yourself to how you speak, I have always admired everything about you. Wish we had known each other a bit more!
Keep that Iranian flag flying high!

Always ready for an adventure. Someone I could talk to about anything. Have always been able to count on you. Will always cherish the midnight tea talks and all talks in general at the spot. Oh and will try to Hey Princess!! You are easily one of the coolest girls on campus I know (and apparently one of the strongest too :)).
You are one hell of a dancer come to think of it, and I'd love to try ballroom sometime soon :). If looks could kill, you'd be a serial murderer :). Rock On Forever, Di

Princess, i somehow end up laughing when you are around, and that's crazy! "I am not ready, I won't come" I will always remember you when i have to giggle! For all that sophistication and cold/angry expressions on face, you warm and super sweet in reality! It was fun working on so many PPT's with you, I guess the best class assignment time ever! Thanks for being so caring and sweet always!

- Aditya

Your smile has the power to end wars, Dianna :) And that sense of style is fit enough to start wars :) Sometimes, one just inherently knows that one is speaking to a person of great character. Charming and optimistic as you always are, may your blessings be abundant. To great times now and ahead, cheers!

- Keegan

Yup, we have Anne Hathaway in college! Cute as a button, our little spider girl, Ms.fancy English and more importantly, my family here at GIM :) Diana I remember the first drunk day we met and you told me I was fun :P But thanks to you, I've had the best time here in GIM. Drinking wine, playing Atlas, childhood crush stories. I'm gonna miss you a lot :*

- Wertene

Miss 'I buy designer clothes because I don't like other people wearing what I am', you're a fantastic person, genuine to the bone, poised like no other, and, I adore you professionally. And even though we did not hang that much, I feel like I know you. Oh, and for all it's worth, you could wear a plain black top and you'd still stand out from everyone in any room.

- Jidvish

breaking hearts since 1991 with those exotic eyes and the pretty smile. One moment you're so quiet and the next you can talk so much. you're one of a kind-ick anyone else who loves sci-fi and lipsticks at the same time :). I love it when you use 'men', 'what re', 'kya yaar' in ur talks :). stay the same :) I hope to see more of you in yrs to come!

- Akarsha

By far the most genuine person I have ever met till now! Absolute gem of a person. Section C would be no fun without those candid photography sessions! Keep the innocence and that smile of yours intact, always!

- Prathamesh

Dianna!! One of the coolest chicas in GIM hands down. And yes in the beginning I underestimated you and your sportiness, and you definitely proved me wrong. Proper prayas you are! Glad to have met you in GIM. One last thing...EAT

- Nivah

Dipanjali Biswas

Biswas, it's time for some sentiness. You see, senti hone mein mujhe vaandha nahi hai, par emotional hona itna faata nahi hai. Nonetheless, I'll try. I really like that both of us are on the same page about the term 'freedom'. I love how we both care for each other but pretend not to. I still don't get why we were always uncomfortable with hugs but never with 'shurshuri'. I realized how I had gotten used to the colourful liveliness in H1, when I shifted to the bland, white-walled existence in H3. I will never forget how you battled sleep to listen to my rants, how you recognized every unconventional song I played (halo halo 🤩) and how we danced with full-fledged expressions like we were being filmed. Also, I am indebted to you for introducing me to Bengali music.

I read those notes (which are now in a safe place by the way) and I thought to myself; enough of 'playing it cool'. So don't get shocked if that happens, because I'm contemplating a hug.

- Sannidhi

Yo Chotu

You and I may be poles apart in a lot of things, but when it comes to the things that really matter (food, ghoomi-ghoomi and being mean!), we do share a special bond!! Thanks for ruining most of my books with those senseless doodles and stupid conversations which might put us in a lot of trouble if anyone else ever sees it! :p I wouldn't really thank you for clicking infinite pics of me- I believe it was your moral duty anyway! (Although, I do admit that the candid ones required some patience :p). Cheers to the epic memories of 2119 (these will surely include those WWF stunts on you, incase you forgot! :p) See you in Hyderabad, fellow Infosicon! :*

P.S. - Joining se pehle 'tab' key dhoondh lena pleeeez! :p
P.P.S. - I was in support of your inclusion in 'LAUNDE' group! =D

- Anuj

I know you don't like to call yourself this but you are a cute-little, full of life child, who is shy to express her feelings and emotions. I can say this by counting the number of post-its that you have quietly left on the door. I don't have a younger sister but I see that glimpse in you. From chai to gossips to "shurshuri" to random plans, I know that she will come fully excited and say "CHALO CHALO JALDI KARO". Staying across in H1 was not enough to know each other but H3 entirely changed the bond that we have now and the time has come for this beautiful journey to come to an end. But I know you will always be there to help me understand all the bitching going around...ummm you know what I mean. Be the way you are..

- Shruti

Gipsy Danger,

The most fun loving girl I have ever come across. I am fortunate enough to have met you...-) You gave us the Phameli and what more can we ask for. Had an exceptional time with you. Keep designing things.....-) See you in INFY.....
-SATTUUUU

Dipmondjalii,

Who'd have thought that out of all the scenarios in college, 'Gul Gul' would be the catalyst for our friendship :D It's been great knowing you & we've had too much fun hanging out together! Your birthday being the best :) Your art is something that really blows my mind! Do keep pursuing it & ek bada waala company khol k mere liye ek 25pa ka naukri de dena.. 'plaaazz' :P
Be the same bubbly little bong that you've always been. Mere bare me woh ganda gaana kabhi mat gaa, bahot maar khaegi! Hope to keep in touch. All the best & take care :)

- Praveen

What do you say about a harmless looking fire-cracker? That once it goes off it creates so much sparkle and joy that you can't help enjoying yourself. That's my Dipanjali. Full of life and fun and has a big heart! Much bigger than her tiny frame. Adorable and quirky and demands the good things in life. Wears the awesomest t-shirts that gives me major envy and loves non-veg as much as I do. And like I believe a younger version of me. The rebel at heart! Much love sweetie! We are going to be friends for a loooooong time :*

- Sheena

its difficult imagining my first year without you being there in itwe had a wonderful time together and i do miss those moments. you are a great person and i love you the way u are.
Be happy and take care.

- Apurv

Cutest chipmunk! Doodlg veteran of GIM and the tiniest PR to have existed, hanging out with you is an absolute riot! You know I only started eating chicken to escape your anti-vegetarian wrath, right? :D Stay happy, not sober! muah :-*

- Vasudha

Dipsy! you are like those "Chhota packet bada Dhamaka" types! 🤩 I wonder from where you get so much positive energy from! Your sketches, doodles, handmade bags, earrings are so awesome. You have got shit loads of talent girl. Use it well!!! Your were the electricity of PR cell!

DISHA DIVECHA

My college mama)

Switching off my lights, ironing my clothes, passing me the wine bottle while I cry, bringing Wai wai to my life, dealing with my mood swings and long long pillow talks. My first instinct now is to open your room door before I even go to mine! I love you, like a lot my maid of honor! D You're possibly the most selfless and caring soul I've met in GIM. Pretty girl!

Namaste!

- Werlene

If you're reading this after years, married to a hot guy, while you boss around your way in a corporate HQ of an MNC; know that you have a special place in my heart. You will forever be the first friend I made at GIM. More than that you really are one of the major takeaways from GIM for me. I can't imagine not seeing you around. If it's been a while, call me!

Bear hugs!

- Jidvish

Hey hottie, you've got boys all over campus drooling over you still 😊. Give us some lessons too. You're a lion by personality and you have got some high standards set for yourself, so great job woman! Hope to meet you often after these 2 amazing years together

- Noah

Yo Selfie Queen! One of the prettiest girls in GIM. Your love and interests for cars amazes me. I still remember our selfies and gossips during the CSR visits. Will never forget those. Had a great time with you. Keep smiling. Stay awesome!

Dish. One of my first friends in GIM and neighbour in HI (And almost second roomie). That day in the canteen when I first met you, I never knew we'd become such close friends. I've always been able to talk to you about anything and that is amazing. You've been there whether it's when I was sick, upset or just like that with the tons of things you do. You're always there to offer advice, support and laughs. I've loved discussing so many many things with you! You're one of the kindest and most helpful people I know. I am very very glad to have met you and more so to have spent two years with you. I have learnt a lot from you and will always cherish the memories! I will miss the time we have spent together and living together a lot.

P.S. Yes I will come to see you in Vashi

- Dianna

The prettiest girl of GIM! From the nocturnal gawking to playing dress-up. Thank you for endlessly trying to get in my room when it was impossible, the constant checking up, shoving food down my throat, the warm 'it's ok' hugs during placements and being happier than me for the same, the everyday 'where you's, counselling to the vaguely mentioned problems. It was heartwarming to know someone always cared. Though I could never understand it then, all these lil things added up, and you've done the most for me here. You were the mama and I was the ungrateful kid. Though I've never said it, and only would while hiding my face in the pillow, I love you to the moon and back. PS: Please come and hug me, you know I won't. :-p

- Akarsha

One of my first friends on campus, I still remember the first few weeks of GIM. Same phone, same laptop, same keychain and same music choice, also your my veg food buddy! Fun at Goa started with weekend dinners in Bingtland and it never stopped! Inspired by you, I started taking selfies, and now I am an addict. You are fantastic gal to work with and your passion for cars is crazy. I will always miss your stories and gossip. Thanks for being the Car DJ! & thanks for being my eyes on the road after party! (& watching out for speed breakers and cows on road!)

- Aditya

- Pushkaraj

South Bombay! That's what comes to mind when I think of you. Oh God, how much we gossip and bitch, and never ever get tired of it. I love discussing 'ghati' people with you immensely. Moving on, I absolutely love your level of commitment towards things that you are passionate about. You're a go-getter. I want us to discuss desserts even after donkey number of years from now. And yes, God help the people and the company where we both end up working, if at all. I have loved spending each and every minute with you :)

- Vijayant

Kya yaar! Disha! One of the prettiest and sweetest girls I've met here, you've been so amazing to me as a friend. I'm so glad you've got what you wanted and I am very sure you'll do an amazing job at it. Thanks for being such an amazing friend to me. Best you are!! (Call me for your wedding okay? 😊)

- Mark

- Asiel

A true fashionista and someone who takes the best selfies. I love that we share the same taste in music, and how u always have place in your tummy for ice cream no matter how much u've eaten. You are one of the 1st girls I've met with whom I can go on and on talking about cars and never get bored. Will treasure our long talks at the spot :) and your friendship is one of the best things I'll take back from GIM. :)

- Ehrlich

"You almost saved my life in first year of college, a true friend who was always concerned about my health and scolded me to get me on track.

Over the period of two years we have had some amazing conversations which I will cherish all my life.

I truly believe that you have the potential to become the next Chanda Kochhar or Indra Nooyi".

P.S. Always keep that lovely smile

- Kamal

MR geek, analytics God, case study competition champ, quizzer, footballer, achiever, down-to-earth, humble, sensible; Joe, words are less to describe you. I had a great time working with you in Brainvista. You were my support system, someone I could bank upon, someone whom I can look up to, and someone I could fall back upon. Without you no event would have been possible. Thanks for being there in crunch situations. All the best for your career ahead.

- Ashish

The guy with the smiling face. The celebration n Hotel Rajaram outings for having your favourite fish curry rice were always fun. It was a pleasure being your friend. You clear focus and planning are some of your major strengths. And of course thanks for recommending those amazing mallu movies. One thing i would regret is never getting an opportunity of working with you in a group..The solo trips that you had over the years have definitely made you a more complete person. Stay the same and keep smiling!!

One of the most hard-working and friendly persons on campus. Stay the same and wish you all the success in your career!!

- Malav

Joe, You are one analytical genius that I have been friends with in the course of my GIM journey. Your work ethic is exemplary, continue the good work bro and bring more laurels and fame to GIM as you enter into your professional life. Best wishes for an outstanding career :)

Mankirat Bachhal

Eey Mankesh,
Awesome foursome never took off but I'm glad it stayed that way. There's so much to write here but guess I'll have to be picky. Cheers to all the impulse trips, Taus first year bday, illegal tripling on runjhuns bike and numerous discussions/quarrels about everything from astrophysics to nacho dips (The Martian still rules btw 🤪). You have a great taste in music and wish more girls learn to dress like you (no kiddin'). May you reach greater heights than you already have and keep rockin those mad moves yow. Love, Jammy Chandster ... and stay in touch, duh!!

- Sandeep

I am not very sure kya likhun. Partly coz we have too many memories which I can't condense in this limited space and partly because mujhe darr hai ki tu is par bhi jhagad legi mujhse. "Babbu ye aise nahi ye aise hua tha." Thank you for tolerating me for two years, for the parties, for our dinner dates, for lending me money when I needed it and most importantly for LIME. Ab Bangalore mein party continue kyunki kahani abhi baki hai mere doooost!!

- Vinod

Mankiraaaatt Bachhal... You are one of the smartest person on campus. U have inspired me in so many ways and have always been someone i looked up to. A true SAC. M gonna miss you so much. You deserve all the great things on life...Way to goooo!! Wish you good luck :*

- Nidhi

Oye Manks , wuzzup? 🤪🤪 You are one of the sweetest and chill people I've called a friend. You never let me down when i asked for your help. You helped me through some pretty difficult situations and were always up for goofing around. I'm o glad that you were the first person i knew in college and it was such a sigh of relief seeing you on the fist day. So keep up the good work and stay AWESOME ! Cheers ! 🤪🤪

- Vinayak

Don't even know where to start from. After leaving Sherwood I always thought if I would get that hostel life back with another OS. And yes I did. Thank you for everything and sticking around even though I was a pain in the @ss. And yes I will remember the missing "you". Thank you for the 1st year bday bash, the best of the best I have had. The memories of the countless trip across Goa will always be very dear to me. Thank you for teaching me how to dance and I proved it in the last party that I am a great learner. :P

And I guess bohot thank you ho gaya so "now you are welcome" – you are welcome for making me write two(yes two)SOPs. You are welcome for L.I.M.E when the finance guy comes to the rescue in a marketing competition :p. Yaar jyaada "you are welcome" nai ho pa raha and I guess that speaks volume of what you have done for me. So thank you for everything. Cheers to old memories and new hopes, tonight we drink to that!!!!

- Saurav

Mankesh!!! :D Ok! To start with, I am really sorry for that Sankhli trip dude... we almost lost you that day ! :P You're one of the coolest people around. I really like the way you handle things . Here's to the good times we had and the better times we're gonna have in the future ... Cheers !! 🤪

MOUSUMI DEY

Before coming to GIM people told me that you don't make good friends in your PG.... But you turned it all wrong... I got a best friend here... :) Love you for that... There is nothing which I cannot discuss with you... There is nothing which is left for me to discuss :p We talk so much :)

After we leave GIM I am going to miss your walks, our chats, our classes together (which happened only in the second year) and the party's and (Shandaar, Dada Bar) outings we went together ...

As you go on from here... I just want to say...that just be the way you are... and you will get everything that you dream off :)

Lots of Love.....

- Radhika

Hardworking, dedicated, helpful and sometime confused. Always loved to pull your leg. 😊 have had really good times with you!! good luck!

- Abbas

"The Girl With a Mission", frankly speaking you are one of the very few in GIM who had the dedication to achieve what she wanted 😊.....and I am very proud of that... :-> ...Apart from that you are caring and had helped me a lot of times, a big thanks for that....Stay in touch or otherwise I will Find You and make you remember again to stay in touch....It goes without saying "STAY FIT".....I know you will :) PLUS I am not afraid of you..don't threaten me with your biceps 😊

- Ankit

Mousu darling, You are the most caring friend I have for life now. Never felt alone in last 2 years because I had you. Both of us have similar life fundas that's why clicked from the beginning. We have so much memories together, our bus trips, auto trips, LPK, Titto's, Mambo's, cubbana, and what not. Our long chats on life, relationships, love, and other censored talks, I will miss all of it always. You are a rare combo of innocence of child, and mom's care so I am never letting you go out of touch, yes I am selfish for you :D. God bless you, Love you so much, Muhhaa.

- Priti

Mosambi De...The health club...I salute your honesty...Stay in touch...

- Nisarg

Mousumi (I think I finally got your name correct I guess :P). I think you are a crazy person & I think that's what makes you special. Your dedication when we are doing any group assignments is commendable. And perhaps the most adorable thing that I feel about is your zest to attain optimum fitness. Go full force girl!...im sure you gonna make it

- Jinesh

Mausaammm.... tum to sexyyyo ho gai yaar. U have been a great companion to me, be it waking up for morning lectures or putting proxies for me whenever I sneaked out :-p Thankyou for supporting me in all the crazy stupid things I did. Loads of Love :D

- Nidhi

Hey roomie! well I am so glad I got you as a roommate last year! firstly toh since both are bongs language was never a barrier and also you were a very caring and considerate roommate. I will miss how you always asked for my opinion on what to wear and all the gossip sessions we had. I will always remember how you would party n roam around all sem but then study like a crazy person throughout the night before exams without sleeping! Thanks for looking out for me and always being there when I needed help. Hope you get all that you desire in life! stay in touch!

- Adrija

If it was not for the club process, I would have never met one of my best friends in GIM. Sweet, innocent (only looks wise :P) and passionate, you are one of the most trustworthy person I have ever met. I will really miss you a lot and the awesome times we have spent together. Will always be there for you. 😊

- Sumpunn

The girl who inspires everyone about her transformation and dedication towards gymming. Amazing to work with in group assignment. Super enthusiastic and honest. "Bhagwan Ke Liye" yadd rakhna 😊😊😊

- Sneha

Chota Bheem.. Sorry for the nickname! Gym maniac.. U r sweet, innocent and very helpful.. I still remember our dance at the mid-summers and Tito's where apparently u were dancing mid-air!! I like the way you act childish sometimes and on the other hand very mature on certain things.. Be as u are... U rock!! - Nikhil

- Nikhil

NIDHI KALANI

Meri Motuuuu

I have and always will cherish every second spent with u(the thandii me scooty rides, never ending midnight chit chats, gurukripa.gym-pendrive,swimming),i never mentioned but your reluctant care free attitude towards life inspires me.. I love u my stepney... 😊

- Anurag

Nidaaaa...kittaaaa...tannaaa. The first thing that struck me about you was that ghar pe sab aise hi hain kya ? 😊😊 Thank you for igniting the passion of working out in me :p and being my constant partner in crime as we gorged on food. Hopefully, the madness will continue in Mumbai, if you come on time that is :P Nonetheless, keep the child inside of you alive

The reason I saved writing for you till the end is that I didn't want to get emotional right in the beginning. "Love at first sight" is what describes our friendship. I dint know the first random conversation in the H1 corridor was meant to last a lifetime. My secret keeper, my very fat teddy bear, my talking tom, one person I could never lie to etc.! We took rooms facing each other so that we could see each other ALL THE TIME we were there its not confined to that but space is! Love to lots, keep seeing me in PUNE please

- Prachi

Hey Kalanii. I know that wherever you go you'll make it a better place for people. Always remain your positive and cheerful self! Thank-you for making our early morning CSR rides amazing. I couldn't have had a better person to share all the Sec C jokes with in class (esp Christo's classes!!) All the best for everything in life. Hope to see you soon again :)

- Mankirat

Nidhi... Words can't describe how much I love having you around. Your smile and energy is so infectious.. If possible I would keep you all to myself! You're such a lovely and amazing person and I'm gonna miss your pretty and ever smiling face. Wishing you the best of everything! Muah :*

- Annika

Utterly Butterly Delicious Amul Girl.....No doubt one of the cutest girl in the whole campus..... And a sweet friend.... I will always cherish our friendship and the time we did all the fun together .. Always stay in touch because you are our laughing Budhha plus a great wonderful person 😊😊😊

The only regret is that we started our friendship in 2nd year.....

- Ankit

Ask who's the cutest & sweetest person on campus and you'll end up meeting Kalani. Yaar tu sahi me bahot hi sundar hai :) keep smiling..All the best!!

- Usak

Nidhi you were, without any doubt the most loved girl on campus. You have so much positivism. Even on the worst of days, tujhe milkar phir aacha lagta tha. :) Bear hugs. Contact main rehna.

- Jidvish

Dimples and the smile that lights a gloomy evening is wt comes to my mind wri i think of u..The most positive and encouraging prsn i knw...widot u GIM wld have not been as exciting as it is for me..my support system,my dance buddy and a fan to all my crazy ideas...will miss u more than u can imagine..luv u!!!! :* :*

- Prina

Kalaaaanniiiiiii!!! 😊😊 You've always been that amazing, awesome and adorable energetic kid we all have come to love and adore over the course of these 2 years. I don't think i've had the pleasure of calling anyone, so happy-go-lucky and ever-smiling , a bud other than you.

So keep up the good work and that contagious smile. Cheers and God Bless! 😊😊

- Vinayak

"Tumharee yeh hasee, yeh mastee agar garbaat hogayee naa, toh iss duniyaa kaa boht nuksaan hogaaa.." one of the most cutest girl I have ever met in my life... never ever loose them...Thank You.

- Pratik

Kalaniiii wuhuuuu,

You're the cutest girl on campus w/o a doubt! That smile, 'alliaahh' :D whenever I'll think of you, I'll remember you doing that one crazy dance step with your head bobbing sideways hahaha.. I don't know a better way to describe that! :D Always remain the sweetheart that you are! All the best, patolaa :-* Take care & keep in touch :) PS: zyaada senti mat hona nhi toh iske liye bhii 'ulti aa jaegi' :D

Since Vinidhan days, I knew one thing for sure, that you have a clean heart and dedicated to your goals. I sincerely believe if you keep working hard as u are doing, you will surely once become one of the great Entrepreneurs of India!! Cheers to that!!! :D

- Malav

A place where people struggle to make friends, let alone best friends I found a brother. While putting words here I remember the day we met on H1 railing to the day we both will be celebrating our convocation together. So many wonderful memories with you..all our meals, outings, drunken stories and yes those other ones as well 😊. Right from the first day we met you gave such a great support to me that really helped me during these 2 yrs. Definitely a guy who believes in making brothers and not friends and would any day take a bullet for them. Keep rocking and teri baarat main sabse aage main hi nachunga 😊

- Mohit

A true Bombay guy...oops,I meant Mumbai . Always 'needs' those extra 5 mins before going anywhere :P. Overall a very sorted out person and a coveted company. Best

wishes for future!!!

- Salil

The one. The only. A member of Room 1101. My first out-of-state roommate. And I must say, you were a fantastic buddy. The experiences we had in our room and the stories we shared were numerous, besides being funnily memorable. All the best for your future brother!

- Keegan

Hey my oldie friend... though we couldn't spend much time together this year, but I am so glad to have made a friend like you. My first friend in THAT age group.

😊 The one who constantly teases me with one thing or the other and the one who is always around whenever I need him (till he gets hitched). Will miss you Onkar . Keep flashing that colgate smile always!!

- Shivani

Today we celebrate Onkar day. Today we all scream 'Jai Maharashtra' whenever someone mentions Delhi. Today we all secretly blush when complimented about 'nasheeli aankhein on campus'. Today we all cheer 'bhaaaaaaiiii' for no rhyme and reason. Today we all book tickets in bulk and then cancel all of it. 😊 😊

.....Jokes apart...Dude you are a great fun to hang out with and I am so glad we became friends very early. You can be supportive and critique at the same time is what makes you so trustworthy. I know we can count on you and you will never turn us down. (Bas ab aur jhooth nahi bol sakta!! 😊). You have a great life planned out for you ahead bhai...enjoy!! - All the best.

You recognized the potential in me to be super cool very early on. Much appreciated. Will need BabaGyaan and DadJokes my ENTIRE life. ENTIRE, you geddit?

- Vasudha

"Jab naseeb ka sikka uchla tab heads bhi apna aur tails bhi apna"- BABA. Will never forget this. 😊 . Will miss your gyan, all those late night study sessions, your fake injuries, your "swag", you dancing alone in a corner wearing a hat. 😊 Keep smiling and stay awesome!

- Pushkaraj

Prathamesh! 😊 By far the most helpful person on campus. You are smart, always composed and focused on what you want. Though not cool, alcohol does a good job on you as it turns you into the most fun and entertaining person in the room, hahaa. May our friendship keep getting better and may your hair keep getting grey! Cheers to the king of advice! 😊

Someone once said "Jiss din apni kismet ka sikka uchla us din heads bhi apna aur tails bhi." No points for guessing who that person was. !!

If you add a lot of wisdom, even more swag(read infinite) and some awesome dancing skills :P what you get is BABA aka Protho!!! Well what were the odds that we would end up in the same B school!! Its been 15 years that I know you, you will always be someone that I can count on. Stay Cool. Stay Awesome. 😊

- Shonit

Baba, tere se zyada nautanki banda nahi dekha, tera 15 min tak baal set karna, Capstone me .23 price increase karne ki liye rona, tera 6 mahine purana hath ka dard and much more! You old fool! I am gonna miss your gyan post-GIM 😊 You are a gem of a person and I envy your knowledge 😊 Age is just a number, my friend. Stay young at heart! 😊

- Harjas

A much sorted, humble gentleman who loves to impart GYAAN to the juniors on campus. BABA meri dil se dua hai ki BHANU LAKSHMI, PATEL ghar hi aaye!)

Pratho! Our photography sessions have kept me laughing even during the most boring classes. Always the person who knows exactly what is happening around him (baba 😊). You are extremely kind and genuine, not to mention a total 'cool dude'.

😊

P.S. I will always laugh when i remember Udyog Vihar 😊

- Dianna

Prathoo! Talking endlessly during lectures, making fun of people - being your occasional neighbour during the 3rd term has been fun. I can never thank you enough for teaching me MIS, teaching Research Methodologies one day before the exam at 2am and saving me from making mistakes during the capstone exam. You have been there to help me through all these dirty subjects. You seriously are the Gossip Queen of GIM with the best scoops :D

- Disha

Protho, sensible lad! Remember club selection..i thought you are nerdy khadoos kinda person. 😊 Couldn't have been more wrong. I3 rocked bcz of you. Beach party aa rahi hai, ha laana 😊 Goodluck and keep in touch!

I don't know if there would be anyone else who would b interested in doing that:P I remember how we became friends over your fake break up! Now that Ill be in Pune, you have no option but to be in touch.:)

PRATIK PRUTHI

- Pranjali

Andhe...Will always remember you brother...Go ahead and make your business reach the heights..

- Nisarg

Dude, you sure are not the kind who would go out a lot or goof around or waste time talking about random stuff. Sorry I take back my last point. You do waste time talking about a lot of random stuff. You still are one of the sincerest people I know here and I know you always have my back. Thanks for being there. Stay in touch and I mean it (The consequences of not following this final line of command could be fatal, NO SERIOUSLY. It would be fatal.)

- Shw etank

To one of the first people I met at GIM. To most you might be relatively unknown but some of us have had the privilege of listening and not to forget get annoyed by your global. You may be quiet but your friendship speaks volumes which words could not suffice. Best of luck and hope you end up eventually in Kolkata.

PS don't you dare forget us

- Zaid

PP 🤔 one of the most underrated guys at GIM. Wouldn't have gotten to know what a mysterious personality you were hadn't it been for Mahindra War Room. Cheers to keeping a low profile 🤔. Keep in touch man.

My dear friend you are a curious case of existence who has created a world for himself hidden from others. But I also know that you are a loyal friend who cares for others and has a place for them in your world. I have always admired your intelligence and hardworking nature. Stay in touch and I mean it and be happy. All the best!!

- Shrinath

Will seriously gonna miss all the gossips which we used to do in 1109. Will always remember that evening when we took Thokle's super bike to go down the hill to get ur chicken in heavy rain 🤔🤔. If u planned to move to Mumbai, do let me know in case of any help. All the best for your career, stay in touch 🤔🤔.

- Gaurav

Pratik bhaii.. m still confused which state you belong to.. but it doesnt matter... i do remember you for the fun we had in foundation courses. Remember that masterpiece that I had created in your book...it would have been great, if you had show it to that person himself.. cheers mate.. see you in maybe in Kolkata.. if you belong to that state .. m not sure about that.. :)

- Pratikesh

Pratik, you are very good with numbers. Your analysis is almost invariably correct. I have found you to be a warm person. Remain like this forever. My best wishes.

Memoirs of GIM

Pratik Thokle

One of my first few GIM buds! Will always miss your fun jokes and stories!

- Aqilza

Yo Tuckles! 🤪🤪 The multi-linguistic songs singing, crazy-hearted and biryani-cooking goofball of a person but still an awesome bud. Stay blessed and awesome. Cheers 🥂

- *Pratik*

Hey Thokle, are you a supercomputer with infinite data storage or what 🤪? Really amazed with what you are capable of doing, right from memorizing south Indian song lyrics to mouthing the most obscure dialogues of old movies. You're got talent bro. Those sessions at the Khopcha were some of the best 😊

- Noah

Some people meet late, but you know it when you interact with them for the very first time, that you are meant to stay together for years together. I share the same comfort and trust levels with you as I do with my best friends back in Mumbai. Yes, thanks for training me in movies and series awareness and knowledge, and yes in comics too. Some people are genuine, they can't hide it. You are one of them. Except for the gym plan which we made some months back, all other plans have been great with their execution. For instance, daily dinner plans and outings/photography plans. My girlfriend doesn't like you, especially after I said this to her, 'you go to work, I'll roam with Pratik!'. I can write a lot, but keeping it short, deadlines you know! Let's keep in touch.

- Swapnil

Knowing you dates back to "the mattress times"... long before GIM started! And ever since it's always been fun! You've been a complete pleasure to work n hang out with.. Stay the same always..! Cheers!!

- Tanika

Ganjeeeee!! Insaan tu jitna bhi litchad ho par dost tu jaadua hai!! Teri fish fry aur chaakati ke to fir kya hi kehne. One of the few people I could always fall back on. From translating my stuff to Kavkani to getting me food all the time. Here is to never ending drinking sessions and much more. Shadi jalaji Kar maine naagin dance Karma hai teri baraat mein.

- *Pratik*

Hey Thokle, Thank-you sooo much for all the amazing food!! We couldn't have got a better translator for our CSR group. You've always been the hardest worker (jo) among us. I'm gonna miss all our intellectual sessions with Babu's wining in the background. You've always been a genuine friend and stood up for all of us. And had a song for every occasion!!! Hope to see you soon and also "nutress" all your spooky village stories. Keep it touch. Loads of love. Best of luck for everything in life. Till we meet again...

- Manjilva

Pehle gargi bulana band kar mujhe...Although, u were the first girl in college whom i interacted with and realised I made a lifelong mistake. It was easy to discuss with u some matters which probably I cant do with others. Very helping nature and you have tone down a liittle bit from your jungli nature (sabko nochte rehna aur maarte rehna). Still, remember our first outing at genes which went awesome. All the best for your future prospects and may God give u all success and happiness in life. P.S- jaisa tune kaha waisa likh diya hai maine

my first friend in GIM! :* cant thank you enough for all the things you've done. cant even start. but ya, i can summarize it by saying that it was because of you that i never had to depend on anyone else for help. ll c the time we spent eating shit and talking shit in hostel although we are like diametrically opposite type of people, i am glad we became friends and stuck around each around all this while. i hope you shop till you drop, eat till you burp and drink up a little, maybe :P hope to stay in touch and see you once in a while for sure :)

Sometimes u are stubborn but that's what makes u Ms Pare 😊 I love and cherish all the time we spent together, all the global discussions we had, the trips (🤔🤔) that we took together, all those memories that we created. - Shivani

A great combination of Gujrati and bhopali...love your blunt attitude (kisi se darne ka nahin)...bhopal ayege to challenge sagar gere, aur anand wale ka poh... Aur bas hamesha ise hi khush rehghoomne aur ph@kne ko toh tu hamesha tyaar hi rehti hai.....Aur wo exam main cheating karna....haathon main notes ki mehendi rachana...Boondi k ladoo(cupcakes)...late night parties...sab bahut miss karoonga...was lucky to get u as a friend and best of luck for your new life.... P.S- Bas humein dua mai na yaad rakhna

- Rahul

I want to start off by saying a big thank u for always being there right from the very beginning of my GIM days. You know u are the kind of friend every guy looks for as there r no boundaries with u around (you are almost like a guy :P). Very impatient, gets angry very quickly but has the heart of a child, I cannot imagine a single day in GIM without u. We have laughed, cried, drunk together, shared the most weird secrets of each other, shared some of the best moments here. You will be missed the most Runjhun, I love you 🙄 You better keep in touch or else you will regret it, you Idi ot :|

- Shivam

You are the best roommate I could have ever wished for. I enjoyed everything with you from having maggi on window ledge to decorating our room for Diwali. Although you do eat weird stuff sometimes (Shea seeds) but I do believe that you have good taste and are not a psycho :-P. Besides that, you are very caring, sweet and loving person and yeah my favourite makeup stylist :-*. I don't know how I would have survived my first year without you. Thank you for always being there for me. Hope to see you soon.

- Garima

Sandeep Chandy

Hey Chandster.. You're black and we know it! :p There are so many times we've had in this place that its impossible to summarize them. You've been a great friend and I can't thank you enough for everything. Will always our cherish the random trips and discovering Goa with you guys. Time just flew by and we went from random strangers to Nobodies! Whatever happens outside of here I hope we keep in touch and make good of our reunion promise. Kaash aap hamesha kushal mangal rahein :p We still owe you a fairhandsome but frankly you don't need it. You're an amazing person and I know you'll get the best of everything in life. You deserve it!! Loads of love Manki

- Mankirat

Chandy!

fellow infocion? infoscion? bleh, fellow movie lover, quiz winner, techie, alt J-er, tatti basketballer, it was always fun hanging out with you. wish we hung out more in 1st year! stay in touch!

- Varun

Chandy, the official swagger !

The wisest one, and the eldest too :D. Somebody once said "There is calm amidst all the chaos" Well the same thing happened when I found you here. I am so glad that Bisleri happened! One of the most talented guys I have seen around. You Sir, are a gem of a person.

P.S - Please get married soon. You know I want to visit Kerala :D

- Sneha

Chandyyy!!! It sucks that we became friends towards the end, but I am super glad that we did. We did have insane cookouts, with our love for food completely unparalleled. Crazy outings, even more crazy plans, we did have a ball of a time. I used to think that you were a shy person, and now I know that you are, with your quirky jokes, random fitness pangs and love for weird movies, you're a pretty awesome person, and I am glad I got to know you. I know you suck at keeping in touch, but I have faith you will make that exception for me! Be as sweet as Candy, and as awesome as Chandy - Wise words! Hehehehe. Cheers!

- Pallavi

The blackest mallu I know, and it has nothing to do with your skin color. The quintessential gentleman amongst us rogues. A talented artist, with an oh too eclectic taste in music. So much praise chandy, ab bas tum kamyab bano. I know it doesn't mean much from a white but you're my nigga.

- Zaid

chandy broda... Mr sensible gentleman. Dude we had our friendship started as a neighbour in H2, i have always admired u . very soft spoken, very content. But our friendship grew into brotherhood during Bisleri days and i came to know about a very fun loving, an explorer chandy :D . And Bhai i have cherished our mumbai days alot. You r a gr8 friend bud and i wish u all the good luck fr future. cheers !!!

- Tanmay

Babyyyy this is one is for you. Namashkaram!!!! My brother from another mother. Man I don't know even know what to write here. We know each other so well that no matter what I write it will always fall short of the kind of bond we have for each other. I always knew that people only stick around in your good times and but you my friend were more for me in my bad times than good. I guess that's the real purpose of friendship - the gift of a true friend. Ab bohot senti ho gaya and its time to test your hindi reading skills.

Shukriya mere bhai sab kuch ke liye. Tere saath bakar mein aur gussa karne mein dono mein bohot mazza aaya hai. Jab se tu 169 hua aur main 170 jodi toh tabhie hi ban gayi thi baaki toh bas moh maya tha. Aur haan apni raam pyaari baech kar jaana mujhe. Aur haan yeh bas tereko thoda accha mehsoos karne ke liye hai - "tu mere se gora hai saale!!!" ab hyderbad aana teri glenfidich baaki hai. baaki baatein fir wohi karenge mere bhai!!! till then bakar aur life Zindabaad!!

- Saurav

Chandypa!! Gapandü saale. My journey of GIM wouldn't have been complete without you. From the fresher's party till now we have spent a lot of time together. Long conversations, our agreements and disagreements, movies, Matruchhaya and our MJ sessions, it has been so much fun with you. You are one of the most friendly, hospitable and sociable person I have come across. And I absolutely love the way speak Hindi :P Last, I will never forget our fresher's party :P We had fun in LPK though :) Will miss you....Shreyansh Jakhetha

- Shreyansh

Cool dude who doesn't look his age! 😊

Well, for starters, he is my big brother! He is Mario and me Luigi 😊 We always share a midnight snack, when we get hungry. Talking about Chandy, he is creative and passionate about crazy ideas, very well read and one of the most sensible guys on campus. It was a pleasure knowing you bro! Good luck! Cheers!

Saurav Kumar

Mr on and off. When he is happy he is super happy but when he is pissed, lord save the world! Easily the most mature among the bunch I know here at GIM. Knows shit loads about finance. Super smart, really dependable and an amazing person.

- Shwetank

Tau/Bhai , kaise ho? 🙄 Ab aapke baare main kya likhein? Brother you are hands one of the most knowledgeable and helpful people I've met and have always gone out of your way to help me. The good times we had and you will always be in the fondest of my memories. Cheers and keep blessing us always 🙄🙄

- Vinayak

I hate people with short temper and low tolerance levels, and kops of course. You, in that sense will be my ideal enemy. As it turned out it was just the other way round. You are awesome and quite fun to be with; especially for drinks :D

I will definitely miss our sessions at Rajaram, but am sure we will find a good spot in Hyd too. Cheers!

- Deepak

Hey Tau, I know you hate it but we are never gonna stop calling you that :p You're the most genuine, hardworking and straightforward person i have ever known and I couldn't imagine G.I.M. without you. We've had our ups and downs but you always stood by me and showed me the right thing to do. I hope we keep in touch. Plus dance mat chodiyo and keep that smile on your face, it suits you 🙄. Chal senti mat ho see soon in Goa!!! Never change who you are and have a wonderful life.

Manki

- Mankirat

Taaaauu!!!! I ADMIRE you...really 🙄!! Be it your dedication towards work or "I don't give a shit about it" when you are pissed. I love the person you are.. calm, composed and hard-working. Finance classes have been much more bearable with you sitting next to me. Thanks for the pre exam teaching and all the help with assignments 🙄🙄. I feel lucky that I got to know you. Wish you all the luck for your journey ahead and do keep in touch!! Lots of Love <3<3

- Nikita

Tau maar khaoge?! Ek question hi reh gaya...itni baar peetne ka mann kia but I respect you too much for it. :P From dancing with random people at Rajaram to failed date at La Plage to winning L.I.M.E. You are there in almost all of my G.I.M memories like a junior side artist sneaks in multiple film scenes :P Thank you for being there to guide and support me and wow me with your never ending experiences. And shadi karlo jaldi...baal safed ho rahe hain...Bhai ka swag ja raha hai!!

- Vinod

tauji pairi pona :P tauji i remember two 'avatars' of you one from the initial days -very serious, no non-sense tauji and your long discussions with ankit in my room and the other backchod , very smart tauji :P. I have always admired you and have genuine respect for you. Wish you all the luck and success in life . cheers !!!

- Tanmay

My Dear Bhai,

Let me clearly warn you that this is no parting note and all attempts have been made to keep sentiments in check. That being said guess I'm gonna miss you a lot you fuckhead!! Chance brought us together but we went ahead to be much more than just rowmates (not the guys in orange jumpsuits). I've had the craziest and yet few of lowest of the times with you. It all comes in one package doesn't it . Will remember thalis @ Rajaram, our first mojos trip, your first year bday and our ill private trip to Tharkarli (wink wink). Admire your meticulousness , your taste for cooking and knowledge about a gamut of things. Looked up to you many times but guess I beat your ass in the points game (ooohyeaa) , I know i'll see you soon brother. For the good times yet to come, Salud.

Love,
Chandy

- Sandeep

Tauji!!!! I must really say that yahan pe hardwork karne wale bohut milenge, but you are among the few in GIM who are the smartest. And if and when I become as smart as you, it will be a proud achievement for me. Your ideas in the competitions that we have been together made me realize how much more improvement I need. Your words of wisdom and the help you provided will always be remembered.....Now just go out of GIM and get married!! I am waiting to hear the news!!! :P

- Yash

NAME SURNAME

The boy with the golden heart! :)

You're enthusiasm to life is an inspiration to all around. A great guy to talk to, truly passionate, brilliantly talented, hyper excited (you used to run for meetings :P) and a very, very caring friend!

I hope RISE works out well ;)

Also please employ us Mr.CEO

- Werlene

Samarthannnn!!!

One of the most socially sensitive and caring guys I have come across. Always ready to celebrate and make someone's special day a lot more fun.

All the best Samarthan. Will miss poking fun at you and your crazy presence.

Algje

- Algje

Mr. Showoff ! let me start of by saying tu apne aap ko khuch zyada hi overvalue karta hain having said that i think No One on this Gods Green Earth can match your calculation ability when i am comparing you with normal human being. You are irritating like hell but the only thing good about you is that you make calculated decision and that too very quick and well analyzed (in business/professional situations) which i envy and i just keep thinking that why you cant be a full load of crap, why you have to be so awesome in certain important areas. You are still a kid let me clear that out but i can tell you when the maturity and responsibility will set in then it would be very difficult to reach you (Greatness id destined) PS. I am not Kanjoos i am Economical

- Utkarsh

Ek no ka item hai tu, but my fav one :D will miss your camouflaged care, "shut up! okay!" and your lame jokes :P Am sure you ll do great things in life and travel and live to the fullest. never let the kid inside you die. more than that, never let the empathy and passion you hold for things die. thanks for everything here, you were one of the reasons i could maintain my sanity. be it useless advices, or just for being for my punching bag :D and dont worry, i ll always stay in touch, harroz thodi milta doodh and tel ki factory ka malik :P More plans and parties to come :D

- Runjhun

A number cruncher ; a genuine person who actually wants to do something for society and causes . Always been there whenever I needed you .It's super entertaining for me to argue with you and always prove you wrong . I hope that prayer formula of yours works ;All the best Shivam !

- Sohani

You are a golden 'dragon' heart. Always helping others and a friend to go to when in need. I will always remember our minuscule conversations and stupidity that were the sources for our daily banter.

Stay hungry and foolish! We will meet again...

- Adin

The Walking calculator, pure at heart, childlike, innocent and delightfully entertaining!! I wud really miss the Shivam I air-travelled with to Kolkata, completed case studies & ppts with and went on awesome trips. 🙄 And idiot, CEO ban ke and shaadi lke bhool mat jana!! 😊 All the very best in life!

- Rahul

The guy with a child-like attitude who makes everyone around him feel like that they are intelligent. At least that's what his birthday poster said. A guy with a "big" heart. Mr.Samarthan as he is called- dedicated to the cause all the time, whether in class, in the theatre or in a Quiz programme, Aphilander with many love interests - . I would cherish the time of our victory in Auctionmania. All the best, may clinch more glories...

- Vigneswar

Hey Samarthaan -), You epitomize the club apparently :P , btw for the others who dont know , Shivam is also a superfast human calculator.. if you ask him 97×123 , he just wooshes past with his number crunching and gives u the answer in seconds...

Other than that you have been one of those eccentric guys (after 2-3 pegs) :P who I have met in GIM. You are sincere and tries to get things done rather than shying away from responsibilities.Happy to have met you in my GIM journey.

Keep in touch and all the best for your career! 😊

- Joe

SAMARTHAN!! STUD BOY!! SHOW STOPPER!! DECENT NORMAL SHIVAM!! where do I stop?

- Ghanishtha

Bubbbbbbbbleeeeeeeeeeeeeee from Germany....can never forget those crazy Activa rides especially those speed breakers, can never forget how you ditched me a week before internship, can never forget how I used to convince you to go out (and by out I meant beyond 4Km radius) and which I still do, can never forget how I had to convince you to let me order veg for myself, can never forget the day we went to get my laptop repaired and yes you were entirely responsible for it.

Doesn't matter how often you call me stupid girl and greedy woman, how often you leave me alone with the dogs, how often you wake me up early for breakfast you have been a great friend and will always be. I know you have short term memory loss wala problem but meko bhoolaa naa toh wo kale haath wala thappad padega. I will miss you a lot 😊

- Dasot

Marathi Manoos # NOT. Best Englishman of GIM. Never did teach me to be so chill as you, bro. I shouldn't have to keep reminding you of my existence time and again! Don't be too lazy to stay in touch! Much love 🍷

- Vasudha

Hello Firangi aka MR aka Bhulakkad aka Tushaar, You were a very good roommate man.. note that I said roommate & not friend :P

2001 was probably the best of year of my life. Really hadn't hoped & couldn't have asked for better people as roommates & great friends than you guys. I'd have probably been debarred for half the exams if you guys hadn't woken me up soo many times! You & Boskee have set very high standards for whoever is going to be my next roommate :P Really miss those days & all the great times we had together. Bahot mazaa aata he tujhe tang karne me aur maarne me :P

I probably get you more than most other people because we kind of are on the same boat :P but humaaare bhi din aeenge, hopefully :P do not change who you really are for something that's not worth it! 2-3 aur advice dene he yaar tujhe.. ek toh plz utna accent jhaadna band kar.. kisi na kisi din bahot maar khaega.. and jo me tujhe hamesha se advice dete aa rha hu, usko please follow kar.. and please thoda tez bolna start kar warna people will take you for a mute person :P

All the best for everything bobby :) I know we'll definitely stay in touch. love you :-*

- Praveen

I knew GIM would be more fun the moment you called up and said "It's a convert!". Same school and now the same B school. 15 years and counting! Cheers to the long lasting friendship! 😊

- Prathamesh

Bobby, Bubble, Shawn(y), Firangi, MR, Farhan, Lucky!! I never knew someone could have so many nicknames.

😊 Roomie, I had an awesome time with you in GIM. Those parties and those group convos near Jaggu/Lib. would not have been this much fun, if you were not there (especially when you were the butt of the jokes 😊) Wish you all the best, man! Bhulakad saale, yaad rakhna! 😊 Stay frosty, mate! Hope we break bread soon! 😊

- Harjas

Shreyansh Jakhetia

Jhatku Saale !! Come a along way from being CSR group mates to partners in crime (cough mj cough). Loved every bit of it. Be it the awkward freshers party, last years holi, the bhand sessions or just random conversations it was super fun bruv. You somehow forced me into being your papa but I kinda got used to it and sometimes even took pride in it :P. Never let the curiosity in you die and keep on exploring. And yea try not to shatter many hearts.
Love, Chandypa .

PS : "Good friends talk about sex, chaddie buddies talk about poop" – Said no one ever

The Shining Knight of Mecca, trained in the mystical art of Jedi Bargaining, discussion me itna confuse ho jaate hain ki lagta hai dimaag sar me hai ya ghatno me 😊... Will truly miss those times we traveled to GMC for CSR & Panjim for Wizbiz and those crazy War-of-Titan debates on Urzaa & Colgate Charcoal. Stay blessed and keep rocking!!

- Richa

The guy with good looks, an ardent football fan and a backchod fun loving guy :P . Dude i loved all the trips we have been to and all those 'chal na daaru pitey hai' wall parties. Though we became good friends in the later part of the Gim but I am sure this brotherhood will remain like this forever. Bana you are a gr8 friend and it's always fun to hangout with you. wish you a very good luck brother and I am sure we will stay in touch. cheers!!!!

Shrinath K

You my friend are a headstrong.. forthright and trustworthy person, qualities which are rare to find. Be it our interesting chats in cafe or the struggle with assignments/ competitions late night, I admire your intellect and 'lets do it' attitude. Stay the same and be in touch... All the best!!

- Anubhav

Whatever is said about this diamond in the rough is not enough. A person who's laugh can rip you to shreds and who's knocking can only rival that of the eco clean. A tough and indifferent exterior is what you're known for, well not so tough now since its gotten all soft (:P). But we know you differently. A friend who'll always be there for you no matter what. You'll show concern whenever required without mincing words at times. We may not say it but we will miss you shree. Best of luck and I hope you get back into shape (a more streamlined one)

- Zaid

Shrinath, Cafeteria ke maalik !

The cellphone addict, the 'always earphones on watching something on YouTube' guy , the richest of all of us(Marrying soon?) 😊 . I am glad that 2nd year happened and I got to know you better 😊. May you grow richer(And adopt me eventually 😊). All the best !(* insert all other senti stuff here *)

P.S-Please don't stay the same- use that health club owned gym for once 😊

- Sneha

These 2 years at GIM would not have been the same without u! Thank you for always being there for me. It means a lot!
Stay in touch! Cheers!!

- Pratik

So you had the honor of being my first roommate ever and I must say you weren't that disappointing. You had your flaws, in fact a bunch of them but me being me accepted you anyways. You, sir, are a unique case of existence which has caused me enough cognitive dissonance to last a lifetime. Kidding aside, concerned and caring, I know you'll lay down your life to save a friend if need be and that's the kind of person you are. I'm glad that 2208 was the room I picked that day. Thanks man. Thanks for everything.

- Shwetank

Honesty now-a-days is an endangered quality & dts wt makes u admirable.. Truly honest as u r, I admire the way you express what u feel openly! U r a person with whom I had many intelligent s well as fun conversations.. Be like this always.. people like u r rare to find! I wish to stay friends with you always.. Stay in touch! Sunil!

THanks for being there to trouble when no one else was. im sorry i pulled off your pants in front of X (lets call her that)

and I do suggest you get that surgery done, male genitalia is not supposed to be of that shape. I will miss the sweet sound of "BEHENCHOD VARUN" in the middle of the night (the whole of H4 will), you dont know how much satisfaction that brought. But seriously, thanks for everything. stay in touch bhai! will miss you!

- Varun

khaali ... met first for csr and i had an impression of you as a very serious, no non sense guy and that was obviously wrong. You are the most backchod launda with a dictionary full of new, innovative abusive words :P :D. Loved our planning and discussion sessions of basanti , stratman & many more. Alot more i can say bhai but no point as you know it all. So just good luck, have fun man and be in touch.

Relentless like a pit bull(dog lover)...Goes for what he wants...

Conditionally Helpful 🙄🙄🙄

Love the look on your face after a chess match

Smokes only expensive "cigarette"

Stay crazy and passionate...the way you are

Pappad queen aka LUPIN hard core fan, ITC hard core hater!!

Will always miss your name by which we use to call you i.e. Khale R. Jab jab tera Option niche girta tab tab tu nanga bhag ke ajata tha room pe apni manhoos shakal leke.. Jab bhi tujhe koi tip deta to sada sa dialogue mar deta tha i.e Rational kya h iske piche, sale teri G*** rational.. Aur pata hai Markstrat me teri baat nahi suni toh hum first aaye..capstone me suni teri baat toh hum second aaye aur Basanti me toh teri baat maani toh team Ch**d gyi... 🙄 Chalo koi nahi accha dost hai tu apna.. :-)

- Vaibhav

I still remember when we formed our group in the MR course and then suddenly everything just came into place. The chemistry of our "STP" group was really amazing and I will surely miss the long hours of work we put in together for various events and projects.

- Paritosh

Tini, Tanko, Chotu This female has unlimited names... Super funny and always cheerful nature makes her more attractive :P ... Love to take her case :)

Tank!

You're my kinda biatch . I love you because I find us to be similar in some ways!! Love our frequency . I love your wit . I love chilling with you cos I feel at home . I have seen you grow and transform into the awesome person you are today . I hope you're always smiling and happy . I know you'll do very well !! Love you Tanko 😊

- Sohani

Tanki! It was inevitable to not know you here at GIM. A bubbly lil thing who's always fun to hang out with. Thanks for being one of the few people who get my nasty jokes. It was fun annoying people with you :P

- Annika

Couldn't thank her more for those Thursdays we use to go together. Else CSR's would have been so boring 😊 . We share some great memories of CSR. Tanika is jovial, ambitious, definitely not innocent 😊 and hardworking. It was great to have met someone like her in GIM. Be it Group presentations or assignments things become really simple while working along with her. She is excellent at conversations one of the very few with whom I can connect in GIM (Marathi Marathi connection 😊) And as promised on the D day you would be my 'Karavali' 😊 😊

- Onkar

Well this little bundle of joy and cooker of effervescence just never stops. I say, your source of limitless energy could be the solution to all of our problems about energy in the world 😊 . Fun to be around and a flexible team worker. Wishing you the best for ahead!

- Keegan

Third day of GIM made me realize you are a devil in a chota packet. Starting with The Plan (jayesh canteen 😊) to all your I Wants, you were a mastermind. So much allergy we had of each other and those long overnight bitching about people we regularly did which I would never forget. Best was when you bandaged my wounds after the accident, convincing me it was nothing major and it turned out to be a multiple rib fracture. 😊 #RKBians #Xhotu #Whuchaldd.... #BrosForLife

- Rohit

Chota size but huge presence (literally can be felt from miles away). Your bubbly energy and I WANT is the reason for half our outings together. Your AAA intellect and infectious laughter has filled our evenings, late night chillouts and outings with fun. Be just as u are. #RKBiansForLife

- Devendra

Xotu!! The chota packet that can bomb any surrounding! Cheerful, bubbly and all the characteristics of a kid literally! Even though I knew you from before, last 2 years I realised you are more childish than ever :P It's been amazing knowing you and I hope we cherish the memories and make more in the coming years.. :)

- Satwika

Tanki, sometimes sitting beside you, i felt like i was sitting next to a missile that is about to launch into space any second. A wild child on steroids! Always crazyy and lively though, will miss having a Benchiee like you :P Cheeeeerrrrs!!

- Sunil

Chotta packet... my dearest tiny bomb, bade dhamake wali...

Hey pops!

I have never come across a person as selfless as you. You have been there for me whenever I have needed your support.

I will always remember rambling through your drawer to find something to eat (I was never disappointed :P), scrolling through your messages and giving my personal views :P, your patience every time we played badminton, your endurance for my constant bickering and countless other things.

U have been a gem of a friend and I wish you all the happiness and success in the world. Hope to see you soon my friend 😊

The most hardworking and dedicated person I have ever seen in my life. Tu hota tha toh project aur assignments karne main problem nahi hoti thi. A guy with lazy elegance and "Kewl" attitude, he can take all nonsense in this world and still be calm under pressure. A guy with creativity quotient and his creative ideas always were on display during the past two years in GIM. I personally don't like him taking "Creativity" classes. High hospitality is his trademark. May you do well in all your endeavors in future!!! Stay connected :)
- Vigneswar

Utkarsh, you have got the sensibilities of your musically inclined mother. Your creative abilities have been a matter of intrigue for all of us. Have loved your "Ulloo" posts and creative posters. I got to see Goa through your eyes. Thank you and my best wishes.

- Mohit

Shaanu, I know people will find it very weird, knowing you have a very innocent and sati savitri image in college, but today I plan to expose the real 'you'. He is the man if you want to have the most stupidest of conversations, get some relationship advice, have free alcohol to dispose off or find logic in the most illogical of things. A law abiding citizen who never drinks or talks on the phone while driving, and gets satisfied too easily. In spite of your limited presence, I cannot imagine GIM without having met you. My best friend on campus and the most kanjoos one too , I will miss you lots, you idiot. Keep in touch or else tere sapno me aake tujhe chaain se sone nahi dunga. To Mr. Self obsessed (with lots of love) :*

From beer trips to waterfall treks... from drinking nights to morning walks. I will always cherish these memories...

- Anubhav

Ganga!!! The wannabe physicist who mistakenly joined a B-school. My craziest friend. The guy who never gave a shit about anything. Speaking of shit, dude you need to control your obsession with pooping. That and the quest for sparkling skin. Oh and stop bothering people with doubts on physics when drunk. Cheers Jar Jar Binks!!! 🤪

- Agney

Hey Ganga .. It was so much fun working with u during internship ..although u had the most stupid scientific theories and u r completely "demented" but sometimes its good to live in a parallel universe !! but anyways it was great fun and be the same don't need to change for anyone .. all the best for ur future !!

- Mark

Sincere, hardworking, objective thinking and a proper unbiased mind is what every of us want - You already got it !

Try to open up a little - world is full of good bad and ugly people, you need to show them correct way. I can say on behalf of placement team and GIM that both were lucky to be around you and learn from you things they don't teach in B-schools.

- Sandeep

Quiet, calm, sensible and hard working. Proud to have you as a team mate.

Dear Vandy,

Memories & Testimonials

Vigneshwar Narasimhan

Mr. Double MBA, you are one of the most kind-hearted and genuine people on this campus and I truly respect this part about you. We have shared some very nice moments together which I would cherish for life like the trip down South to Majorda and the victory at auctionmania. Hoping for some more nice moments together. Best wishes for an outstanding career Viggie boy :)

- Shivam

Viggie!! The most logical and one of the smartest guys I've known. Can't believe you can even make friends over something like Hajmola 😊 . You've been more like a guru to me all those life's lessons and pearls of wisdom have been enlightening. Simplicity at it's best. Cheers to the guy who doesn't give a shit about anything else!! Wishing you all the best in your future. Stay the same. Keep in touch. -Agney

U are a smart and sensible person. Cool and calm under all circumstances. Stay that way & all the best. Stay in touch.

- Supreet

Vigneshwar, You are a brilliant guy. However what makes you adorable is your helpful nature. It is my good luck that I got to know you. Learnt a lot from you. My best wishes

- Piyush

The most Engineer guy of GIM, It is tough to get people like you Mr. Narasimhan in a persons friend list. Very few people are able to understand what exactly you are and the tough part is one cannot explain you in simple language. You are like a mathematical equation that too a difficult one with lots of unknown variables and one has to keep solving to come to a conclusion. Having said that you still have an imaginative mind :p (Wink!)

It has been a fun experience hanging out with you, guiding me on every twist and turn of MBA, helping me out on my resume, interview skills and understanding superiors.

those never ending discussion of markstrat with you and shivam arguing about every single detail was worth the energy and time Honestly, privileged to be a friend of yours

"Man with a golden heart, as a kid I was always told that whatever you become in life you should be modest and humble about it. When I met this man, I knew what those words meant.

You are a true friend, who looks beyond everything and stands beside you.

He will keep on doing things for you and never ever mention about it.

The bond we share is extremely special (Papa - Pintoos). We have had some crazy memories together and there is more to it. I am looking forward for all the trips that we have promised to go together.

Cheers to you papa".

- Kamal

Being a Messiah isn't an easy job ;) . Your exuberance for care, patience and adjusting nature will keep you blessed always. We've had such great times and these memories are to be cherished always. I won't be surprised if vistas of us in your room(s) flash before my eyes even in the distant future. Because that's what pals do. Never let go of the simple things in life which matter a lot. Cheers!

- Keegan

Baba, you are a God! You have never said no to anything! Insanely crazy and killer of a guy! When you are around, I don't have to worry about driving after parties! I have to censor the rest of stories, but in a nutshell, you are the King Of Good Times!

- Aditya

Oye Binayak! You've always been like a little brother on campus. Will never forget our H6 days. You were always there to help out and talk to for every little thing (Except for group projects! :p) Our cookouts and parties at your room remain Legenday and unmatched. Always stay your enthusiastic and positive self. G.I.M wouldn't have been the same without your shout outs in the cafeteria. Hope we keep in touch. Loads of love Manki

- Nidhi

Vin! You're the most genuine guy I've met here. You have a heart of gold and the most beautiful soul. I'm really glad we went from being just classmates to best friends. It is really amazing how comfortable you made me feel every time I felt low. And its crazy how our choices match in most of the things. I've learnt so much from you. Thank you for being there for me every time and I want you to know that I'm always gonna be there for you. I wish you the best in everything you do. Always be the beautiful person you are. Loads of love :)

- Annika

The first time we met in that party with the Floyd, I was sure we were going to hit it off. Since then there has been just a haze of a year which I can not remember. But I know it was the best. Trying to imagine GIM without you is a task I do not even want to try. Those mellow nights in the Balcony with the bean bags, Torches playing in the background, a star filled night and some existential conversations will always be one of my fondest memories of Goa. It feels wrong to write this, we are not saying goodbye, an awesome chapter called Mumbai waits for us, and I am as excited as I was the first time I met you. I know it is going to be Legendary.

- Jidvish

Vin! Night Fury! Drogon! I am so glad I got into SCOPES and met you. We have had some really great times together. Fun, crazy dinners.. I really like how you take life so coolly, never seen you irritated..always ready for an outing , always ready for a party.. wishing you an awesome life ahead.. do stay in touch! :)

VINOD AHUJA

Baboo meri jaan. Ab kya bolu main tere baare me.
 Chota packet bada dhamaka. Koi filter nahi kuch
 dikhawa nahi jo man me aaye bol dena hai.
 Brutually honest, marginally annoying but have a
 great heart. I'm glad I got to know in the 2nd year.
 This doesn't end here. Abhi to Punjabi bhi sikhni
 hai.
 Cheers to the future and the good times ahead!!

- *Shwetank*

Buubsss!!
 The most cutest person on campus..and our
 supplier of late night food 🥰🥰. I wonder how
 your energy never drains!! Always smiling and
 helping, cracking funny jokes and pulling my
 cheeks 🥰🥰. I love the way you say your gaalis
 🥰🥰. Don't change and keep in touch! 🥰 Ba

Babuuuuuu.... meri jaan hai tu. I know how much I have
 annoyed you in these two years, but trust me tere jesa koi
 dildaar dost nahi... I love you soo much... teri bhasad tak
 yaad ayegi kuttee :*

PS: Wen i say I love you, believe me its TRUE! :*

- *Nidhi*

BABBU! Chalta phiarta dynamite - fill of energy, ready to
 burst! 🥰
 You made the HRiday experience so much fun and exciting.
 Tu jab tak ek do gaali na de na, feel hi nahi aata. Stay the
 Bindass, bad-ass, dhamakedaar, street smart dude you are.
 Keep in touch! Bhoolna mat!!

- *Mohita*

BUBBS!!! 🥰 " O jji ladka teh badaa sweet hai" 🥰🥰
 Babboo you're a brother to me and also my partner in crime
 for the most part. I still miss and always will miss all the
 times we chilled in my room last year. You never let any of
 us get bored and always kept a goofy energy in the room.
 Keep at it bubbs and stay blessed. Cheers to our 'Sweet
 Buoy" 🥰🥰

- *Vinayak*

Babuuuuu ! I remember the first week of college. I saw this
 dramatic, over enthusiastic, sometimes imitating guy
 hopping around everywhere in the campus. Never knew we
 could gel this well :D I look forward to more fun times..
 more dancing on punjabi songs and more memories together
 .. :) Cheers!! :D

- *Sneha*

Having never lived in a hostel before, and as anxious I was to
 get a compatible roommate, I couldn't have asked for
 someone better. You have supported, guided, critiqued and
 inspired me - and I owe a lot of my success to you. All the
 best, bro and stay aggressive!!
 Cheers to Room #2312!!

- *Milav*

Babboo mere bhai!! tu kitna bhi bakar, bakwas ya whine karta
 ho, par banda hai tu achcha. Like your honesty and truth.
 Always keep shining like this! bohut miss karenge tumhe!!

Babbu. This is highly unfair! Too little words for someone
 who means so much. There are very few people in your life
 who shall stand by all your whims and fancies, tantrums, rise
 & fall and even hormonal imbalances: P and yet look at you
 the same way throughout. I am told that we must work our
 ass off to keep such people in our lives. And so I shall strive
 forever to have you by my side. So no goodbyes here. A few
 words though! 'Ik Dost Di Ik Dost Layi, Ardaas Hai Meri
 Rab Nu, Ke mere Ton Vi Haseen Hove, Naseeb Tera'

- *Pooja Raina*

Babuu saale!!! Kahan ho, kaise ho, zinda ho, mar gaye,
 rajaram chaloge, daru piyoge, kyun nai piyoge, kya kaam hai,
 bhasad kyun macha rahe ho?? So many questions to greet
 you brother. You like Vinayak are just like my younger
 brother man.

Cheers to all those times at RajaRam and listening to each
 toher bullshit around. Cheers to all those fights during
 L.I.M.E. Do remember this - its on a personal note - that I
 will be around even after GIM. So don't you worry child. :P
 50% rate par Kingfisher deliver karwa diyo who bhi home
 delivery.

Stay put the way you are cause..... let's just say it's the way
 you are. :p

- *Saurav*

Sale Babu! I don't even know where to begin. We've had so
 many memories here on campus that its difficult to
 summarize in a 5 liner. Thank-you for being a great friend and
 always putting me in my place when i needed it. Also, you're
 welcome for the person you have become in the last 2 years :p
 Will never forget the power of Punjabi music and Coke
 studio all thanks to you. Tu nahi hota toh hamara kya hota!
 Seriously you're an amazing person and never let anyone tell
 you otherwise. Keep in touch (afterall you have to get us a
 loot of beers with your "contacts") !!! Also remember you're
 not a NASCAR driver. Loads of love. Till we meet again.
 Manki

Abhishek Naik 'Sexy'

Pure hearts are difficult to find. If you get one, keep him... sexy baba... u are rarest of those rarely found people... such friends are welcomed, with open arms..

- Rajendra

The "Baba" of our group. The dancer, pro CS player (College champion) and the masala of all stories. Mild and gentle (saesh would probably say otherwise 😊) you definitely did bring sense into our group. Your horror stories are a stuff of the legend and so are your tales. Never did we have much fun when u were missing from our trips. All the best for all ur future endeavours!! Stay in touch.

- Supreet

what do I refer to you as??? The guy with the golden heart would be the most suitable line I can think of. The guy who is always ready to help any friend at any time. The CS sessions would have been much better without you though not letting us many chances :P. Have always enjoyed the numerous stories told by you on all those road trips specially the horror stories although there was too much masala added to it. :D. Lucky you getting to work in your hometown. All the best for your future and stay the same!!

- Sujay

Abhishek 'Baba' Naik. Our very own expert data analyst and among the favourite students of MR sir as well as expert Business Analyst (partly the reason he landed the analyst role at Infy!!). His other talents include astrology, telling ghost tales and blowing vague rumors out of proportion.

- Onkar

Abhishek AKA Sexy AKA Baba, you have been my support system in the second year. I looked up to you for anything, be it assignments, project work, bakchodi or anything. You are a hardworking guy who has never free-rided in any of the assignments ever. Your strong points are MR and IT and I have no doubt that you will make a very successful career in IT with your hard-work and determination. Wishing you a very successful career ahead.

- Ashish

SEXY BABA!! You owe me a complement for being your publicist in GIM 😊. Baba is street smart, hardworking and dedication fellow. Also most entertaining person in group. You have always charmed us with your skills in dancing, astrology and horror stories. I would never forget the horror stories you told us. Cheers to all the fun we had!! Would miss you in Bangalore. All the best for your future! 😊

- Saesh

The "sexy Baba" of GEC and now GIM.. man i need to reveal this here but u have the talent of reading hands.. "palmistry".. too cool... well what else to say about you.. u have abundance of luck with you... getting your dream job.. in a dream company.. at a dream location.. dude u cant get lucky than this...!! i too share a close friendship with you n u know it why.. "gf issues" to be specific...:) hope v go a long way in the future.. "Hyderabad Rocks" :D

- AMAY

Sexy Baba!!! I'm sure deep down there, you feel a sense of pride when we call you by that name. Sorry you could not achieve the degree of fame you had at GEC. But then again, you never truly unleashed your palmistry powers. Always the butt of all our jokes 😊 but you were quite a sport. I'm gonna miss all your ghost stories and all those trips we had. All the best for future!! and stay Sexy -Agney

- Agney

Abhishek a.k.a sexy baba. The most hardworking person i know in GIM. sometimes, single handed pulled our team/groups to finish assignments. He's hatred for non-veg is only overtaken by his love for Sambhar. One of the most fun guys to be with. He has the best stories to tell and hes match with Sumpun in FIFA 15 is the one i'll never forget hahaha. To one my best friends Abhishek! All the best!!

- Annirudha

Cheers to all the CSR visits!! U really did work hard on the project 😊!! Wish u all the best for the future!!

- Shagun

Without a doubt, U have been the most feared bowler in the 2 years at GIM. Halla Bol just couldn't be Halla Bol without you... We didn't win Basanti'16 but surely created many memories on the field!!!

- Apoorv

shuklaaaaa. i knew him b4 GIM. but only after getting into GIM i got to know the real u. ur that "friend in need wala dost" which was an integral part of my GIM lyf. poha is one special part of our dosti, kabhi chalte h indore khane 🍕.

asha karte h khushi apke kadam chume and success apke sath sutta piye.

bass thoda gussa kam kia kar 🍷.

in life whenever and wherever i'll get to listen the song "dhinda dhin dha", i know my eyes will search for u and anshul. hope u there sometym

- Vishal

Aditya is a combination of sweet and wild. He portrays himself as a badass but he has a mushy heart. He also loves aalo ke parathe. We all got the trekking bug because he used to push us to explore places. GIM's star bowler, the boys have nightmares thinking about his bowling. He is adorable, kind and was the life behind 2210. He made the place a legend! To all the memories of 2210 Shukla, you were an integral part of my GIM journey.

- Sheena

Saale..tereke kya hi bolu yaar. pehle din hi mil gye the, sath rhe 2 saal, khatarnaak bakchodi kaati.. thoda jaldi serious ho jata hai..chill rakha kar. In the last tu aur vishal are the reason I do not miss my home.. will surely meet you outside. 🍷 🍷

- Anshul

Shukli ... sabse bada dramebazz insaan. I was good to have you as my first roommate . Had a wonderful and memorable time being co-owners of café 2210.. You are good at heart that I can say because I have seen your other side that most people have cannot see .. Hopefully you do well in life and enjoy it to the most.

- Shreet

Sir, aap dude hain! One of the all-rounders I met in GIM. Brilliant physical strength and sharp brain! You lived like a lion (yes, though I was drunk, I remember what I had said) and that's what brings the respect I have for you.

You should have been an OPS major dude! All the best for future and Keep in touch.

- Swapnil

One good thing for me is that from now on, I will not have to face you while I am batting....!! Without you, it would have been difficult for us to win Basanti last year!...stay in touch 🍕

- Sagar

You have been a great competitor on the field and be so in life also... Bhai apnay zindagi kee raftar v apnee bowling kee tarah hee rakhnaaa....

- Pratik

Shukla...you will always be special as you have always been...the misunderstandings and silences never actually made a difference in the way I see and feel for you...you are a stud but somewhere deep you are a genuine, emotional soul that I have always admired... Words cannot describe how precious you are to us... May the silence does not continue anymore... Miss you..

- Shruti

Der ae but durust ae sir, tera bday hua tha tab pata chala tha han bhai koi mard aya hai, ek sal kafi acha kata bhai, tu har chiz me aggressive hai (except gd), alag chalta hai but sahi jata hai (at least 90%), bahut hi ek jaisa sochte hai apan, milte rehenge age. khush reh.

- Mohit

Adrija Basu

I don't think words would be enough to describe the bond we shared. We've had some of the best conversations, too many to point out at specifics. Too many instances to pull out and talk about, too many relationship talks, 'life changing' conversations. You're probably one of the best takeaways from GIM for me Adrija. Hope you find true happiness, because you deserve it.

P.S. Patli hoja, warna challenge haaregi. :D

- Rohan

My bong roomie..I will really miss our conversations, gossips and how much I irritated you everytime I went out 😊..U have been my confidante and excellent adviser all times..Our bong outings and common love for fud..specially ur patent order from JK..he he 😊 will never frget any of that..U r an adorable and confident person & you will definitely do well in life.

- Mousumi

Aww drijia. I still remember how surprised you were when I tried to pronounce that right. Well, we've come a long way since then. I can be quite expressive when I write, so chalo aaj teri taareef karte hai. I admire your innocence and how you happily own up to all your statements and doubts (how ever stupid), without thinking how 'the mean people' might react. I like how you make me feel better about being a Gujju, with accidental yet horrible pronunciations like 'smale'. I like your perseverance, with which you've tried to show me 'Gone Girl' a hundred times; however unsuccessful those attempts were. I like how you've learnt to appreciate better music, even if you corrupt my YouTube history with Bieber and Gomez once in a while.

Stay in touch. I'm sure you will. But in case you don't, I'll send that occasional "Zinda hai?" text. Because you know, YOLO. 😊

- Sannidhi

It was really great to have you around, since I got immense pleasure speaking in my mother tongue. Talking about Kolkata, Bengali food and explaining what Bengalis are and what they are not, was always something which gave us immense pleasure. Best wishes for life ahead.

I will never forget your "interstellar" level comments. :D

- Dipanjali

Well Well Well.....the first party animal from Bengal I came across in our first hostel party in Dibyo's room. you are a superb team player and a friend. Had a lot of good memories with you. Looking forward to a great time ahead in INFY..too with you. Just reduce ur whatsapping...:-p

- Satvik

Dear Audi!

U r a very sweet person and one of my very good friends that I have found in GIM. Next time I visit Kolkata, I know whom to contact :) Keep khaaboing Murgas and luchi s and roshogullas...Cheers !! :)
-Ayu

- Ayush

Audi.....First of all I luvv the way you speak Hindi language...awesomely cute...One thing I came to know about you over the period of time...that you are a team player....and you really care about your friends...Keep enjoying life the way you do....Best wishes...)

- Vinisha

Gaal kheechna band kar yaar please... ki tna matlab ki tna ..!!!!Tere ko cheeze samjhane mein thodi dikkat hoti hai but baaki sab theek hai 😊 ..Thodi badi hoja yaar...n han SAC SAC khelne mein bhi super maza aya...i hope we would have continued together..!!!!
Just be as sweet as you are and my GAALs are always available for you 😊

- Prerit

Hey Audi, I really had fun while working with you in SAC. You've got courage to stand up and speak for your batchmates, but you still get scared of crossing the road 😊. Keep the kiddo withi n you alive, cause that side of you is too cute

- Noah

Auuww ddi!! I have neva seen such an adorable being like you. Perhaps this is the reason I go teasing you fearlessly every time for your Bong Pronunciation.. Khirki.. Parai ee.. and many more 😊 P.s. Those crush stories and your "its not like I am acting on it" statements would be cherished alot! Stay the same Darling :* And don't forget to invite me on your Bong-Wedding 😊 All the best!!!!

- Shagun

do you know your genuineness reflects in that sweet warming smile of yours! keep smiling like this always.. ☺

- Debarjana

Super hardworking and reliable. Extremely friendly. Been a pleasure working in clubs and class groups. Learnt a lot from you. Stay in touch.

- Asiel

Akarsha Kadam aka Aku

Pure! That's the one word which defines you. You are a pure soul. You genuinely want people to be happy and, negativity irks you like anything. You are sincere in your relationships and considers them as a lifetime investment. You are too much fun to be with. I am glad we became (better) friends in the second year and now it seems like we are stuck together for a long while. Talking about ling while, we are so so meeting later this year for the epic re-uni on (Furkan knows what I'm talking about)!!!

- Vijayant

Akkuuuuuuu.. I know we came close recently but i am so glad that we did.. where will i find a crack like u ☺ who is so much fun to be around.. u know the best thing about u is that u dont judge people.. also i just love it when u speak 'hindi'.. i think u shud speak often ☺

Just love the way u r.. please never change.. And thanks for all the good food! Cheers!

To the girl with a calm exterior and absolutely loud and crazy interior. Your mischievous smile can lighten anyone's mood. Cheers to the crazy memories at Chennai and hoping you make it really big in your life. God bless ☺

- Pallavi

The cutest weirdo I know!
Akuuuuu! Sitting and gossiping about people from my window, forcing each other to brush before sleeping and to workout, our shared love for fashion, late night talks, checking up on each other the moment we reach the hostel -these 2 years have been amazing. You are one of the first friends I made in GIM and I'm really glad we made it to the end. There couldn't have been a better person to restart my professional career with.

Thank you for always being there and for all the food you get for me. Your mom seriously is the best cook! I am already excited about all the Bombay chilling and shopping we are going to do together :D
Lots of love from your neighbour

- Disha

Aku! So much mog was there initially then it died down and now its back again ☺. Thanks for being there for me when I needed you on so many occasions, you helped me in many ways than you can imagine You have one hell of a crazy side which we've all seen at one point or the other - zombie dances, rolling in the fields, creepy biting! Crack girl. I know we'll keep in touch after were gone. Hope by the time I meet u again after GIM is over you've lost the JVness inside of you ☺ See I told you I'll always stick by you as your friend man ☺ Peace!!

- Mark

What PCCE didn't manage, GIM did :)
We've never had it smooth sailing, we can blame our PAT Child states for that :P But when I look back, I can't imagine GIM without you. Who would I crib to? :P Even your mum is my friend on FB! I hope we always stay like how we began this journey and sorry for being difficult, you know me and how unpredictable I can be :P Keep in touch man! :D

- Werlene

Aee Crazy guy, Y r u so quiet sometimes. Trust me chances are you would feel she is nice and sweet ,but trust me she can be whacky and mean too !!!!
All the best with sales in Gurgaon :p ShAADI mein bulana and if you dare call me when Bahubli 2 releases" I will Find you and kill you"

- Furkan

Aku we've grown so close in the second year. I'll never forget how we would go down to have a budget meal but would always end up ordering like crazy.. we would always try to participate in all these competitions, which was such an effort in futile :P... Aku you are so focused when you do something, I've seen you work on assignments convincing me to take it more seriously... I think you just need to relax sometimes, you always look so tensed and worried about everything. You are definitely going to do very well for yourself. Love you so much Aku

- Mark

- Varun

Aku, you are very sweet and adorably weird all at the same time. ☺
Thank you for all the food and delicious sweets you always got for us! You are one of the most unique people I have met! As well as a very talented artist (your love for animals and insects is lovely! ☺) Someone who I always found really kind, caring and genuine. Will miss our girl's nights! ☺

- Dianna

Yo crazy cat lady, it's always good to meet someone with so much enthusiasm for cats and dogs as I have, but you go beyond that. I loved spending time with you, despite all the shit that you have pulled off on me, just wish that you were not that much of an introvert and we could have talked before. Despite all this don't change, stay awesome, be crazy, keep scratching and the most important of all never grow up. From the funniest guy on campus (fuck you too)

- Mohit of love

Hello Daaru partner!
You've always been a great company to hang out with. From sharing unlimited late night laughters to getting some healthy heavy dose advices, I've always considered you as a big brother and I am sure you've treated me as a small one. You rock the way you are. Stay the same!

- Vinayakan

Contrary to my first impression of you (without interaction) , I found you a really nice person. Somebody who is calm and sorted and Intelligent but ofcourse. Howsoever little interaction i have had with you , it was great knowing somebody like you. All the very best in life dude. Stay in Touch !!

One of most knowledgeable person with passion for cars and computers! You have won medals to make our college proud! Be the same!
Aditya

- Aditya

Being one of my best friends. We enjoyed a lot from playing CS, Partying to sharing stories. It was always a dream to defeat you in Fifa 😊
You are the guy who was always in my groups for almost all the subjects. It was you who made sure all the parties, trips and hangouts were successful. Looking forward to see you as a successful Entrepreneur.

- Abhishek

The most enthusiastic person of GIM and Prof's disciples. Man you are a walking encyclopedia. The quizzer, you ask him anything and he knows it all. He will tell u stuff even if u dont ask and he doesn't stop talking... he is also a pro gamer. basically plays everything from Fifa to CS. I share a very close friendship with you and it will go a long way... stay as you are.. cu in mumbai and i can imagine how it will be in mumbai.. staying in the same flat and craving fish curry.. cheers to the amazing time :)

- AMAY

Of all the crazy friends I made at GIM, you'd probably be the funniest of them all. From late night CS matches, dinners at Dada to those late night drives with 7 guys squeezed into the back of your Alto. I'll especially never forget that one scary ride to Baga and the case of missing 40km 😊. An avid quizzer and a petrolhead both of which meant we were always in sync. Had it not been for you, hostel wouldn't have been as much of a fun. Prof's Disciples, CoolP, Dogtor, Strai kar all of these wouldn't have existed had it not been for us 😊. Wish you all the best for your future. Take SBS to greater heights -Agney (Yeah, that's how it's spelt and NOT Agony)

- Agney

Quizzer, ladies man, gamer, biker, director, super rich, global expert; Anirudh you wear so many hats. Best thing about you is that you are not double faced, whatever you have in your heart is what you speak. We became good friends during CSR and our friendship grew in second year. Wish you had stayed in hostel more. I missed you a lot when you were not here. Our friendship reached zenith when we partnered for a quiz first time and went on the do well in that. Wishing you a successful entrepreneurial career ahead.

- Ashish

The multi tasker, the gamer, the chatterbox and the ultimate quizzer. The number of awards you won at quizzing inspired me a lot of to participate in such events. Your energy levels always used to amaze me. One of the guys who is straight forward and doesn't hold back. Although it was hard to find you on campus as most of the time you would be running home, it was great fun having you around. Mumbai would be waiting to welcome you. Hope you keep the energy and enthusiasm going. All the best buddy and keep rocking!!!

- Sujay

Gadget-freak, Avid quizzer, Batshit crazy, resident laptop repairwala and extremely talented with one of the sharpest minds at GIM! Okay that's the mandatory good part that I am now done with! 😊 We know each other since the club selection days and boy its been some experience! Half the time I have felt punching the hell out of you thanks to your judgmental "know-it-all" self and the other half I have spent wondering why I did not do it! I have probably been in more groups with you than with anyone in GIM and all the memories cannot really be summed up in so few words 😊
May the "Director saab" live long, be as (or maybe slightly less) nonchalant and completely unapologetic as he is and buy a Hayabusa soon! 😊

- Shaunak

Anirudh! A great friend, excellent quizzer, passionate biker and pro gamer. But the best thing about him is that he is very enthusiastic, passionate and restless kind of person. He is also big time foodie and perfect dada bar companion. Anirudh, I have always enjoyed your company and would miss you in Bangalore. Would love to see you as successful entrepreneur 😊. Cheers to our friendship! 😊

- Saesh

Very old friend, although got to know him a lot better in these two years. My life at GIM got a lot easier because of all his help. A very good quizzer and a football fanatic, is also a technology buff. Thanks for all the help and wish u a great career and life. ADB!!

- Supreet

Quizzer = God Level! That's you bro! Every night you kept reading something or the other online, just hats off for that! And so much Umed you got and your debating skills par excellence! 😊. Though most of the first year you were at home, despite us being roomies, we had a good time! Good luck bro! Cheers!

Apoorv Somani

Mahavat,

Gim wouldn't have been Gim without u..U are one of the biggest take aways for me..i never saw a friend in you, you always meant family to me..

- Anurag

One of my closest friends at GIM. Couldn't have experienced an exciting and thrilling two years without his company. I have learned a lot from him specially various types of 'abuses' 😂. Looking forward for a more thrilling experiences with him in the future.

- Paritosh

Captain Saab! I still wonder how you manage to handle every situation being so calm and patient, never have seen you worried in the past 2 years! A happy-go-lucky guy, a friend for life, khade-khade kisi ki bhi lele ye banda! Bhai vo Jaipur ki late-night city drive hamesha yaad rahegi! Mite rahenge Sirji, stay in touch :)

- Harmanpreet

Captain,

We had a great time during the first year in the H2 basement & I'll always remember that visit to the casino during the first week of college :D but clearly, we've had the best of times on the cricket field! thank you for the opportunity & I hope your passion for the game never dies :)

Hope to keep in touch in the future too! All the best & take care :)

- Praveen

I loved playing under you, and captain your life as you did in the Basanti... You have really got the best out of me and given me some best moments on the field..

Thank you.

- Pratik

To start off with, I've been lucky to have a roommate like you. Apart from sharing similar interests 🍷, I've also learnt many things from you. Your timely advices were of great help and hope you continue doing the same in the future. And yeah, all the efforts made from building the Basanti team to planning and strategizing worked. 😊

- Vinayakan

Cheers to all the fun at CSR. It was always amazing the way you bunked classes after giving attendance 🙄 Best of luck for your future...

- Abhishek

CSR mate and EPIC cricket fan! Sweet and nice. And really funny by the way he manages to duck class and get attendance at the same time. :) I am glad to have met you Apoorv. :)

- Sheena

Bhai, I am a fan of your captaincy!!! Halla Bol ko tujhse better leader mil hi nai sakta!!!

- Ankit

Many times I would have not agreed with you while discussing cricket (e.g. – Whether Sachin is a match winner or not? 🤔), but it was always a fun discussing it with you. We have played a lot together and trust me, I have enjoyed more when I was part of your team rather than being in opposite team. Apart from that, I consider myself lucky to have a friend like you. I will always remember those moments spent together. And yes, we will get too busy once we start working but always stay in touch.....!!!

- Sagar

One of the few people who stayed true to the "sales" cause! 😊 .You have been a prime example of diligence and hard work throughout these 2 years I have come to know you. Will remember all the BBQ's and trips we've taken together in college, and I'm sure those won't be out last ones.)

- Eriich

Ase, you are my Plan Partner! Always cooking up crazy plans together. You were always there to listen and I could talk about anything. Always ready to help and going out of your way. Thank you for always lending a ear and for always being so sweet! You are without a doubt the sweetest boy. P.S. and please stop saying sorry

- Dioma

The nicest boy in the world! You have always been there for me no matter what! Helping me with car troubles, downloading movies, getting food and medicines for me when I'm sick, picking up breakfast for me when I am too lazy - you seriously are a one man army. The best thing is you do all these things for all your friends! You never say no to anyone. You truly are a gem!

- Disha

Ase, the most friendly guy in campus. Always helping everyone. Boy you are so sweet that people around you will have high sugar levels by your presence. You have helped me so many times unconditionally, and without any expectation. I still remember, the first time we partied together, and I passed out, then you had to drive us back! Be the same always! Cheers!

You have got great talent and brains bro, so I know you are gonna be the next big thing in the corporate world whatever it is, lets meet up for a chilled one every now and then. Cheers

- Noah

Adomant. Hot-headed. Robotic. Child workaholic. Headstrong. Fierce. Romantic. Nicest person on campus. You have such a strong personality, it's maddening sometimes! No signs of suggestiveness in ur blood. What sort of a goon are you? I - b. None of the group & club work would have been half as good if it weren't for you. You've been the best to work with, and yet one of the most difficult. You're too nice a friend. To be a chill pill ace, so much stress is not good at ur age (he's 42 btw) do keep in touch. P.S: call me for hot chocolate, and maybe we'll laugh over silly things like work & submissions

Mr Dependable when it comes to travelling. My partner in crime all the time. Our sample excerpts from a conversation

Avinash - 2 din chutti hai. Kya karna hai ?

Onkar - Mumbai chalet hai !

Avinash - Chalo 🙄

Avinash has a unique taste ! While most guys might drool over anorexic stick-insect like models on TV, he likes those girls jinko mummy ke pass leke ja sakte hai(correct me if I am wrong 🙄). Thoda impatient and ziddi hai but hey that's the kindoff attitude that makes WINNERS. You will be overwhelmed by his expression of friendship. You will feel an aura of honesty, positivity and serenity around him. I wish him to see big in name, fame and obviously wealth. Way to go Bhai !

- Onkar Desai

Honest, caring and sincere guy!! We have spent great time together in Sofia. Calm guy and know how to handle the pressure!! True gentleman person!! Will miss a friend like you!! Best of luck for your future!! Stay in touch bro!!

- Piyush

Deepak KS

You are selfless, helpful and a patient guy. At Cochin (along with KF strong) I saw the fun side of you which I didn't see at GIM. You are a great person to be friends with and a person on whom anyone can rely on. Start developing feelin'gs for cats. It will come in handy.

- Winnie

Strong as a rock - mentally and physically. Tactful, and so madly fun!! Finance God! Football freak and my theali eating buddy. Gossip King! and someone I consider friends for life! Damn it Deepak, we all have had so much fun I can't do justice to this PG-rated testimonial. Well, you know anyway, I have told you enough times when I am drunk. Stay this way. (That's an order) :P

- Sheena

God level - at Finance, Operations, Gaming, Stock Markets etc. For me he is my big brother too! A gem of a person, who is always willing to listen, help you 24*7, and his patience, second to none. The things that I have got to learn from you, though the list is endless, I would just say 'm glad that I had a mentor like you at GIM. You are easily the most looked up to person on the batch. Wish you all success! Cheers!

- KF

The summers got cooler, the winters warmer and the rains...I shouldn't be talking of the rains right? You are my biggest source of inspiration and I have experienced the most amazing moments with you. Your humility races across your wisdom which is a rarity. Our journey has just begun and I wish you all the best for your life ahead. I love you man!

- Anjali

Da!! What's happening?? Khaana kha liya?? Nai kya?? Chal rajaram?? And yes there goes all our classes for the day. And then the other round of questions - koi competition aaya hai? Register karte hain kya? Motivation hai kame ka ?? Nai na?? Bhai same year. Chal rajaram hokar aate hain. :P Man I tell you this has seriously been awesome. I think our sitting sessions have been to so many cities now - Goa, Chennai, Bangalore, Mumbai and soon it will be Hyderabad. So yes an awesome time at Hyderabad awaits and we will have to find a place soon. Till then cheers brother!!!

- Saurav

Deepakks. The Finance guru and the whole and soul owner n user of finance lab. I wish someday stock market gets me involved in it the way u r. I'm gonna miss ur company while eating (eg. CSR). Stay in touch and Keep smiling.

- Gayatri

Deepak KS aka Fin God you are one of the most humble and intelligent person I have ever met in my life. I feel privileged to have you as friend on whom I could always count upon whenever needed. I have always admired your critical attitude toward things and the way you get things done smoothly. What I will miss most about you is the way you speak truth irrespective of what the other side may think later. I always sensed that there is another side of you the emotional and a child side of you which most people don't know about. Will surely miss your guidance in the matters of studies and life...TU TH BHAI HAI APNA. Please keep in touch. Will miss your scoldings too..

- Shreet

Modesty at its best!!! If we had met anywhere else, I would have called you Stud Uncle (we have 8 years of age gap!! :P). You truly are FinGod of GIM but its your attitude to learn from anyone even in finance, modesty and approachability which made you one of the most admirable person of GIM. It has been a pure pleasure to be your friend, to learn from you, about finance and various

Kaha se aaya hai bhai... Never seen a guy with so much talent. CAFÉ 2210 ki parties. Special classes by Prof Deepak. Great Successor of Vinidhan. Ahhaa GOD of Everything :D. - Annirudha

Finance Guru (aka Geek God :P)The most amazing person on campus.. Always pulling my leg for Federer.. and the culprit behind Jaydeep Gupte refusing to grade me. (Those chalks used to hurt! ☺) We need to spend some more time together..so keep in touch and stay the same witty and sweet Mallu (from Kerala ☺☺) that you are!

- Nikita

A grown up man with a child's heart. A sensible person with full of naughtiness. A friend, philosopher and a guiding light. A perfect blended personality who has always been there to listen, to suggest and to support at every step in this beautiful journey of GIM.

Thank you Deepak for always knowing exactly when to tell me what I want to hear, when I want to hear it the most. Thanks for walking with me when I needed support, thanks for walking ahead me when I needed guidance and thanks for walking behind me when I needed someone to watch my back. You are truly special...

Eden Fernandes

Edenn, my man!!

You're hands down the craziest person I've ever met in my life man. And I mean crazy good :D Your enthusiasm, energy, that big wide grin - all of them are very infectious! I remember how H2 basement would be set abuzz whenever you used to come over :D

Life in goa & GIM just wouldn't have been the same without you bro! We've had a lot of crazy scenes together & I do miss those times. Always be the same kind, helpful, happy-go-lucky, big-hearted person that you've always been.

Hope to always be in touch bro. All the best & take care :) Lots of love :-*

- Praveen

Eden for me is synonymous to GIM! My most treasured moments here have either been with you or because of you. You're my insight into the Goan world, my google maps for the city. No amount of words I use here will do justice to how I feel. These two years have been memorable and you have been an integral part of my journey. You have been my buddy, my go-to person for all the highs and lows. You're dearer to me than you think.

Despite the deceptive Punjabi looks that you have, you're a pro at jiving (Not Bhangra!) and you really do know your moves! :D You've taught me what ballroom dancing is. Also, you have managed to make me use the word 'chittar' in a whole new light!

I believe even in Punjab, people can't finish a box of ladoos as fast as you can!

I'll never forget those endless movie nights, your love for cows (read beef!) and your rolling sprees! Your good looks maybe a catch at first, but there are so many things about you that makes it a pure delight knowing you! I wish you the very best in life, because you truly deserve it! Love you loads!

- Shreya

"O Chak de phatte, nap de killi, raat nu jalandar, sawere dilli". your enthusiasm and energy definitely proves you are from jalandar 😊. - Gayatri

A flood of memories comes my way when I think about us, my favorite being running in H2 - basement and first floor, trying to hit you or stopping you from hitting me and our Pictionary sessions. You are an amazing person with a child's heart, ever ready to explore and learn new things (Like learning to ride a bike on a hill with me as the pillion 😊). We have so many memories which cannot be expressed by a few words.

Just stay the same happy person you are, your charm making everyone around you happy. Love you a lot <3 <3.

Gayatri P 😄

A Mallu with a sweetest Hindi accent. You are amazing! Great person to be with, and a lovely singer. One of the few who added my knowledge about southern music. Offering me a platform on Samriddhi 2015 was the sweetest thing someone had done to me, on campus. Thank you for that. All the best and keep in touch. I'm going to kick your ass if you don't give much time to singing.

"Chadariyaaa jheeni re jheeni...." I still remember you singing this song the entire two trimesters in H2. Will never forget this! Hardworking, sincere and topper!! I will miss our A2B dosas in Bengaluru!! Hope you get all the things wish for!. Aur saale ab shaadi kar le, umar ho gayi tera! Keep smiling. Stay awesome!

Himanshu Pandey

Manvies, Girls ya koi to high level question.. you are the go to guy for everything. You are one of the very few people whom I would like to 'be like'. The awesome time we have spent together, laughing at silly jokes, having secret names for people (mirinda, banta, gopanda etc etc), beach pe pani me khelna, truth and dare 2.0. Tumhare usaty quotes and funny gaane always kept us laughing. The way you motivate/demotivate us by saying 'Sab Likha Hua hai' and some way to live tips like "kam khaiye, accha khaiye, par khaiye to sahi", are lesson for life: D These two years wouldn't have been as much fun without you. Aise hi gariyate rehna, krantikari ho tum j.

- Gaurav

Himanshu..thank you sooo much for being a part of my life..You have always been special to me 😊..You're the one I have trusted the most here..You have always supported me..helped me and cared for me..still mere sare tantrums and dramas ko jhela ho 😊..You are one of the mentally strong people i have met here..I have not said (read not 'accepted') this before but its true that you have a natural tendency to be always right..whatever you say.. 😊.. I will surely miss that aur tumhari adrak wali chat to ek baat hai jo I will definitely miss :D Hope to be in touch.. Khesla

- Gaurav

Randey Ji.. Aapki jitni taarif karo kam hai.. you are a unique combination of a well learned mature guy and the fun loving party animal.. Seriously, koi bhi topic ho, you've always had a different insight to share.. And the wise words you have showered upon us.. "Kam Khaiye, Accha Khaiye"... I swear I am gonna follow it for the rest of my life.. You brought a level of maturity to our group.. Not compromising on the fun.. This is what I adore the most about you.. And I love how confidently you handle your feminine side.. Be it your love for shopping, your fondness of gossiping or that latent desire to flaunt your round tushy.. :P You are an amazing person.. Be the same always.

Jidvish 'JD' Ruparel

Hum yun mile jaise kabhi socha na tha; hum yun jeeye jaise koi kal na tha;
Sath chalte chalte ek doosre ka har sukh dukh baat liya;
Jeete kaise hain; yeh tumne jee kar sikha diya.
Zindagi ke iss panne ko palat ne ka waqt aa gaya hain.

Log kehte hain tumhe alfazon main sameet ne ka waqt aa gaya hain.

Abb kaise sametein tumhe chand alfazon main;
Abb kaise; sametein tumhe chand alfazon main;
Tum zindagi ka woh panna ho; jisne humme ek poori kitaab bana diya hain"

- Kama

JD, Thug Life. I could have actually written just 2 words and finished this, but this one guy is also a craziest guy I know. Jumping in the pool at 4 AM, chasing stars at 3 am and playing papertoss at 1 am. Smooth talking to crazy dancing, all avatars in this

I still remember the first day I met you and we both went 'Advertising, advertising!' :P Thank God for that! Your determination is admirable and someday I know you're gonna be that billionaire holidaying in France with a cigar and some fancy alcohol! You're amazing fun and you give me a crazy complex in writing. Thank you for being such a cool brother!
PS. I still cry when I look at that boat. No, really. Also, fall in love!

- Werlene

JD! I'll miss our conversations a lot! I really wish we could have more of them. You showed me life from a different lens (like way different!). We had a lot of fun - The Ribandar night-out, walks to Casa de cha, the COMA exam prep and many more. Tu kabhi bh 'haath dene' bol, mein de dung! Bada aadmi banega toh bulna mat :-P

- Mohita

After our first convo about Candies, I thought you were a creep! Never did I think that this weirdo will end up being my best friend. I'm gonna miss giggling with you at the silliest jokes only we both get and it's going to be tough for me to control this habit now. Thank you for making things simpler by always lending an ear to any emotional rant even when you didn't care a damn. Thank you also for your many 'wise man advice' and late night philosophies. I wish you the very best in the years ahead.

PS. I know you have cooler friends in Bombay, but I'm still gonna haunt you because when I scribbled the words "I need you" on my book, I really meant them

- Annika

My first friend at GIM. We met at the Bombay meet and were sitting side of each other and we just connected. I remember going back home and thinking of only you as a friend from the meet. We don't talk everyday or don't meet everyday but I know you'll always be there for me and I will always be there for you. Thanks for everything..from listening to me whine about boys to reassuring me during placements that I can get

- Disha

Every man's life ends the same way. It is only the details of how he lived and how he died that distinguish one man from another." - Ernest Hemingway
Setting aside the 'died' part, I know i have spent a distinguishable past 2 years being buds. Seeing you in that Pink Floyd t-shirt and speaking to you I realized that this guy would be my bud. Bhai, all the crazy stuff we did these past few years will be part of my fondest memories, period.

Sitting out on our "personal balcony" with nothing but 'laila' sipping good scotch and the stars above us through the nightPlaying paper toss and all in all the goofing around we did the entire year, i felt like a child again with my very own 'gang' with u guys. The bottom-line is, 'you're not just a friend, a batch mate, a next-door neighbor and a brother to me, YOU'RE FAMILY!

And Mumbai awaits... Cheers and Stay blessed bhai! 🙏
- Vinayak

The embodiment of consumer insight, wacky spontaneity and revealing takes on life... you never fail to surprise and spark a strain of laughter. A knack for making every plan quiting and fun. Life at GIM wouldn't have been quite this exhilarating and relaxing, sans this marketing maven. I imagine us chilling in places ranging from shady to exotic in times of life yet to come. Cheers!

- Keegan

It was one hell of an internship indeed..!! From the never ending train journey to the impractical jokers marathon over beers, and not to forget the highlight of it all.. the 45 Lakh Globaaaall blueprint :) It was awesome having you as company. 🙏

- Ehrlich

JD! Kind, really really sweet once someone gets to know you and mildly eccentric. You are a gifted writer and I hope you always keep making magic with your writing. Thank you for all the memories and for being there during internship! You really should let that sweet side

Jinu! How can you be so amiable all the time? I have rarely seen you angry or pissed off. You always light up conversations with your smile.

KSHITIJ MISHRA

Kshitu... anything I write cannot do justice to what I want to say. It took an year of hi-bye and songs-on-speaker times, and lots of black coffee breaks to bond over. What started with an impromptu pit-stops journey on 30 Aug'15 continued to become a series of Goa explorations. You're the best foodie partner and (surprisingly) travel buddy I could ever ask for. You made my life an adventurous roller coaster journey. I have learnt a lot about myself in the past few months, thanks to You. We have created so many beautiful memories that will be cherished forever. There are so many things that will send me back in time - Those songs. Coffee. Desserts. Video Games. In short you will be missed to an extent that cannot be quantified! :-)

- Kinnari

K-SHIT-IJ,

The overgrown kid who sometimes surprises me with his maturity. Will miss the idiot you are. May you get to play loads of games like Far Cry, FIFA and what not!

ek word mein describe karu toh..BHAI! haan kabhi kabhi irritating ho jata hai tu..kar deta hai galtiyaan par koi nahi..:p GIM ke GDPI mein miley the saale..pata nahi tha aaj bhi saath honge..haan 2nd year mein zyada ghume nahi saath mein..lekin humesha ek dusre ke liye khade honge pata hai..bhool mat jana ***** ke... alvida abhi ke liye sirf firse milne ke liye..BC..senti kar diya..

- Rahul

Basket ho ya DBC, sab me maine teri leli thi, agar tumhe laga ho ki tum jeet rahe thay, de raha tha main tumhein HOPE since march april may. baaki, do saal was awesome being your neighbor if i was rich i would buy you a light saber. remember the time we almost kissed? also, thou shalt be missed. Kshitij bro! Sorry for all the weird conversations and inappropriate talks 🙄 You've been a fun roommate and I'm sure you would've been an even better gym mate if I had gone with you even once that is. Thanks for all the coffee man. Keep the beard going. Dan Bilzerian will be proud!! 🙄

- Mark

Mr 'Hulk',
Even though we stayed just two rooms away, we got to know each other a bit late but man am I glad it happened!!
From the tasteful music being played from your room(and trust me I'm not being liberal with the word) to the fitness tips I got from you, it's been a good run! Cheers to it not ending!! (Goa will always be your second home!!)

Dear Mr Hulk! know we barely knew each other in the first year but I'm glad of all people you were my next door neighbor... we've grown close this year with the floor parties and the crazy work out that we struggle to wake up for every morning :P You're a very determined person and I wish you all the happiness and success in the world.

You've seen me at my best, handled me at my worst & put up with my nonsense so much. Thank you for everything. It was fun to work wit you in STP, got to learn a lot, especially some finance stuff from you (Finance Minor wale baba) :P And some credit goes to MR for giving us the opportunity to form this team. :D

- Swapnil

Pariiii, the GD king of GIM and fellow kar-RT kid, I had a super awesome time with you here at GIM. I'm glad the wine tasting changed you as much as it did. You are extremely hardworking, really smart and very sweet, please stay the same way and invite me to your wedding when you get married! stay happy Pari!!!

- Pallavi

This man is the strong pillar of our club, any work given to him would be done meticulously. You meet some people and you know they will do well in life, you my friend are one of them.

I hope and pray you get all the success in life. :)

- Karal

- Gayatri

To one of the most well read people I know! It all started with MM group formation and now we're almost done. Its been a great knowing you and we

Payel Patra

Oh my sweet...cute.. innocent friend, now what should I say about you. I remember we became friends since day 1. We used to hang out all the time...long chats, gossiping, dancing.... it was fun preparing L ondon thumakda song and u remember our madhuri diet session. You are probably only person on campus who has a heart of gold, a rare gem to be found these days. Always stay the same. I know somehow we got drifted apart in 2nd year but I would be there whenever u need me. Stay in touch sweetie. I'll miss you and will always care for you. Love uuu :-*

One of the most beautiful soul I have ever met. I am so glad that you consider me a close friend. You taught me how to be more sociable, to appreciate good food and most important to understand and speak broken bengali :). I will always remember teasing you asking meaning of naughty bengali phrases (which of course I googled) P. Even though I often tell you to be more practical but in my heart I know . I so much want to be like you. There are so many good things I can write about you but will only say "Tomar chokh khub sundor" :)

- Himanshu

Payellll...one of the cleanest Bongs I know 😊
. I will always cherish the time we spent together- those conversations in our room over dinner, the girl talks and those sticky notes of yours!!
A girl who cannot even say "saala"!! KAKKA
And yes, I love your dressing style! Good luck girl..love u tons 😊

- Eushti

A girl with a heart of gold.. and a tinge of anger.. In a very cute way though.. honestly, you are a rare species.. You brought a little sense into our lame group.. And seriously.. I was your support that helped me to hunt all these good places to eat.. Otherwise I would not have been able to take these guys anywhere.. The best thing about you is the way you manage to find good in everyone.. I mean it's a blessing. And it's probably why you are so happy and chirpy always.. Don't ever give up this loving nature of yours. Because damn you be that 😊

Hey Payelllll...yaar u r a very sweet person..salska khayaal rkha jaise helbly ho tumhari :p but seriously yaar u r one person in this college jisse I know salski help krna acha lagta hai..and u do it so selflessly...i wish u all the good luck for the future and I will never want to lose a friend like u..do keep in touch..love u!!!
Khosla

- Gaurav

Even if I use all the adjectives in the world, they would not be enough to express how sweet you are. Your benevolent nature, how you take care of everyone around you, I truly feel that if angels are true, they must be just like you. Tum hmesha sbki help krne k liye ready rehti ho, dusro ki tension me khud ko pareshan ho jati ho... hamesha as hi rehna..pure at heart. Hehehe and how cutely you say...kitne ga'ande ho tum! 😊

- Gaurav

I am glad that apart from loads of friends I made at JGM, I also got a sister who pretty much acts like one. She is very caring and simple and I would like to keep our brother-sister relationship intact in the future as well.

- Paritosh

MOHTA

Its difficult to select the best moments we spent together! We have always managed to do something as crazy (like staying up all night jus to watch the sunrise or the random chai and sunset plans or coming up with a nickname as stupid as Michael Jackson :P) or eventful (like the lame fights & patch-ups, samriddhi discussions,!) Gam 'hai ki tere bike pe haath saaf nahi kar payi :(Lots of Love - Pooja Jagtap

Asiel : Wow...to be honest I don't know where to start!! The ordeals of Samriddhi or the CSR and class groups we have been through. Thanks for being someone I could always depend on and who somehow was always on the same wavelength. (well most of the time at least :-P). Whether it was pitching for sponsors, or working on some thing for class or never being able to agree on the same thing, thanks for the 2 years of memories. Stay in touch and keep drinking those shots :-P Cheers

Hello, my namesake. I was never really proud of my name till the day I met you! CA with double majors handling 2 clubs at GIM. W.O.W. Are you even human? How do you remain so calm in the worst of all storms? Your genteel nature, humility and hard work is what really made me stay in HRiday. For I knew you had my back! Thank you for being that support system. Stay awesome! The dogs need you too :-p Wish you all the love and luck!

- Pooja Raina

By far meri favorite free rider at GIM. Apni shadi mein khade ho kar bhi bolio...."Apan ne na Samriddhi mein aise kia tha...yahan bhi aise hi karte hain." But dekho HRiday ki bakchodi tere bina kabhi shuru bhi nahi ho sakti. I don't feel like working jab tak tujh par ek do baar chilla na lun. But yes one of the people I could always fall back on. Thank you for being there and sharing this crazy ride.

- Vinod Ahuja

Time does fly! It was almost like yesterday that we sat for our first group assignment together... and that was just the start of an amazing friendship!

Couldn't convince you to run a marathon (maybe someday you will 😊) but nonetheless you have always been a great sport (Island trips, treks and countless other adventures are a testament to that), and it's always been fun having you around! Remain the same :-)

Cheers to Adventures and an Everlasting Friendship!
P.S. All the animals in Goa will sorely miss you

- Ajay Varugis

Mohta. Crack. you're one person I got along with so easily! all our resolutions, trying to win competitions, early morning jogging plans.. hah :D I hope to see more of you even after GIM 😊 smile always :)

- Akarsha Kadam

Arushi : MOHTA AARMAAAA!!! From an unprompted first day meeting to a college bestie you have been there ALWAYS. Quick-witted, innocent, happy-go-lucky, entrepreneurial and organized (LOL) Naapun :). GA ho ton kaisi ho, MOHTA jaisi ho. Woohoo

Mohtooo,

Hahaha we've had some great times together! CSR, Internship, Ribandar :D it's been great fun hanging around with you!

Bahot maar kahegi yaar tu mujhse :D keep working hard like you always have! And keep in touch.. will miss you :) all the best.. take care!

- Praveen Koushik

Middle name- Understanding. My personal agony aunt at GIM. Oh, who would I crib to about life's various troubles to if you weren't there! Lots and lots and lots of love to you, woman ❤️

- Vasudha Parmar

Kshitij :Ms Mohta, you have been an island of sanity in the sea of weirdness that I was. You have been there to guide me for everything important, the class assignments, my internship, my video-games (when to stop :P) and of course Samriddhi. For us lost souls, you are an inspiration to follow our hearts. PS - haven't watched a single Castle episode yet. All the best and stay happy.

Zaid :FREE! The pescetarian who cheats for bismillah. We all love and adore you. It's so much of a myth to call you a free rider. A true hard worker but doesn't show it. Someone who's always ready for an adventure and always available to form a group with. Always be the happy person that you are and keep in touch. Peace out from one metabolically challenged friend to another

Harjas : "Mohto, chal breakfast pe chalte hai" :-D These are words I never thought I would say, whatever may be the context be! :-P We had a pretty swell time in Ribandar, no thanks to your restaurant choices ! Anyways jokes apart, you are good friend and an amazing person to hangout with, even if it is to watch the stupid sunset at Sakhalii itself :-p

Pooja Raina

This might be the nth testimonial for you, cuz you are already so famous :P Our journey from GEC - 1 to Sanquelim and Ghansoli in future to come, has been memorable for me. I still remember one evening, I asked our PASSPASS team for dinner and everybody had some plans except you . I asked 'hum dono akele chale'? and your answer made me fall in love with the kind of person you are - "ab kya papa se poochun dinner jane se pehle" You inspired so many people here and I feel your gang here look up to you, its very rare that a person is praised even in her absence - wakra swag this is. Plz don't marry soon - abhi bahut masti katni hai mumbai me :P

- Sandeep

The most elegant person I have ever met! From the first day i was in awe of the way you carry yourself and upar se bhayankaar HR knowledge! I have to say i got a big-time complex. So glad that i got to work with you, it has been a pleasure and lot of fun. I learnt a lot from you! All the best and keep rocking!! Keep in touch!

- Mohta

Rainaaa.... A perfect blend of diversity with a little bit of Kashmir, Punjab... dilli and ofcourse Madras :-p... HR ki mata ... Total patolaaaa :-p I am goona miss you so much for I have never come across a Bakchod blli like you :-p . Kitnaaa kuch yaad ayega yaar...sath me bhanga kiske sathhh karungi I love you soo much and thank you for all the amazing times we had.

You're simply awesome, a true inspiration for you helped in many ways! Ofcourse we're all gonna go on our different ways.....doing different things but some bonds dont fade away. Be as crazy as you are and never let that bakchod die inside you.

Loads of love :*

PS: I will always annoy you with my kisses :-p Muaaahh .. <3

- Nidhi

Mera yaar anmulle....puri year book ka space kamm pad jaega if I really write a testimonial for you. To dekho main tumhe bhul jaun aisa ho nahi sakta aur tum mujhe bhul jao aisa hum hone nahi de nge. Will always be there for you. And remember "Dukh vi bhatere, pareshanian vi bhot ne. Zindagi de vich labh the haaniyaan vi bhot ne. Ki hoya je rabb ne koi zakhm de dita, uss di sadde utte meherbaniyan vi bhot ne"

- Vinod

Sureshhh aka Motii aka Dolly aka Raina aka Anything but Pooja, We've had an amazing two years at college. I've known you quite well since our freshers party & I'm glad that our friendship has only grown stronger with each passing day :) you're a great person; very sorted, very rational, loyal to a fault & great fun to hang out with. I find it hard to imagine how life in college would have turned out if I hadn't been friends with you for you've been such a pillar of strength for me! You've no idea how much I'll always appreciate the things you've done for me!

I'll miss a lot of things about you post college - listening to your racist comments everyday, looking at your face light up when you see gulab jamun in the cafe, dumping all the assignments on you, your straight faced sarcasm (which you're getting better at thanks to me), our random parties & outings - to name a few :P I hope we keep in touch always & I hope that you remain the same beautiful person that you are. Thanks for everything! Love you loads :-* <3 Take care & keep smiling :)

- Praveen

You are that one person who manages to make me feel special even when you make of me, which is all the time. With u I learnt, what it means to keep a secret, everything I share with u, the key to it remains only and only with you! With you I learnt that making fun, calling names is part of being called a best friend. With you I got to know what it feels to be someone's BAE (whatever that means)! Never stop missing me..:P

- Prachi

i regret the fact that i became good frnds with you few months back .

PRACHI MEHROTRA

I have taken your case enough to waste this page for that. So I'll make it different this time. Thank you for being that one friend who lifts me up! literally :) At GIM I knew that as long as I had you, I could get through anything. You're probably one of the few who could see through my facade and protect me at my most vulnerable phase. The girl with the glue stick to fix up every broken piece of me whenever required :) Thank you for tolerating my idiosyncrasies and anti social behavior. Thank you for being the silver lining. Much <3

- Pooja

Hiiiiiiii

how are youu
long time no see. baal bachay sab theek?
hum valun bol le hain.. plachi hai kya?
kripya apna laptop mere room se le jayein.
I might miss you a little.

- Varun

Prochi!!!

The first time I spoke to you properly, mujhe laga tha ki tu thodi pagal hai! After knowing you for 2 years I can safely say that I was very wrong! Tu bahot hi zyada pagal hai! Like epic proportions :D

We've had such a great time over the two years! Mostly because of me but thank he ab testimonial he toh tu bhi thoda credit le sakti he. P your hoodie se zyada bes-ns singing, impromptu dancing w/o any reason, starting off about a story on the global economic crisis & ending it with the cafeteria menu, using words which exist only in your world - I'll miss all of this & so much more about you. Bahot hi zyada :-/ You've the heart of a kid, so deprived of even the slightest trace of malice towards anyone & always wishing the best for others & taking success & failure so nonchalantly. That's what makes you really beautiful. You're one of the best people I've ever known & I think I've learnt quite a bit from you. :)

I hope you reach great heights in whatever you wish to pursue. You really can, the day you put all your focus towards it! I think I should stop now. All the best, my chochundar! :-* I hope we always stay in touch! Take care of yourself. :)

- Praveen

Prasanna S

Machiii,
My first friend in GIM :) those initial days at 1107(?) were too epic.. Had a great time with you man! Despite you hogging all of our food at 2001 :P

Keep in touch & all the best :)
- Praveen

machiii

a wonderful and a dear friend, a finance wizard and what not All

Machii, you are a great person and have been an awesome companion these past two years! I am not saying this only because you taught us all those Fin/Eco subjects (actually, thanks for that! Thank-you for being patient with me 😊) but also for many other reasons! Prasi, you rich brat, you are going to be my portfolio manager! Most of the times, you are the smartest guy in the room, but sometimes you do have your head up your ass! 🤪 I always enjoy debating with you about movies and TV series. Good luck, bro!

PS- You could have atleast tried to learn Hindi in these past two years! 😊

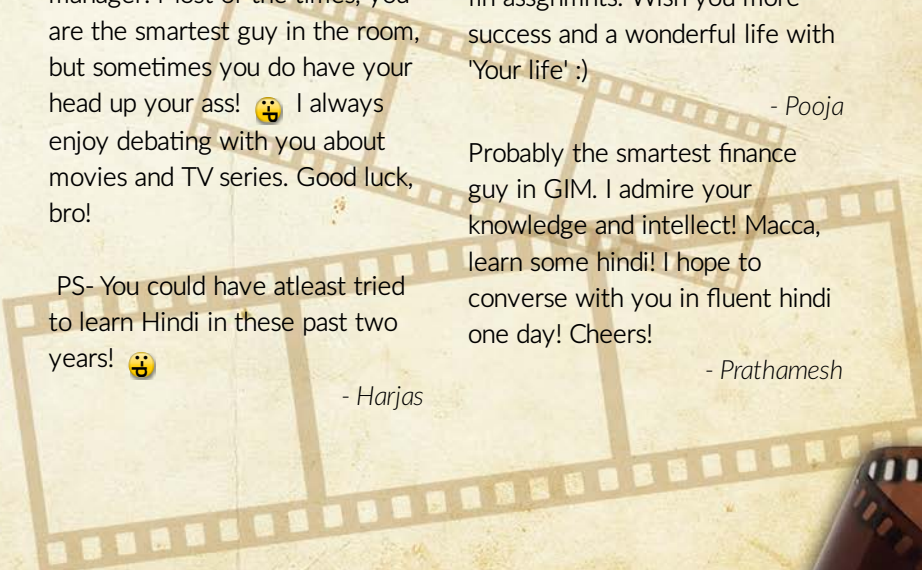

- Harjas

Appdi irraka Da ! Haha. Prasanna, I know we haven't really been around each other lately, thanks to your finance specialization, but i would like to thank you for being there for me in all my group assignments and listening to my constant banter even in Hindi ! And I shall be forever indebted to you for your help in fin assgnmts. Wish you more success and a wonderful life with 'Your life' :)

- Pooja

Probably the smartest finance guy in GIM. I admire your knowledge and intellect! Macca, learn some hindi! I hope to converse with you in fluent hindi one day! Cheers!

capable of doing that.. Aur khiladi toh aap bachpan

well. I don't know this is a natural talent ya tumhare

Praveen Koushik

So far my life never really gave me enough reasons to step out of my comfort zone and trust the strangers around me. That was of course before I met you. And then I discovered what it is like to have a 'guy' best friend. I learnt that it is okay to fall, that it only makes you human. I learnt that you could love someone immensely and flourish in that emotion. I learnt that despite its agonizing moments, it is something still worth fighting for. Thank you for making me love myself again :) You've been a blessing in (dark) disguise :p

- Pooja

OMG! I'd have to say nice things about you..huh! Well to be frank, you are A GEM! yeah, you kinda are! Right from the first month at GIM where you couldn't be a part of our CSR group, well, our loss, to the last day at GIM, I think we've clicked always. The most non-judgmental person that you are...will take you great heights. Despite the fact that we are best buds, there has been only one serious talk between us.. besides placements, ofc! You will soon find a hot girl like me..you should know that you'll be missed a lot. Please keep in touch always...!! madrasii kahi ka...:D

- Prachi

- Apurv

Halke, "having flashbacks of our time in Room #2001, while writing this" I had the 'time of my life' in 2001 with you and shawny! I couldn't have gotten a better roommate and close friend than you! It had been a lil' painful too but it was fun 😊 (waking you up for classes, cleaning your dirty dishes!) I can't express it in words how much I trust and care about you! You are the most caring and sensitive person that I know of! Take it easy, zyada burden na liya kar apne halke shoulders pe (pun intended 😊) Stay as kind as you are, love you bhai!

- Harjas

Do you want to walk the talk? :) Still remember the first day in college when it took me half an hour and 3 guards to open the door to room no 2001 only to find you lying on the bed in deep slumber. Someone who is easy to trust. Genuine. Reliable. Sentimental with a knack of writing mails at 5 am :D. I am glad I had you as a roommate. Thanks for being such an awesome friend. Cheers to an everlasting friendship!! Sorry for all the beatings that you had to endure in the first year. :P

- Shonit

I can't imagine spending a day at GIM without you.. you have been more than a family to me here 😊. There are so many things I have learned from you and hopefully taught you 😊 after those long heart to heart sessions, my favourite being the Mango Tree one <3. An amazing person, who is always ready to go the extra mile for a friend in need, the genuine care and love you have for people is admirable. My nigga! Nutmeg khaana band kar bhai ab embarrassing ho gaya hai! Pyaar main paagal hone bhi band kar bhai, vo bhi embarrassing ho gaya hai!

I'll keep showering you with my heartfelt abuses for a long time aage bhi. See you when I see you, it definitely has been a pleasure.

- Akshay Pandey

The Razzie Boy aka DJ! Thank you for all those parties and dosas. The parties would have been listless without you! 😊 Hope you always keep that party mode ON, my friend!

- Prathamesh

Prerit Saxena

Where do I begin! It's been one hell of a ride man! Our time here at GIM has to be the best time of my life. You're a gem of a person! I really admire how you don't give up on your principles and have a great sense of right and wrong! Bhabhi ko humra pyaar dena. Fir milenge.

- Akshay

Ideally I shouldn't write to you, because your stupid testimonial made me change my mind! Well, you were there when I had no one. Our first day in GIM was less fearful and less anxiety provoking because I had you. Known you the longest here and wish it to stay the same. I will always miss how you would worry about if everything is fine with me, my exam studies :P, fever.etc.!

- Prachi

To our very own wolverine I can only say this, next time when we meet the sutta is on me.
PS you clean shaven * head nod in disapproval*

- Satvik

Superhero Prerit :p.. Yes you are a superhero for dealing with me for 2 years. (but certainly you cannot ride a bike after 3 Feni shots 🙄...something that Flash can do 🙄!!) You have been there with me through all the possible moods i have and been so calm and composed. A boy too mature for his age.. Kuttee,

We've known each other literally since the first day of college to the last! Bahot kameena he yaar tu, mujhe CSR group me nhi liya :|

I think very few people have the courage to stand up for whats right even if its against popular opinion. You're one of them & you've always done that. I have a lot of respect for you for that. Always keep doing the same.

Bahoott zyaada masti maari he yaar humne! Har din, har weekend, har plan saath me :D I hope jab kam chalu kar denge tab bhi tu aake mujhe 8:15 pe uthaega jaise first yr uthata tha :P pleeaassee thoda, just thoda, sa toh sur me gaane ki koshish kar aage se..

So this cool guy with the funky hairstyle, totally badass and then you see the same guy going through sarees to buy his grandmother one with his salary. I think the latter version of you is way way cooler :D And that's when I knew this guy is gonna be one of the most caring fr iends I have. Looking forward to what the year brings our way :)

Lets not keep our drinking plans, a plan :P

- Werlene

Yaar, actually nah, woh "hibu" nahi "nimbu" hota hai! :D Pehle toh yea thik kar,baad main padhna testimonial.

I am really not good in writing all these things. All I want to say is:

I will miss you scaring the whole way to Dadabar, the most 🙄

Hope all your dreams of early morning wedding, becoming vegetarian and leaving alcohol comes true. :D

- Dipanjali

Wolverine of our batch! #swag #FTW

Rude but Rational, Aggressive but Sensible, Lazy but Talented. - Seen such a combo? Yes I did! GIM has done wonders in my life, and this guy might be one of them. An amazing dancer, tried to learn from him, but mauka hi nahi milta! Though pretty stubborn, he always stood up for what he believed in, something that I always admired. Well, just one advice - "Sutta band kar saale!"

- KP

Dear Logan!!

You have a deadly combination of logic and anger...(in a good way 🙄). Always ready for doing something be it work be it party be it meetings...etc....A go-to person for everyone with a heart of gold...It was a pleasure to have worked alongside you as a fellow SAC. Learnt a lot from you bhai...Stay blessed and always be in touch..

CR14, registration day, I met my MBA roomie. A friend for life. Memories are so fresh, two years went by silently in our laughs, talks and silly stuffs we do ;) We both know how similar we are, let's call us soul sisters J. I will miss every bit of time spent with you. We have so much memories together, LPK, Titto's, southgoa, northgoa, the whole goa ;) ,pune, and what not. Our long chats on life, relationships, love. As you know, I am not earning much right now, 14L is still a dream. I am however willing to take you out to a restaurant of your choice once every year. Kindly intimate at least a month before so i can make arrangements (tickets, loans, kidney selling black market contacting et al)
Also, I will miss you. A lot more than I will miss Nakul. shhh.

- Varun

People who love to eat are always the best people..you are one of them...I have lost count of the number of restaurants we have explored together and I completely blame you for me gaining "a few extra pounds"..Our Barbeque Nation visit is still due though..Koi nai Big Chill explore karna baki raha and Haus Khas bhi..Stay Awesome..Stay cool..Stay connected...!!

- Vikas

We sat together for an year but I think I know you very little. Very soft spoken, highly intuitive and adventurous is what I remember of you. Hope to see you the same.

- Sandeep

Slooniiii, looniiii, you know you're one of my favourite people here, GIM definitely wouldn't have been as awesome if you weren't a part of it. You were the first friend I made here and I am glad I found someone as awesome as you. The crazy parties, super crazy dancing (tu mera hero, o o jaanejana), gossip sessions, taking peoples cases, crazy amazing times! Thank you for being an awesome friend and daughter, and I know you will continue to dance your awesome dance through life. Love you beta :*

- Pallavi

It can be very difficult for two people with reserved personalities like ours to get along, or for that matter even get to know one another! I guess thats why it took us an year to find each other! However, we did that very easily and very successfully. I'll always cherish the times we've spent together! Stay the same always!

- Shreya

Dear Slowni

I have never seen anyone so crazy about food. The way you keep using google and zomato day in and day out just looking for food is unique in its own way!

I am gonna miss our gym workout sessions and then telling u during midnight..khaa le saloni khaa le :P

And someday I would really wanna know what do you think about when you get zoned out.
-Nakul

- Nakul

Sandeep Khandekar

Calling you smart or intelligent is nothing new to you. But the impact you have on other's lives is something not everyone has. I didnt see anyone as thoughtful or as wise as you. You are better than me in many fields, but I am taller than you.

- Winnie

Sandyyyy, my buoy !! know we'll have many occasions to meet, so keeping this short. It was such a proud feeling seeing your transformation from Infy to GIM placecomer. Mr stonner!!! Wow I've had one crazy experience with you this year...you're kind of an introvert so it took time to get to know you but I'm so glad I did. You and me lets drink 1738 one day alright and listen to Remy boys :P... Sandeep you are a very ambitious person, I've seen you work through the entire night. Shashank Srivastava

Me and Shashank don't talk with each other these days!! Coz we spend most of our conversation laughing! we don't need a reason to laugh! Shashank has a unique taste be it music, videos or eye-candy (lets not even go there). Just words cannot describe what I feel for this guy 😊. Jokes apart I really appreciate the grit and the determination he applies in doing things. Be it TED, Alumni Committee or Class CR. This will make him reach the sky as he'll always achieve whatever he wants and gets fame throughout, Wish you all the best bhai! On a lighter note But PAPPU can't find girlfriend Sala 😊

- Onkar

"Ek baar jo maine commitment kar di, toh phir main apne aap ki bhi nahi sunta :p" You worked against all odds to realize your vision, to have "TEDx GIM". Your enthusiasm, focus and dedication are amazing. I am sure you will make it big in years to come. Wish you all the best for the future buddy! 😊 -Neha

Mr. Srivastava! Your energy and talent to multitask just amazes me. You Just know Everything about Everything.. There hasn't been an instance when I entered your room and left without having some superb gyaan (in a good way). One of the best leader I have come across. Cheers..:) Would love to be in touch with you in future...

- Satvik

I don't need to provide a testimony about your friendly, inquisitive, curious, critic and supportive personality. Hence I would just write what you should do :

- Get a girl
 - Don't leave her
- I like your intention behind everything you do. Keep it up!

- Sandeep

'Vision ki dukaan', energetic, relentless— define you perfectly. "Sapne kai dekhte hain, par unpar amal kam krte hain".

Will really miss being bouncers with you on Alumni Meet and those frequent visits to Panjim whether on Alcom or TEDx business. All the best in life bro, will eagerly wait for your invite for TED India P.S: We SHOULD have asked that autograph from Anugrah Kashyap in Ritz Classic. Koi na.. Maybe next time Kalki... 😊

- Rahul

One of the few friends who I would like to be in touch with. A lot to learn from this guy. One can have serious and goofy talks with him simultaneously. A non-nonsense person and a strong persona. All the best!!!

- Salil

I can safely say that you were my first friend I made at GIM. Respect your passion for things you are associated with. I envy you for the initiatives you took and how you made them a success. In spite of all the knowledge you have, tum kabhi tumse baat krne me uncomfortable feel nahi hone dete. Or baki tumhari smile me in kashish h... wash!

You have really surprised me all this time! Like how do you know so much about the world? Be it trains or the funny station names (Kala Bakra :P). But seriously, this is what gives you the ability to keep people engaged in conversations with you and save them from the behemoth of boredom :P I am really happy that I got an opportunity to know you better during this journey of GIM and I hope that we would always stay in touch (so that I can learn more about so much stuff that you know :P)

- Aakanksha

My savior of GIVE GOA. You made the ride fun and was the only thing that kept me going every Thursday. You are a guy who makes everyone comfortable and I could be myself with you. The simulation games times are special takeaways for me. You are one of the most knowledgeable people in college and I admire your curious mind and your 'PERFECTIONIST' spirit.

- Winnie

Mera laptop kharaab ho gaya tha and you stayed up for hours trying to repair it! I don't think I gave you the treat I promised for that :) Thanks a lot for helping me out that day!!! I'm sure you will do great in life. Take care and be in touch :)

- Mbhta

Shashank, A guy who is very enthusiastic about everything he does... A guy who is honest and genuine. A finance nerd, a very good friend who was always there whenever I needed him.. All the best Shashank! Stay in touch :)

Dear shashank you are one of my good friend I have in GIM. I have always shared my problems with you and you have always guided me. I will miss our long chats gossiping around late night. I like it when you call me BABY RISHA, but yar ab me badi ho gyi hu. stay in touch

SHAUNAK GANGULY

My closest buddy in the Ecell. Honestly, I never imagined we'd get to know each other this well through all the stuff we've been together. Your sense of determination and lines of thinking have indeed taught me more than I could bargain for. And we've had our fun times as well. Won't forget the planning and our extended tolerance towards bearing the load of unproductive members :). It's been a genuinely vibrant and eventful run. All the best for the future!

No one has control over public speaking and articulation as you do my friend! Your street smartness and calm demeanor are the best traits about you. And yes we shall hopefully catch up for a game at the Emirates some day! tc :)

- Adin

Shaunak! Even if I give you 100 bad words it will still be less. Finance hater, marketing lover, food connoisseur. Probably the best presenter of GIM. Amazing communication skills and amazingly bad organisational skills. Still one of my good friends in GIM. Hope you enjoy your life like how you have enjoyed GIM!

- Annirudha Shirsat

Interesting personality. Me and Ayush used to refer you as "CEO Saab" during our internship days and oh boy! dint you prove it right :) Have enjoyed the diverse set of discussions that we have had together, be it football, politics or B schools :P. All the best for the career ahead and hoping to see you daily in office at 10 atleast 😊

- Joe Thaliath

Talented, charming and chilled out guy. Also first person to get placed in gim...and since then, I bet he has enjoyed GIM like nobody ever did :-p. Shaunak is unarguably the best public speaker in GIM. He has always amazed us with his brilliant public speaking skills and natural instinct to give global. It was great to have you as a friend. Cheers to awesome

Shaunak is irritating, funny, charming (can sell ice to eskimo types) and has a flagrant disregard for rules. After two years of dealing with the roll number next to mine, some global answers, some annoyingly accurate ones; Showing entire papers in exams to the boy and in spite of all the bad-boy persona he is someone who has ambition and will get there sooner or later. He has so much potential, it truly astounds me. Keep it up dude, and stay in touch. :)

- Sheena

Shauknock Da, Ki cholche. Had a great time making fun of bengalis and West bengal. Revenue Management classes were fun. All the best for ur future and stay in touch.

- Amrit

Shaunak, you are a very strong willed and determined person. People may call you anything but for our group you were a savior during presentations. I had a great time working with you in groups and in CSR also. Wish someday I could become an orator like you. All the best for future prospects and career.

- Ashish

SHEENA DESAI

Sheena!

will miss BOI bashing and Bhatt bitching. You made those 2 months SO much easier to live through, thanks for everything! Stay in touch!

- Varun

The cool girl who never gives up. Chilling is the first and only word in her dictionary

- Lijo

What can I say? The sweet heart and hottie of GIM. I fondly remember all the fun times we had together, though I tend to forget most of the best parts :P. You have been an integral part of everything fun and happy that I have had at GIM and I will miss all of that. Shift your location to Hyd na, chakna queen ;-)

- Deepak

HG, be rest assured that no matter how famous I get or how successful you become I'll still tease you with that name. Relatively strangers who formed such a bond during a short span of time. You can also be certain that I shall lend a helpful ear to all your venting and the meltdowns that you rarely have (but not in the middle of my fav shows).

FYI I will make it my life mission to find out what is Muslim rice and will let you know.

Sunday 15th June,2014, First day in GIM , sitting in 1202 waiting for my roommate to meet for the first time...and then she enters "Hi, I am Sheena Desai". One handshake, one exchange of glance and I know that we are going a very long way. Our hours long chai sessions discussing over everything under the sun are one of the best moments spent in GIM.

From helping me choose which fish to eat to which dress to wear, you have always been there.

The journey of GIM would not have been the same without you...thank you for always being there for me in my happy and in tough times.

But our journey does not end here...

My neighbour in the hostel and class! I consider myself lucky to have met someone who is so honest and so innocent at the same time. I hope everyone you meet in life realises the absolutely amazing person you are! You're someone who has the guts to voice her opinion and stick to it. Do not let the world change you, because we need people like you! Love you always!! 💜

- Shreya

Sheena,
if someone was to ask me to describe you, i would say'confident'. i have always admired

Once,upon a time there lived a Goan in GIM, who helped us not-to stereotype Goans. :D You know right, we have too much things in common? The most important being our messy life. I always tried to keep my room tidy but it never happened, then one day you taught me we can never do that because we like a lil bit of mess. That's who we are. That day made me realize, Perfect is boring. There is more fun in being imperfect. :)

Thank you for all those choco sticks,chips, car rides and our fights :D.

I think you can never be close with someone if there is no fight. I think good times got us close and the tough ones got us closer. We realized we cannot stay without each other.

And since we realized it, so do not even think I am going to leave you after GIM. :*

- Dipanjali

Hey Sheena, really enjoyed the CSR time (although I did skip quite a lot of visits). U strike to me as a very straight forward girl and I do admire that. Your advice on good places in Goa surely helped!! You will surely be remembered whenever I think about GIM!!! Stay in touch, remember I am just a call away 😊

- Apoorv

You re-define class! One of the most elegant girls on campus. Even though we have had different views about many things, you are one of the nicest friends I made on campus. I

Shivam Prashar

Bade dilwala bhai!! I remember a lot of incidents where you've showcased the lengths you are ready to travel for your friends. Bhai two things about you can never change: your love for Solan and your selfless character!!! There is no point in saying stay in touch coz I know, we will always be in touch...

- Apoorv

One of the most lively person I have ever come across. Will miss his 'Kasol Stories'. Definitely a person who you can count on in every situation of your life.

- Paritosh

Bhai u are one such person who has never let me miss Delhi and made it easier for me to live a happy life at the campus. will definitely miss the fights we have had so many times on small and lame topics but surely u'll be missed from the core of my heart... Bro Take Care and God Bless!!!

- Kartik

- Rahul

I first thing which didd I hear your name is "J.P.Solan" 😊. I've countless memories attached with you. Your brotherly advices and your countless J.P. Solan and Delhi tales would always be remembered. 😊 Be as pristine and entertaining as you are. Cheers!

- Vinayakan

Shivam,
u r the best roomie i could have asked for..the endless chats we used to have, the oil message u used to give me, used to sort my crush problems, your solen kee endless kahaniaa will always be remembered brother..kudos to room 2004 and the memories we had in it...

- Anurag

hahaha bhai bina gaali ktere liye kaise testimonial likhu me :D we had a great time together in the H2 basement during the first year. You're a great guy man.. and I loved hanging out with you all the time..

- Akshay

Jaldi shaadi kar aur bulaa chu.... hope we always keep in touch.. love you bhai.. take care :) <3

- Praveen

Next roll number, CSR mate, very punjabi, vegetarian, loves cricket, super dancer and is very passionate about work. I for one don't come up to scratch at his high standard. Very chilled out and super sweet. Sorted and totally focused on his work. PGP1 was super entertaining with you and Shaunak by my side. Thanking you for making my GIM journey amazing!

- Sheena

OOOooo mere cheteeeee... m gonna miss you yaar. You are so much fun to be around, and i know seeing you will always be like having a time full of fun and laughter. So here's to the crap we talk..the laugh we cant stop, ur crazy dance moves and the looks that could kill! :-p Loads of love and hugs:* Thank you my BFF :*

- Nidhi

Learnt quite a lot of things from you which included good as well as bad things. Good things- Gained knowledge from you as you had more knowledge than the rest. Bad things - kya kahu? (Samajhdar ko ishara hi kafi hai) 😊 . Very helpful. At any point of time when I needed help, the first name that always came to my mind was Shivam. I will always cherish the moments that we have spent together.

- Sagar

Prashar bhai! You've been like an elder brother here in college! I will always be in your debt for the things you have done for me! And our sessions! College would definitely been a whole lot boring but for you! Stay in touch bhai! :)

Shivam.. my H2 basement friend.. You are an amazing person, helpful, funny and witty 😊 . I love spending time with you and listening to your out of the world stories. Be the same and keep in touch!! Lots of love <3 <3

- Nikita

Shreya Rewari

how many times can i even thank god for making us travel together? i know ive found not only my funnest travel buddy for life, but al so a friend who knows how to be a true friend! we became such good friends, so soon! i am sure we are gonna see a lot of each other, after all, so much is to be explored! nothing can compare to our 'another level' trips and the nutella cravings after that 🍷 lets promise to do the same even if we meet 50 years later! haha! loads of love :*

- Runjhun

One of the prettiest girl on campus. Fun-loving, enjoying life to the fullest extent! I admire you for all these things. All the samarthan meetings, discussions were fun! Will definitely miss you. Keep in touch! Stay awesome!

- Pushkaraj

Infinite :)
Holiday in Spain mmeda?

Ola!

I think you're one of the only people on campus who actually understands me!

These two years have made you so integral to my daily diet that no amount of ladaos or beef will ever replace! (yes, food yet again!)

I'll never forget the random plans we made to random places on random days
I don't think we spared Goa.

I'll miss all the drama, imitating you, jiving with you, your racist comments, watching random movies, shopping for wine, always on the look out for Nutella, being indifferent when you react to an animal near you.... But, most importantly just having you around 11 year old!

I'll never forget the crazy drunken' driving! :p
Always my partner in crime, who never says 'No' for a plan!

Probably the only person I've met who's more enthusiastic to do something than me.

So are you ready to play CTC? Haha..

Be crazy always.

I'll always cherish the MAD memories.

Hope to make many more!

Lotsa' love! God bless you! :*

Shreya!

Wish we hung out more in 1st year! You are great company, had some really good times and looking forward to more! Also, please stop killing strays, or PETA will come and take your stupid iphone away. You could adopt a stray and name her Siri. Will miss you! okbye! Long live android.

- Varun

Yooo!!!..you are one of the coolest people i've met on campus. Definitely will miss our "joint" discussions. hehe. Had a great time chilling out with you and exploring new places all over Goa.. Stay awesome. Stay connected

Shreyaaaa!

You are the best person i could have ever asked for the Portugal Trip!! Cute and innocent but naughty and fun-loving at the same time. We had an amazing time together. with all the nutella, hash and wine 🍷🍷. So many random and stupid plans. but everything worked out the best. You have been an awesome friend to me.. Stay the same sweet little person you are!! Love you <3<3

- Nkita

Don't let her sweet persona fool you, She is totally kickass. Shreya is nice to everybody and yet doesn't let you compromise on her beliefs. Tactfully. A quality I admire so much. And she has such a wicked sense of humor, she cracks me up every time. Sweet and kind and yet strong, Shreya, you made a big difference to my time her in GIM. Love you loads!

- Sheena

A crazy and chill gal! Always ready to party! Thanks for the Portugal memories)

- Algie

Besides the pretty lady that you are, you spread warmth and love with your presence. From just section D classmates to "chilling buddies" in second year to secret santa and secret santee, we had some good times together. Will miss you and do keep in touch!p.s- I wrote for u first, but stupid server.P

- Prachi

Shreyaa,

Woohoo.. i don't quite know where to begin but i'm glad that we hung out together a lot :) those parties & random outings in the first year were too epic :D I still miss them, it's just not the same anymore!

You're really such a sweetheart year.. i hope we always keep in touch & that we still have a couple of those crazy outings together!

All the best for everything! :) Take care!

Shwetank

If somebody asked me about my key takeaway from this place, It has to be you !

A total retard! There definitely is some wiring issue with you dude. :P

Is there anything in this world you don't know about? Any movie you haven't seen? Any world politics stuff you have no clue about? Any TechCrunch Report you've missed? There are people who drink and then there is you - you gulp ! (Pun Intended) :P ' Economist - On the Rocks!' How does all the information fit in there? There is so much to learn from you that I'm gonna keep bugging you till forever :D Love you to the moon and back!

- Sneha

Chotu.. let me make it clear that u r younger to me 😊 I will always remember you for the intense reading you do. I wish someday I'm able to read 1/4th of the qty u read 😊 Stay in touch and keep smiling 😊

- Gayatri

What can I say about my first friend at GIM. To be honest stinku you and I both know this is just a bunch of crap and if I needed compliments from you I could get them when you're drunk. At first instance you were this short t shirt wearing guy with a weird name who was lazy as fuck and didn't have good taste in humor. Well I can say the last and first one have changed and would like to take credit for that. But you're still that lazy ass that sleeps at odd hours and eats like a maniac. Not to mention how you turned into a research driven, Economist devouring (:P) amazing carbon based life form whom we all love and adore is truly a sight to behold. PS don't get too emotional reading this and give me a hug

- Zaid

One of the smartest biharis I've met who has English as his first language. Randomly banter Economist data in every discussion. His passion to win an argument and talking unprovoked is matched only by his love for movies.

Would truly miss our debates (all-out-wars) on black hole, grammar & pure randomness, the time we spent completing our certifications, unsent case study competition ppts, (still have the drafts) and group studies (more like Shwetank's Gurukul). All the best in life bestie... Startup ke live kab baithna hai?

- Rahul

Hi Stinkesh ꝑ Salman is out of jail now!! Boo. Make sure you drink responsibly (hehe). I'm honored that we got to see the other side of you. But really you're one of the few people on campus that I have immense respect for. You're always genuine, helpful and never fail to put a smile on anyone's face. So much so that ET should be paying you a royalty for all their promotion on campus. You've got a lot of potential and I hope life does you justice. Next time I promise we'll find Mandrem on time :D Till then best of luck for everything. Loads of love Manki

- Mankirat

Stinku!! Where do I start... how about with the fact that you've got heart man!! It ain't easy to run a 10K without much practice and more so to do it again the next year! You've learnt to throw a nasty punch too and that's something!!

It's been a fun two years and hopefully it doesn't end here.

To times ahead! Cheers!! :-D

- Kulangara

June 16 ,2014

I was waiting to meet the person who is going to share the room 2208 with me and was praying "Bhagwan koi bhi chalega par bihari nahi (from past exp.)" And then you enter - "Hi I'm Shwetank from Bihar".

"Why! Why God why!" Thus started the world war 3. "bc bottle kahan hai?, u again lost the key!!" You were a real pain in the ass. You made sure that we fought at least twice a day on the silliest topic any person can think of. Jokes apart, I am glad that God didn't listen to my prayers that day and chose you to be my roomie .

At the end of my journey at GIM I can say that I didn't make a friend but found a brother. Thanks for being there for me, for taking care of me and making my life easier at GIM. You were my biggest critic at GIM. I know that I am going to be blackmailed for the rest of my life with this but still thanks for everthing brother!!

- Shrinath

Stinkuuuuusss! You are the one of the sweetest guys I have met here in the course of my GIM journey. You are incredibly talented, extremely enthusiastic about your work and more than that you have a very pure heart. Be the same always jaaneman, I will miss you. Hope destiny makes us cross each other's path sometime somewhere (you know what I mean)

P.S Give me the money you promised for writing such good stuff about you

- Shivam

SNEHA JHA

Hey happy face, time to talk about you. Super caring, super protective, extremely talented and amazingly creative. You're a bundle of joy. Tell me again, how you excel at doing so many things at once. Never mind. I'm no match for you. Never will be. Most of us puny humans don't fall in the same category. Love you loads. I know you'll always be there for me, no matter what, so yay me. Stay happy, stay the same.

- Shwetank

Dear Jha,
Glad to have found you here (seems inevitable 😊) . However our paths crossed on multiple occasions and something good came outta each of them. I'm a Huge fan of your artwork (keep venturing into new stuff)..Continue being the awesome person you are .

(P.S : guess I will get to see the baraat before you hit kerela 😊)

- Sandeep

F.R.I.E.N.D.S

The one that looks like sadness, but couldn't be further apart. The always smiling always happy, slippy you are a gem and always will be. Best of luck, Slippy

- Zaid

GIM hasn't invented a club yet where she can't reach. The awardee for "Most Club Dinners Attended" churns more posters, banners and decorations than what Santa gifts (Gifting kids since 280 AD). Always raring to go for outings, blasting her signature dialogue 'Kahi bi chalo', I've found that the fun reaches a new level in the company of the Powerpuff Girlz (Sneha ,Sandy, Sweetank). Thank you for partnering up with me for those evening walks, gym and pool; I never would have been able to reduce weight on my own. All the best in life, and keep smiling 'Creatively' 😊

- Rahul

One of the biggest regrets for me is that I didn't know you well during the first year at GIM. But I am glad that now you are one of my closest friends at GIM. You are one of the most helpful and down to earth person I have met here. I know that I am not going to miss you because we are going to stay in touch forever and I pray that we be placed in the same city . Stay blessed and keep smiling because that smile of yours is a million dollar one. 😊

- Shrinath

Snehaa :) you are one of the most talented people I kno! the painting sessions we had were so much fun! :) stay the same 😊

- Akarsha

Snejha! The fun times we've had... treks, bike rides and so many other things. You've been an amazing friend. If only I had a fraction of the creativity you possess, I would have been able to design my own Yearbook page :P You have always been able to keep your wit and cool about you. Maybe you'll take to running soon :) Cheers to the wonderful times past and times to come and to a friendship that surpasses time!! :) P.S. Toby and Tyson will miss you a lot!!

- Kulangara

Jhaaa!! You are so talented yaar! Kuch bhi kaam kra lun koi tumse! And the best part you never say NO! 😊 You are a really sweet person, glad to have known you and worked with you! Always fun hanging around! Stay in touch, Take Care! Cheers!

- KP

Snehaaa..My classmate, Hostel neighbor(H3), CSR Mate, Cute FRIEND,etc etc 🍷 I would always cherish the long chats(gossips) we had time we spent together roaming (parties, dinners, etc). I would remember you for the enthusiasm u have within you (queen of clubs, kshitz, inception,TED etc).Gonna miss u in tons 🍷 love u

- Gayatri

Jhaa. You are definitely one of the nicest human beings i have met in my life. A person who i believe always understand me. Thank you so much for being a support to me these 2 years. And never forget, i will always be a call away from you! Stay in touch. Muahhhh!

- Jinesh

Snehjha!!! The only time I'll probably regret with you was that walk down to sankhli :p Surprisingly even that was fun! You're the strongest person I've come across in a very long time. Stay the same positive self. Wish you the very best for everything in life. Loads of love

- Mankirat

Sabse aakhri testimonial likh rahe hain tumhara...samajh hi nahi aa raha kya bolein. Ab talented aur ye vo to sabne bol dia hoga bhot saare testimonials mein but you have this one quality which is difficult for me to put into words. You know when something is wrong, you know what people need, you know how to take care of it. Thank you for doing all of it for me Jha. Abhi bohut saare Punjabi gaane hain jin par dance karna rehta hai. 😊

- Vinod

Jhaaaa!! You're the most creative person I've come across in my life! Kshitz would never have been the same without you. Never let the artist inside you die. Hope you achieve all the

Sohani Almeida Cou tinho

Soh,

You're one hell of a crazy person and I'm so glad to have met you. You somehow manage to stay ridiculously positive all the time and that is what has kept me sane. I guess those two things wouldn't have been same without you. Thanks for always having my back and putting up with my drama. I'm gonna miss the gossip sessions, late night binging followed by guilt trips and of course the gym schedules that we managed to follow! I wish I could pack you and take you everywhere with me but then I get bored of your face pretty soon and you know that. I love you more than you know!

Here's wishing you a crazy and bright future. Stay amazing!

- Annika

Soo

We were tagged SoRo over soro 😊. First person in GIM whom i shared all my secrets with. We could remain such good friends even after not meeting for months. You were the only one having so much patience to sit and listen to my never ending stories. Chilled out person (only when sober) who forgets everything when not so sober. 😊

GIM has been an amazing journey only because I had friends like you. I have never seen anyone so f**king calm one night before the exam when you don't know shit about the subject. The way you handle all the situations is truly commendable. Gonna miss those midnight conversations, tripleys, assignments and all the outings we had. I know our friendship has a long way to go far beyond the boundaries of GIM. Always stay in touch. 😊

Vinisha, well honestly when I first met you I felt you were a bit of a snob, but well over the course of the 2 years I realised I couldn't have been more wrong. You are a very mature, level headed, smart girl. Very ambitious and career driven and that is something I really admire about you. Also, tu kabhi bhi group assignments mein freeride nahi karti thi and I love you for that! It was a good two years with you. Hope to stay in touch. Best wishes for life ahead!

The best HR of GIM title goes to you. I have the deepest respect for you and wish you the very best for your career and life ahead! Here's hoping our parcels don't get mixed up anymore! :D Love, fellow VP.

One of the most hardworking and sincere people on campus! The best part about you is that you take nothing for granted and regularly question the status quo - I respect that. All the best for your career in HR, and keep in touch!!

- Malav

To the girl with most aptly timed humorous comments, I hope you make it really big in life. I know your hard work and unwavering focus on your goals will take you places. Keep your pretty smile on always

Loads of Love and God Bless 🙏

- Pallavi

You are one of those people I got to know much later, but I'm glad I did. I think you are super-sorted in life and know exactly what you want. I hope I get even an ounce of that darity some day. I also hope to become brave enough to take pictures of crocodiles lying 5 feet away. 🙄

All the best Vinisha ! 🙏

- Sannidhi

Vin -The all rounder :D

You are one of the most sorted person I have ever seen. Stay the way you are.

Dear Vin-Tin-Tidin !

Only those who know u completely will realize how nice u r a person at heart.. I believe no one here can match ur quality of perfection in every work! Keep writing those White, Blue, Black, Yellow papers and "Vin the World"! :D

Vinodh Ramadas

When the train starts from! Words are not enough to describe what a great friend you are! Though you keep excluding me from Samaritan posters but I am assured for RR that I will never be excluded from them. For whom you really really care 😊; and must me this gives me a feeling of blessedness! You are solution to all the problems; though you are younger but when it comes to giving advice, solving problems.. u are like 100 yrs older than all of us 😊 - Ciel knows what magic wand u have but it always works well for us. Be it Samaritan or any other work, when u have Werlene by ur side, u r always relaxed: Werlene hai toh kaam ho hi jayega. Thanks for being such a good friend Werlene!

You know that you are one of the loveliest people I have met in my life. I cherish my time of SMU because it gave me an opportunity to know you and I feel lucky for that. Sister or drunk till always tell you that I love you sooo much and respect you for what you are. And now we have a looming Fidelity future in front of us, in hoping it will be much much much better.. Just watch my back like you always have.. Akay Bye..!!

- Prerit

Extremely genuine and simple. Loves to turn all projects

towards a topic of social importance. You've always been dependable and hard working and someone I could always count on. Enjoys teasing people...(not cool :P) yet someone who is there when you need to just talk. Stay in touch.

- Asie

WERLENE FERNANDES

Werlu! You are one of my favourite people at GIM and someone I'm closest to. I remember the first day I saw you, I was wondering who this hot model type girl is! I was standing in the queue behind you and I told myself I really want to be friends with this girl. You're one of the nicest people I know and I adore the way you care for people. I will miss our long pillow talks, the wine nights, discussing boys in great detail, eating wai wai together and being each other's agony aunt. My day is incomplete without our hanging out sessions. They say when you live with someone, you really get to know them. The more I know you the more I love you. I am really going to miss you. Just know that I'm always just a phone call away. Lots of love from your to be maid of honour.

- Disha

To the most exotic girl on campus

You are probably the most genuine person on campus, your energy is contagious and that smile

BEAUTIFUL

I am sure you would be brilliant at whatever you do in life !!

And also all the best in changing the world. People like you are our only hope !!

- Furkan

Man I really don't think even these 4999 characters can do justice to our friendship and what we've had over the past one and a half year. Right from the day I carried your mattress to your room (part of my tireless efforts to solve your problems :-P) we've been the best of friends. You've been there with (and for) me during the worst times and my best. I can safely say you are one of the few people I can let my guard down with and be my true self. You also are the only person I've met that knew me better than I knew myself. Whatever it maybe the lobster theory, or the infinite symbol we will always stay friends and always come back to each other no matter what the situation is *touches as much wood as I can find*. Anyways heres wishing you all the happiness in the world (I know you'll find it just a matter of when). Thank you for everything Werlene. You really are the absolute best.

- Mark

From the day we thought how will we manage with this roommate to being there forever, i have no idea how it happened but i am glad it did.. And i can proudly say that i had the best roommate ever. Somehow i don't understand how you can give some awesome advice and then behave like a kid yourself. But no matter what, it's always fun to be around.. Please take of yourself, the world is mean OUT THERE!! Love you always..

- Divya

Werlu! The only person in GIM who I clicked with so easily. I'm glad I found a crack who agreed on most of my ideas. From the sleeping on lawn smeared with recycled water, rolling on the football field, rolling on the walls, hopping back to the hostel, who else would have done that with me? :-P We've had our share of ups and downs, but who doesn't?! GIM wouldn't have been the same without you. And I've had the best times with you here 😊 😊

- Akarsha

You are one of the most beautiful, smart, creative people I have known, and your beauty lies in your honesty. One of my all-time best friends in the world!! I will miss our work together our talks. Thank you for all the things you have done for me. Will never forget your Kate-Leo analogy. Keep Smiling. Stay awesome!

- Pushkaraj

Beautiful! That's who you are. You are a beautiful soul, an amazing individual and I am so so glad to have met you. I will always remember you as the girl who always smiles and who no one could not like. You spread so much of positive energy around and anyone would genuinely be happy to be around you. One of my favourite memories at GIM have been talking to you about 'life', anything and everything. You seem to be this person who could be anyone's confidante. Your level of commitment towards your work, your friends and life in general is absolutely commendable. Always be the beautiful girl that you are :)

- Vijayant

THE PERSON I LOVE THE MOST ON CAMPUS!!!

Werlene you are genuinely one of the nicest and most generous people I've met. You are one the easiest people to hang out with, it's really cute how you would always come to my room and complain about small things....P I love talking to you... and I really hope it's always like this between us... and Werlene our shelf won't end. You are so loving and considerate about everyone and I really love that about you, plus you're so smart and write brilliantly unlike me :P You're going to be amazing at whatever you do and wherever you go... I love you sooo much

- Mark

Werlu! I still remember the first time I spoke to you in the H1 wash room (Yes!) on the first day of college and thinking how tall and pretty you are! You are a wonderfully kind person with a heart of gold and a little kiddo as well as all grown up at the same time. You've always been there whether it's just us chatting (girl time :-D) or asking if I'm alright. I will miss you a lot! And our little 'H3 House' too! Werlu your hugs are the best ever!!

- Dianna

- Kushal
"I never thought that I will ever have a sister other than my sibling and then I met you, I have never really expressed but I love you Behna. You are one of the nicest human beings I have ever come across.

We have had some beautiful conversations that I will cherish in my life.

Wherever and whenever you need someone, I will always and always be there for you".

The happiest, bubbliest and the most carefree person I have ever met in my life is you. Never ever I have been the most comfortable to share the unthinkable problems, secrets and the most horrible confessions if it had not been you. You are probably the closest person to me now. I will miss our swimming sessions, red room thoughts 🍷, plans to make money, travel the world, meeting new people and leaving it all. Keep that beautiful smile on your face forever and make the best of your life. You know that I love you. I will miss you.

- Anjali

First things first: Thanks girl for being such a patient and understanding roommate (u know how cranky I can be at times). We had so much mastii together and these two years just passed by in a flicker. I will remember all our outings, room parties, you carrying all four of us in a single trip to places, long chats day and night (no idea how we had so much to talk right from Day 1). Crazy girl u are... Be like you are always... True Goan at heart!! 🍷 Love u... 🍷

- Nikita

Sat next to you for a year and people always confused us for being the same person! :P I think you're very sweet and too much fun Winnie. And the fact that you ride a motorcycle is just <3 All the best to you :)

- Werlene

Hey Winnie, you are a talented person who hates Mallu food :P, but it's not that bad alright, :D, keep smiling, work hard party harder, all the very best ...

- Hareesh

'Winnie', a name that has 'win' in it and this girl is true to her name. I still remember all the tantrums you threw at me during Give Goa and then use say 'mein to kabhi nakhra karti hi nahi'. 🍷 The fun we did in these 2 years will always stay with me.

Motivating me every time I was low, making sure I taste the best goan food when we went out, all the singing that we did on the road and linking me to I don't know how many girls 🍷. I found a great friend in you and I know you will always stand by me in college. Ahh.....and how can I not mention all my secrets that keep for me!

Ambitious, brave (window jump 🍷), always bubbly and lively. I'll definitely miss you!! - All the best Winnie. 🍷

YASH JOSHI

The first person I met as I entered the campus on the very first day and since then have developed a lifelong Bond. A person who I can share anything and everything with leaving behind all my apprehensions. My day doesn't end if I don't have those fake fights with you. Life here in GIM would have been totally boring if not for you. There is a lot of common stuff between us especially when it comes to liking girls 😊

Superbly talented creative cooperative chap. Will miss you a lot. Parting ways with you will be tough!!

- Abbas

Bhai, there are a lot of memories with you to cherish... our in-street eat out days hehe..., then I rode you to Baga in 30 mins from Sanquelim... hehe... and our late night talks sitting in your room... our start-up ideas... hopefully one day we would materialize some great idea... god bless you bro..

- Satbir

Joshi... Rakhi Brother :) SOOO many memories with you....

Over these two years I have seen so many changes with you... With us... From our trio of you, me and Satbir, to our trips to South Goa, to the countless parties we had... Loved every bit of it...

I remember coming to your room, confused, asking... "Yash aab main kya karu" and you were always there 😊

You made MBA fun... and you stood beside me always... Love you Loads...

- Radhika

Gifted with incredible sense of humour and perhaps the most entertaining guy.. will definitely miss our common love for tea and all our group outings. Wishing lots of luck to the "Amrish Puri" of our group. 😊 Stay wicked as you are 😊

- Mousumi

hey yash...!! the best mimic and most spontaneous person here...!! spending lots of time with you doesn't guarantee friendship.. few good moments are all it takes.. you being the best example.. I'll always remember you as someone who brought a smile on my face and took time out to actually sit and know me...!! the best memory would be when you discovered that vada pav thela in Sanquelim.. random discussions and open hearted conversations regarding something I always cherish.. will miss you!!!! :*

- Prina

Yash... Honestly I found you highly kiddish when we met first. As time passed by, you surprised me everyday. Your nature, way of thinking, kind of maturity and perspective for life that you carry is very rare to me. You are one of very few people whom I actually trust. You have supported me in every situation. Promise me you won't change. Please oh please be this funny even when we meet in our 80's :D. All the best and you can count on me. God bless you J

- Priti

Amrish Puri... Chill guy... Infinite Memories... Patnem with Kapad 😊, Arambol, Majorda and so many... M going to miss your jokes... our stupid conversations... all the nicknames we came up with... kalapani, the drum, pikachu, "sankhli", westindies hahaha.. - Nikhil

I'll miss the 'water-cooler' talks we had in 1st year. And the Amrish Puri impressions. I've no doubt you'll succeed in life. Cheers and all the best!! And give me a link to the Campus Facts page :P

- Malav

Funny yet empathetic, sensible, the one with the most inside stories and funniest PS (Oh the irony :P) and the creative one. You are my brother from another mother, will always cherish the memories we had together.

- Sumpunn

Creative Amrish Puri! A factory of great ideas, stories and lyrics. I will never forget you reading my face :D. Just love your thug life dance step. We thought of a lot of plans but didn't happen to execute them. Keep nurturing your creativity, one day you will definitely be able to put it to use.
